Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

Our Mother begins her message:

My children, kiss the ground, this place on Holy - pray. Thank you, my little ones, because you are carrying out the Mission to perfection. This is how I wish you to be, thus, my dear children, and love one another.

Look, my little ones, today I request that when you offer to my Son the prayer of the Wounds, afterwards you recite three times ten Hail Marys with Glorias for the blessed souls in Purgatory. In this manner, you are saving and carrying to the Throne of God, my God, your God, these souls that need it to reach the highest. Do this, my children. I also wish you to meditate upon the Magnificat, my prayer, because I humbled myself and was a slave to the Lord. All men will call me Blessed, I wish you to think on that, my children, calmly. You will see how with this meditation, you will gather treasures for your souls.

Keep coming here, my children, whenever you can. Yes, I know your hearts are broken, but this is the penance which pleases God, that which is costly, difficult. Do not impose your own criterion and your own ways because, my children, in this manner will grow tired and you will self-destruct. Place yourselves in God's hands and God will carry you, as He has done so many times, even though the pay pierces you.

Keep walking, walking. Yes, my children, the Mission is accomplished, but look" I desire that you go and tell my little daughter that Doctor Oliveira is praying for you because you have done much to carry my Message to the world. He is there in Heaven with the Father, my Son and the Holy Spirit of Love, comforting your souls, praying to the Almighty that you may be pilgrims of the world. He was a pilgrim of the world, he left everything to carry Me in his heart. He was misunderstood, mistreated and, because men knew what they were doing, instead of dethroning him, they raised him up to the peaks of Heaven because of his humility and his love. Imitate, my children, the Saints.

My children, keep on with your pilgrimages, even though it hurts. I will give you the heat and the strength for you to keep walking. I will give you my brothers so that you will not be alone. Love one another, love each other without limits and when one of you, my children, goes on the way of the world, the path of pride, of knowing more, you, brothers, with love, gently scold him/her that they may return to the flock. Because I wish you all to be one in my Son of Love and in my Heart of Sweetness. My children, do not be afraid - this is why I am giving these messages - that you may see the Light.

I have already told you that I am teaching you to walk slowly but firmly to carry the most valued Treasure of God Almighty - that is your Mother, as you call her - the Virgin Mary! Now, walk my children and continue with determination, much determination and love each other as you are already loving each other. Preach the Word of my Son, as I have told you on many occasions, to those that are in error, to those that blaspheme. When you see a brother that blasphemes, look at him and speak to him with love and say: "God the Father Almighty, I ask of you for this brother or this sister that is confused and does not know you. Give him the Light and forgive him because he does not know what he says nor what he does." My children, love one another...Love one another and pray to Heaven, that Heaven will grant you what you wish.

My Son is broken because the messages that I am giving, my children, you are hearing, but His body is not there. The spirit flies and it is the spirit that comforts the body. But this body is broken, even though I, when the spirit comes to the matter, I settle it with my Hands so that it feels no pain. Now He feels no pain, but afterwards He does. It is the cross of my Son, that is in all His bones, because He carries the pain.

My children, love one another and pray for one another. You are travelling to your homes, but do not allow that all this love and all this fraternity that you feel at this moment is left behind. Embrace your brothers and do not criticise or cause each other to fall into fault. Be one in my Son, in your God, in your Love.

Our Father, who art in Heaven, Hallowed be Thy Name, Thy Kingdom come, Thy will be done, on Earth as it is in Heaven...this is how I wish you always to pray to God the Father, because your God the Father, is He who gives Love.

I bless you, my children, as the Father blesses you, my Son of Love and the Holy Spirit.

Our Mother in Monte Faro de Luz.
