Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

Our Mother begins her message:

“My little children, what joy fills my heart to see that my children keep their word, the word of their Mother!

You have been chosen to carry this ministry to the entire World. I am the Immaculate Heart of Mary, your Mother and I ask that you go to my daughter and you tell her to make a frame of 150 x 100 of my Immaculate Pilgrim Heart so that always, when you come, pilgrims, you place me here to pray for the world and for all my children.

You still don't understand these mysteries, this mystery, my children. But look, I told you that a wrote a name in the Book of Life: John. Do you know which John it is, my children? John Paul I. tomorrow he will ascend to Heaven and for this reason he is praying for all of you because he loved Me greatly and I, to all my children that love me, I give them my Heart and I carry them to Heaven.

Be little, my children, love one another, remove all that is superfluous from your lives, live in poverty, leave luxury behind, do not possess more than two garments. Men do not understand poverty, they only wish and seek in their lives the pleasures and the tastes. They believe that they are walking in truth and leave the spiritual in the corner. They say that they love and they believe but if they do not go to their brother or to the handicapped person that is by our side, it is worthless. My children, seek humility, poverty. I wish to tell you also, my children, do not say anything to my little son because others will already tell him, but I wish you to know because you are the followers of my Heart. My son will go on the 16th at 13:15 and they will open the doors of the Vatican to him. He will go to visit my sons, first the Cardinals and then with my son, the Pope. He is fearful, very fearful, but you must encourage him because it is a trial of blood for him, that he may believe, because he still doesn't believe in all that I am giving him. My children, you are messengers of this Truth, but keep silence until he communicates it. My son, my little one, when

you have a moment, call Ana, my daughter, and you can tell her all because this little one will be flabbergasted when he finds out.

My children, this land is "Land of Prayer". You must not say "no". When the feeling of my little one says "let's go", you must go even if it pierces your heart. Do not put obstacles, my children, you are already many pilgrims like these little ones of mine who have also come, I appear because I give Light and Life.

Parents, educate your children in the love of God because God is the strength, the power and the life. Without Him you cannot walk. My children, remove the hardness from your hearts and live in poverty. You are no longer of this world, my children, because you carry burning lamps, that is why I have commanded you to bring the candles. These candles are your light, the light of your souls, but you must remove the confusion you have in your hearts.

I love you, my children, live in community, live in love. Do not say "no" to your God and your Mother because He, your God, my God, and your Mother will carry you on wings everywhere. Even if you suffer, even if you are in pain, even if you are lazy, my children, keep on walking. I also tell you that Satan is lurking, he wants to destroy the Beautiful Work of my Immaculate Heart. Go on your way, my children, and look up to Heaven, for there is the Greatness, the Love of your souls.

You are pilgrims, my children. I will say more on this issue of pilgrimage but watch, be watchful and careful, go humbly, love and cherish one another, that you may all be one in my Son Christ, that you may all share and look upon one another with kindness and humility. In humility is love and in love is humility.

This land on which you tread is "Holy Land" and has already been for some time because I go everywhere in the world appearing to my children, so that they may see that their Mother loves them. Now, my children, keep walking and I give you my blessing, as the Father, my Creator God, my Son of Love, the Holy Spirit, my Comforting Spouse, your Mother Miriam, Heart of Mary, Amen....

Our Mother in Monte Faro de Luz.
