Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

Our Mother begins her Message:

My little ones, my children, peace have in your hearts and light of my Light in your souls.

Thank you, little ones, for coming to My call. Thank you, my children, for recognizing that Mary is your Mother. Thank you, my children that you are the light of the world. I Am Light of the human beings, Light of everything that is seen and that is not seen. I am called Beacon of Light, Beacon of Light I Am and I want, my children, that you take the Light of My Heart to all your children, friends and the world.

Meditate, my children, this month the book of the Wisdom.

The world cracks, my children, because people have stopped praying and asking their God for the salvation of the world. You have to walk, my children, today more than ever, to take the Gospel of My Son to the world.

Difficult times come to the earth, my children. But I tell you, my children, that if you truly pray and if you get on your knees to ask for mercy for My God, your God, the world, my children, part of it will be saved.

Love one another, my children, do not have evil works with each other. Be good and humble. Close the mouth, my children, when bad thoughts and bad sayings come to mind for the one that is next to you, husband, wife or children.

I like, my children, that you make this little sacrifices for the man's salvation. (At this point is raining a lot).

I am Light, I am Beacon for everyone. Now, my children, you have to look for My Son of Love and, as I have told you so many times, make a Tabernacle in your souls so the Trinity dwells, in Whom I am as well. Love your God a lot, my children, look for his Face, look for it. Tabernacle, my children, is what I said to you: Tabernacle, Tabernacle, Tabernacle. There, where My Son of Love is, The One Who does not fail, my children, the Truth and the Life, the Fortress, the Divine Mystery, that doesn't hide anything, my children, that gives you His Heart for the salvation of your souls.

My little ones, how happy I am today because you have come from far away, my children of my land where one day I appeared to my children in Fatima. And I am with you all because you are also ray and light of the world.

Now, my children, you have to work for these Works, these Appearances that I make in the whole world, you have to lift them up so the world comes to get on his knees to God, so they have Life and they love each other. Don't be afraid to the world, my children, don't be afraid when it comes to take out your life in one way or another. If you want consolation and assistance, My Son and My Heart will be with you and nothing will hurt you. They will take away the body but the soul, the soul will go to the Heavenly Abodes that My Creator God, your Creator God, did so one day you will have Life there in Heaven, in the Table of My God, your God.

I heal, my children. Take water from the river, give it in the diseases, don't drink it, my children, but take it for the healing of the body and soul.

I am here, my children, I have come here to make this place big so people come to adore My Son and to love Me. I am your Mother of Peace, Peace I bring to the world, my children, Peace I give. And I want to be always with all my children that ask me for help. Come to Me to ask Me, my children. I, with My Mantle, wrap all of you and I have you in My Heart. Don't stop, my children, praying the Hail Mary day and night, because I will be with all of you. Yes, my children.

I also tell you, my children, my little ones, do, my children...

Yes, I already told you, my son, in Fatima I also told these children, some of them, that you make, my children a Banner with what I want and I stand here: I am Beacon of Light and I give

Light to the world, the one who comes to the Light will go with My Light. My children, do it because I will tell you soon more things that you will have to do. Now join together as I told you to reach conclusions of Beacon of Light.

Love each other, love each other and love each other, my children. My Heart I give to all of you. Don't forget, my children, to make the silence; the fasting: Monday, Wednesday and Friday, all of you who are healthy, my children; the Way of the Cross; Confession; Tabernacle, Tabernacle, Tabernacle.

Go in peace, my children. All of you who have come from far away, My Heart is going with you, and know that Your Mother of the Heaven and the earth is here waiting for that that you bring in your hearts. My children, what is going to give you a Mother but the best? I am the Mother of everyone, of those who don't love Her, to that Mother that comes to give Her Heart and of those who love Her. But look, as My Son told one day in the Gospel: "love those who hate you, who don't love you, who mistreat you". I also tell you in Beacon of Light: "love each other and love those who don't love you". Go in peace, my children.

And now, my children, the bless of My Creator Father God, your Creator Father God, My Son of Saviour Love, the Holy Spirit My husband and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light.

My children, I have given my son a strong voice because those "gadgets" that you say in the earth, it hasn't been possible and my son has raised his voice so everyone, my children, could hear My Love Message. (Our Mother refers to the microphone that is used during the message and that today, due to the rain, broke down and stopped working)

Go across the paths, my children, taking the Gospel of My Son and forgive all those who don't love you.

Goodbye my children, goodbye little ones, goodbye.

Look, my son, how many Angels! Thousands of Angels are with Me and the Angels of each of you are touching your hearts. Small, make yourself small, make yourself humble. Small, don't look for vainglories, look for the Love of My Son, look for perfection. Withdraw, my son,

from those who want to hurt the soul, ask for them, ask for them.

Little one, yes, write down a name in the Heaven Gold Book: Amalia. Little one, what a surprise, what a surprise, little one, so many times has cry in this field for the poor sinners!

Goodbye son, goodbye...

Our Mother from Monte Faro de Luz.
