Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

Little ones, my children, I am your Mother of Light, I give Light those who ask me for Light; come to ask for Light, my children of Beacon of Light and of the entire world; How many times have I told you, alert humanity, alert humanity, alert humanity! Man does not want or understand this message that I give to the whole world; this is what humanity is going through, do you know why? I said it, the work of men and Satan; but do not be afraid, my children, know that all those who have died and those who are going to die go to Heaven, I told you, they are martyrs, why do you have to be afraid?

My children, is it not better that you be in Heaven than on earth? What are you and what are you going to leave on earth, my children? If you are not able to sacrifice yourself. of penance, of fasting, of being with the poor, of visiting the sick, of taking yourselves away from them to give them to others without costing you anything, because whoever gives to say, I give, is wrong, remember the widow, my children He threw what he had into the church, you have to be smarter now, you have to put yourself on the Throne of your God, kneel down: "Lord, you gave it to me, everything is yours, why do I have to store, because I have What to say, this for my children and this for the other? ", in the end everything stays here, my children.

Seek the soul, seek Heaven, children of the Beacon of Light that you listen to me and that you are going to meditate on these messages that I bring to earth, forget the world. Who better than your God ?; He who does not leave his father to his mother to his children and does not come to My side is not going to be worth saying that Heaven has earned them, because they have preferred human things, to the things of the earth; take off, put on the sackcloth (I told you so many times when my appearance began in Faro de Luz), wear the sackcloth of poverty, poverty, live poverty, love poverty, because everything you have, everything, he has given you my God, your God, but he has given it to you to manage it well.

Don't be lustful; see that the temptation is very close, but to combat the temptation is my Heart and the Heart of my Son, if you come to look for him we will always be with you.

Be holy, my children, like your Heavenly Father the Holy; My Son already says it in his Gospel, his Word, fulfill the Word of my Son, take the feelings of my Son, love my Son more than anything and more than anyone, my children; also seek fraternity, seek true love, without malice, without anything that disturbs, but comes out of that soul that my God, your God, gave you to make it clean; I have said it so many times: pots, no clothes, no money, no jewelry, nothing; no furniture enters Heaven, Purity enters Heaven, and you, my little children, I know that you are all very good, but you have to take off your pride, the self, that ego that you have, that you want to know more and be first; Get down, be mortified, even when you are right and the other says no, give it to him, ask for that person, for your brother who is wrong.

Strengthen yourselves with the Body and Blood of my Son; A great day is today, the Body and Blood of my Son, do not be lazy to go to the Sanctum of my Son, do not be comfortable, do as those first Christians who were all united and put everything in an ark for everyone to eat, They worked and were united, why not now? Why now when you go to the temples of my Son or do you look at your face, you don't even have a smile and in the end when you go out to the street you riddle, judge and kill with the mouth to your brothers? Do not judge, my children, because only he who judges is my God, your God.

Make yourselves little, nothing, go walking slowly but always safe. ” God is by my side, my God is with me, Lord, what am I missing? If I have you I lack nothing, neither gold, nor money, not even clothing, nor house”, because my God, your God clothes you all.

Look at those continents that so many small and big children of mine who starve every day and are passionate because in the world they are dying from a satanic virus and you don't see each other and you don't speak to each other and you are changing your hearts; because, my children, I already told you, if you don't pray and do penance, what will come is divine, and there will be man's crying, pain, panic, dying of fright. The Church, my children, is in silence; they are in communication with each other, they are not united, and they make and undo many of them; that is why other times I have said to you, why are there no priestly and religious vocations? Because they have stopped praying, because there is no one who prays, because there is no one who sacrifices, because they like sin, abortion, pride Greed, and that is why my Son has a great pain in his Heart, like Me, and we come crying; That is why I appear in the whole world saying the same thing: “pray for conversion and for wars to end, for hatred to end, for these things to end that sometimes you kill each other with your tongue; also, as you say and you know, you kill with your hands your wives, your husbands; you have a criminal instinct, but that, my children, would end

if you pray day and night and always put your senses in Heaven; my God, your God, is Mercy, but he is also Judge my children. Everyone on earth when they die is already in Heaven, in the Father's House; yes, my children, many, many millions, but many millions go to Hell because they have not known how to carry love and believe in that God who created them.

Love each other, my children, and bless one another; Where there is hate, put love; Pray the prayer of my son Francisco, he was rich, he left everything, he was dressed in a sackcloth, barefoot, he did not eat many days, but he reached the goal, that final goal which is the Father's House, the House for the Eternity, think about this. Alert humanity !, because what is coming and what is to come, if you men, my children of the world, do not pray, very strong things will come, very unpleasant, and viruses will also come, I already said it years ago.

This, my children, is to meditate on, but not to be afraid, because whoever believes and loves their God is saved, they are in Heaven, and you have to pray and ask a lot for yourselves, also for those of your families , and ask that all this that is happening on earth, God, my God, your God, can do everything, He can do that small or great miracle, He has in his Life in his Being everything, what is happening, what is going to happen; and thanks to all those who pray and are at the side of my Lord, your Lord, there will be mercy and it will be less, the wrath of my God your God.

Keep fighting for Faro de Luz, soon we will be together, but also men have to do with this; and you have to obey, you have to be practical and obey the Church, and also your governments, "give to Caesar what belongs to Caesar and to God what belongs to God"; for this reason my God, your God, and my Heart and the Heart of my Son and the Holy Spirit, my Spouse, we say to you today: "ask for all men on earth for conversion, your conversion; ask him for mercy so that all this on earth put by Satan ends. "

Notice, my children, that you have spent time with the closed temples, now the man had to look for God more, the one who loves God, but he is afraid of stepping on the temples, because also, of course, in the temples there can also be viruses and all these things. What does it matter to you if you die in grace of my God, your God? Death comes at a time that nobody knows, that's why I said at the beginning that they were all martyrs and that they were very close to my God, your God.

Those who have died, my children, who have not died are risen, they are alive with the Father, my

Father, your Father, they are more at ease, they are happy, they are in Glory, and you have to deserve it; because when this virus is over the world will come with its corrections, also with its things, that you are in the world and you are seeing it, and the bad things will come, sin, more sin; and you, if you do not have repentance and are in the grace of your God, do not think, my children, that you are going to be in Heaven; Always ask for the Mercy of your God, my God, He will help you, but you must put on your side, no laziness, to fulfill the Commandments, my children; go to the Church, take the Body and Blood of my Son, confess, not once in a year, but I tell you, but every week, once a month, and make the memory of the Heart of my Son and my Heart, we come to save you, we are saving souls, but many do not want because they hide and go outside their Lord; I am very sorry, I cry for all those who are condemned, they are condemned because for much mercy, my children, much mercy, but if there is not that pain of sin and that saying Lord forgive me because I have been and am a sinner.

My children, attentive to what I tell you, be happy and be happy, because you, if you truly love my Heart and the Heart of my Son and especially my God, your God, you will be saved; do not be afraid, do not be afraid, go preaching and speaking of the Heart of my Son and my Heart; and that is what I tell you today, that you always take the Body and Blood of my Son so that you may have life; stop now things of the world, look for the things of God, they are the things that we have to have and carry when one day our God, your God and my God calls us, calls you to go with your arms and hands full of that love and that joy and that purity.

Now, my children, I give you the blessing, but as always, my God the Creator Father, my Savior Son, my Spouse the Holy Sanctifying Spirit and I your Mother Miriam Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light.

Goodbye little ones, soon we will be gathered in Faro de Luz, but listen also, as I have said, to the men, because you are led, the people, by these components of rulers.

Goodbye little ones, goodbye children...

Now our Mother addresses the seer:

Look little the henchmen of my son the Pope, look, Germans, Swedes, Spaniards, from America, they want to destroy the heart of the Pope, my Pope, my son, I also call him Pope, because he is

the Pope of all men; if my Son made him Pope, with the Trinity, I am inside; My son, pray a lot and ask a lot for him because they want to annihilate him, although many Christians are exorbitant and also wanting to annihilate him. Freemasonry is within the Church, my children, and many children who commune with my Son, with their God, are against the Pope; the Pope is holy, my children, love him, love him; And if they also tell you, my son, that the Pope is bad, that he is not the Pope, pray for him or for her; yes my son

Men do not know if the Pope is holy or not. Why do they judge the Pope so much? They also judged John Paul, Paul VI, all the Popes, and all today are saints; If the Church has made them holy, it is Heaven that is in the Church.

Don't criticize, my son, and you, my children, don't either; Ask and pray a lot for him, he is a crucified man, and he suffers a lot for the misunderstandings of man.

Our Mother in Monte Faro de Luz.
