Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

Little ones of mine, my children, have peace in your hearts and Light of me
Light in your souls.

Meditate **JEREMIAH**, children, meditate on him because in it you will know the wisdom of your
God, my God.

Look I am happy because I am here with all of you, my children, who have come to pray to my
Heart so many times, although you have prayed in your house but I want you here in my House of
Love.

Thank you, my little ones; I am also sad and I come in black for so many dead, so many dead!
Although they are martyrs, but there are dead who have died of their natural life and some are
condemned, my children.

Sin is evident in the world, and if you, my children, who know how to pray and ask, do not pray
or ask for those children of mine who are raving, who are doing it wrong in the world, especially
for their souls, this will be a decline and everything will come that my God, your God, has said
that very bad things will happen in the world. This has been of men, but Divinity and Divine will
be otherwise, men will be scared when they see the Light of their God, they will no longer be able
to go back or ask for forgiveness, because they have had a time of repentance, for their tastes and
its pleasures and its evils are seen in Hell, my children; Although today they are not talking about
Hell, they are not interested in talking about Hell, although many say that Hell is here and
Purgatory; what is it, my children, Heaven is Love, Happiness, Hell damnation for all Eternity
suffering; The greatest suffering that these souls have who were also my children and those who
are now, is never to see their Creator God again, therefore, alert humanity! Alert because we are
warning my Son and I in the world that the world convert and go to our Hearts to ask for
forgiveness; but I tell you that not only, my children, is forgiveness of my Son and Me, but
forgiveness with yourselves, you have to forgive yourself, you have to love yourselves, you have

to take off strife, rancor and anger, do not blaspheme, my children, do not curse, do not judge.

There are many favourite children of mine who are hating and hating my son the Pope; there are sectarians, before he was my son of his Creator, now they are children of the Devil. Who are they to judge my dear Pope, your Pope? You know that whenever there is a Pope, not only the Father who comes but the total Trinity who makes the Papacy.

Men are dying in evil, they do not want truth, charity, humility. There is no need to judge, my children, and less a saint of God, of me God your God Why do men insist on doing this evil? Masons, on the one hand, those who are against their Creator, those who have hatred, those who have power, those who do not want anyone.

My children, you love, love, strengthen yourselves, I told you a date 2060, 2035, keep in mind these numbers, because these numbers are from Heaven, they are not of men; convert, my children, you have the moment to always be in the grace of your God, my God, that everything that comes out of your souls is good, it is really; Charity, love each other, strengthen one another, and ask much for priests, for my God, your God, to send priests to the earth, because the path the world is taking is agony, even of the Church of my Son, because many of my children do not produce or bring their children to their God.

Repent, my children, come to this place, my House, your House, that I will relieve you, ask me, do not tire of asking, because one day or another my God, your God, will do what you bring in your hearts, always when it's good. Ask for no illnesses, ask for families to join, ask for abortions, ask for good things, do not ask for money, do not ask for comfort and do not ask for health, let God be God, do things for He, whatever he wants, you are ruled by God, my God who created you and you have to praise him, bless him, kneel down. And yes, how much to my Son and to Me, I have said it several times, we like that you take Communion in your mouth; Go to the church where my children give that Communion in their mouth, even if it is far away, but go there. My Son and Me are very pleased; nobody, nobody in the world, can take my Son in their hands, even if they say what they say; you, my children, if you truly love Divinity, go with your mouth; The Church has not prohibited it from being given in the mouth, and today most of my children do not want to give Communion in the mouth. Diseases, bad things are going to come how can we talk? I also say it, I wear it because I am your Mother and if I were on earth and had to take Communion, my Son in my Heart, I would receive it in my mouth, although I am Grace, although I am Trinity,

although I I am the Daughter and the Mother and the Wife of the Trinity. You, my children, strengthen yourselves and do it, go where they give you Communion in your mouth. So many say about diseases, you think and many of you who have been children and are now older, in your youth, have you not taken Communion in your mouth and nothing has happened? Do you think that God, my God, your God, is going to make you sick; no, right?, because God rules the hearts of all men and wants good; so do not be afraid of this virus, my children, fear is diabolical; the Devil has entered the hearts of men; If you had a little faith, your God, my God, would be with you, and he will be with you. Go to God, do not be afraid, because I tell you, many have died saints, and not saints, but they are already there enjoying the Celestial Abodes, because they were taken away by an evil man and the evil of the Devil; they could not have time to say: Lord; That is why my God, your God, has taken you and will take you to all those who truly die in those martyred circumstances.

Courage, my children, strengthen yourselves, do not be afraid, like my son, do you remember John Paul II? Do not be afraid, go to God, seek God, take comfort with God, He is the Life, He is the one who gives Life and He is the one who takes it when He wants, therefore have confidence in the Hearts of my Son and my heart, fear is of cowards.

My children, prudence, but not fear; If God, my God, your God, calls you, blessed be He, because those who are living in Heaven are already singing the Alleluia to their Creator God; and we have to deserve on Earth, those of us who remain, we have to do penance, prayer, sacrifice, fasting, and I tell you today to the whole world that every day, my children, every day at a certain time, six o'clock evening, have in your hearts all those souls that my God, your God, is going to take to Heaven, because those souls when they are in Heaven are going to ask for all those who asked for them, pray ten Hail Marys at six in the afternoon, every day, your Mother, Beacon of Light, tells it to the whole world; do it because in this way you will save many souls; Also this month keep in mind the day of my saint, CARMEN, that I come to Purgatory to take thousands of people from my children to take them to the already sanctified dwellings.

Now my children I love you and I thank you once again for being here with Me. Strengthen yourselves in love, Tabernacle, Tabernacle, Tabernacle; what a pity my Heart and the Heart of my Son these months that the churches have been closed and my Son alone in the tabernacles of the world; Pray that this will improve and that the churches do not empty because of the fear of men.

Now I say goodbye, my children, and my God the Creator Father, my Son of love, the Holy Spirit

my Sanctifying Husband and I your Mother Miriam, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light. I also want to tell you, to these Portuguese children of mine, that they continue to fight and that they are not afraid, Faro de Luz goes with them, tell all those who come here and who are going to come, that their Mother awaits them with a Heart full of joy, my children, and blessings.

Goodbye little ones, goodbye, my children, goodbye children...

Now our Mother addresses the seer:

My son, my little worm, I told you years ago that here a house would be made for the sick and those who pass by, immigrants; I want you to work for this work, my work, so that it is carried out, you ask the Heart of my Son and my Heart so that everything that I said and said is done, but you have to be very good, humble and detached.

Pray a lot for hearts to calm down and see the truth and for this Holy Place to be fulfilled soon; your little one of mine continues to ask and pray for all your brothers, be humble, be poor, do not want anything that does not come from those generous hands, so that you with other hands, your hands, help the helpless; but live poverty, my little one, have nothing, know nothing, keep walking in love for Love. I love you, my son, keep going, I strengthen your heart, and my Son puts his hands on you so that you continue this walk and this work that is mine, Faro de Luz, that one day on the road I made you see and told you everything that would happen on this earth; You started from scratch, there are already many of you, you already know Lighthouse of Light in the whole world, but it is not your thing, my son, it is a thing of Heaven, of my Heart, because I love this Earth and I want a Saint here Home for what I have told you and I have told you.

You have to support each other and walk to that meeting one day to be united with the poor in this land that is my Land.

Goodbye little one, goodbye little one.

Our Mother in Monte Faro de Luz.
