Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, may you have peace in your hearts and the Light of my Light in your souls.

My children, you are in a few moments of penance, of love for your neighbor and of converting, have mercy and mercy with all those who are by your side.

I come dressed in black, my children, so many children of mine who die in the day! Ask your God for mercy, my God, so that all of them go to Heaven and not condemn themselves.

Meditate, my children, **ACTS OF THE APOSTLES**.

Humanity, my children, is becoming more corrupt every day, everything does not matter, there is no Love for that God, my God, your Creator God, and today many of those who knew him do not know him, they no longer want to know him, They say that life is going badly for him; If there is no cross, my children, there can be no Heaven.

Alert humanity! Alert humanity! The events, my children, are close, but they are and will be from Heaven; Do not be afraid, my children, of death, I have told you so many times, those who die from this virus, made by men and the Devil, are martyrs.

Look at your Pope, my favorite son, he leaves his house to console the families of all those who have been slaughtered by their own brothers, and those too are martyrs.

Be brave, my children, to take the Gospel of my Son to the world; Do not be afraid; but you are also afraid, what will they say? What are they going to say, what memos, who do these fans love? The Golden Calf is in the world, my children, and the sins are greater every day; how many sacrileges does man commit to the Divinity, to my Son! And more in these parties, as many of my children call, a worldly party, when they had to get down on their knees and pray for everyone,

especially for themselves, who are giving the back to your God.

Those who criticize and speak ill of my favorite son, the Pope; You are not seeing that it carries sacrifice, penance, prayer, in those worlds where there is slavery and death, pray for it.

Do not criticize, my children, criticism is not good, so judge, so you will be judged, ask for mercy for your hearts, do not quarrel with each other, be truly children of my God, your God, and fulfill the Commandments that He gives you. Command; but how little you do of this! Where are the penances, the Tabernacle, the Holy Mass? My Son immolating himself for all humanity, every day, for all men for the salvation of all. What do you do, my children, why are you not more charitable? Go to your God; Mercy, forgiveness, mercy Lord, not only for me, but for all mankind. But men fight for power, for the Golden Calf, to have and to possess, it is all misery.

My children, why are you afraid of death? If all of you are going to die one day or another. I tell you to go to confession to get right with your God, my God, so you will not be afraid, because that way the consciences that are not calm, that are not in the grace of my God, your God, are afraid. You flee like those cowards, one from the other, and you no longer look at each other, or speak to each other, because you are afraid. When you die, my children, you have to worry about your soul, because the flesh rots, it is the soul that goes to Heaven or Hell. Have confidence in your Creator God, tell Him: "Lord, You created me for You and I will not rest until I find You, give me the Light in my heart, the Strength and Hope and Charity, because in this way I will walk little by little to the Abodes that You have us prepared".

How many times have I told you to go up the mountain! But do not look back, go to the end, how far my Son is with open arms to support you and take you to Heaven, but do not look back, because the world is perverse and you are weak, because still, my children, the Faith it cracks in you, you have a tiny Faith, you have to have strong Faith.

So many times I have told you, husbands, love your wives, wives, love your husbands, children, love your parents, parents, love your children; But no, you are from a gallery and you have to take off your masks now and be pure, chaste and obedient to your God and fulfill the Commandments that one day my God, your God, gave to Moses and that is what you have to wear for in front; love God above all things and your neighbor as yourself, do not have quarrels, nor grudges, nor anger, nor insults; truly love each other, truly love each other, as my Son and I love you, and we want to

save you, that is why I appear in so many places in the world and bring my Messages so that you may have them and meditate on them in your hearts and so little by little you will know more about your Creator, my Creator, my God, your God.

They call me a Lighthouse of Light, I am a Lighthouse of Light and I come with Light to all my children in this countryside where I am right now with all of you, and I am blessing you all, the little ones, the less little ones, the great ones, to the elderly, to everyone, not only to you, but to all those who have come to Faro de Luz and those who have not come, and those who will not come again, I bless you all, because you are all my children.

And you, my children, be strong and truly warriors, you have to build this Work, but nothing with grudges, nor envy, nor jealousy, but with love, with love, love is paid, and that payment is your God, my God if he truly sees you that you have a clean, healthy and pure heart.

My children, thank you for coming on this day of love, ask a lot, I tell you again, for the Pope, my favorite son, he is persecuted by evildoers, even by his clergy, ask for the Church, ask for the young so that go to your God, oh how my Heart cries when the young my children go to other places where the Devil exists and there is no God !; For that reason you, fathers, pray a lot for them and for there to be great priests in the world; because look, my children, in Europe many Churches are closing, because my children have stopped going, and in Spain, in your Spain, my Spain, too, there is a deathly silence in the clergy, in the bishops, in the priests, That is why I tell you, ask and pray for them so that they go out to look for their sheep and to be with them, until the end of those days of life in this world.

Also ask a lot for the blessed souls in Purgatory that I love so much, because they, as I have told you so many times, when they go out and go to Heaven, they will ask for all of you so that you stay in Purgatory for a short time and be saved from the Devil.

I cry, I cry, and I cry for my children, especially for those who are annihilated by other children of mine; oh, what a pity my Heart, the Heart of my Son, has for those children of mine! You are in time to ask, and seek the Faith: "Lord send me the Holy Spirit so that I have faith in my soul and I get rid of all these drunkenness that I have in my life and that only know how to bring different masks to the ones you want"; you have to look for and have that sweet mask of truth, of love.

Strengthen yourselves, my children, with the Eucharist; Tabernacle, Tabernacle, Tabernacle; and I tell you, my children, that I love you very much. And now as always, my Creator Father God blesses you, my Son of Love, the Holy Spirit, my Sanctifying Spouse and I, your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light.

Goodbye my little ones, goodbye my children, goodbye.

Little daughter Mary, you have a cross, you will have a cross, but this cross is your soul salvation. And to all of you, carry the small crosses, because the big Cross was carried by my Son, but you have small crosses that sometimes you cannot bear, but if you look to Heaven, my Son of Master, he will carry the small cross for you, so that you Sanctify yourselves here on earth, to go later to Heaven.

Goodbye children.

Long live the Pope, long live the Pope, long live the Pope.

Our Mother in Monte Faro de Luz.
