Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, may you have peace in your hearts and the Light of my Light in your souls.

Keep meditating **ACTS OF THE APOSTLES**, to my children.

Meek and Humble of Heart, my Son used to say to the world, today he also says it, my children, and what is the world doing? They turn their back on him, they don't want to know anything about his God, they don't know him, they don't want to know him. ; Woe to those who do not follow the Heart of my Son and the Goodness of my Son!

You are dead, my children, you are not resurrected, you are living in an unreal world, and my Son presents himself to the world to give his life to save you all. What do you do with your souls? How many empty churches! Where is the Divinity in the Temples? And out of fear, now out of fear, before because you didn't care: I'll go tomorrow, I'll leave it for another day, the Lord forgives me. If you do not comply with the Commandments that Heaven has given you, you misbehave it, my children; you have to be obedient, you have to be charitable, you have to seek your God, my God, in your souls. What is the use of the world to gain treasures, well-being, comfort, if afterwards his soul is empty!

How many times have I screamed and shouted: Sanctuary, Sanctuary, Sanctuary; but you are deaf, you live in your world of agony, of pleasures, of well-being; I'm not going, what are my friends and families going to say about me? What do you care about all that if what matters is your souls? You have to give an account, you have to give an account to your God and my God, of all that he is giving you and you do not take advantage of it, because you like the world.

I cry with my Son when we see the empty Temples, now out of fear, of what? Death, or of your selfishness? What better to die than in church, my children, with your God, my God. Who will be saved, my children, if you are turning your back on your God? And I love you so much and I want

to save you all, that is why I appear in the whole world, I have said so many times, so that you can take your staffs and go on a pilgrimage to the Temple of my Son, the most beautiful thing; If you leave this Temple, how are you going to live in God, my God?

You are hiding your God, and that is very dangerous, my children. God first, God final; no children, no wife, no husband, no family; God first, God first, then the rest, because if you are in your God, my God, He will give you the strength to do everything you want to do in families and in yourself.

My children, if my Son stayed in the Tabernacle, it is for you to go and talk with Him, tell your things, your sorrows, joys, your everything. He will speak to you and tell you: "My son, my daughter, this, this, this is what you have to do." But if you do not go and do not consult with the Divine, what do you want, my children? I have told you, you live in an unreal world, my Son is once again dragged by men to the Crucifixion, one year, another year; You are seeing everything that happened to my Son, who today is also going through so many sins and ingratitude and sacrileges that man commits, they kill him second by second; but what are you doing my children? Why are you not love, why are you not going to Love? Why do you conform for a little while only in the Church? No, my children, the Church is your home, the main one, keep it in mind, the Temple of my God, your God, is your Temple of the soul; the body is consumed, it goes away, but the soul is the one that leads and the one that goes one day to Heaven or Hell.

Do not be comfortable, take off, also today I tell you, the masks and follow your God, my God, with love; because love is paid with love; If you go to my God, your God, asking for love, He will give you one hundred for one, only, my children, it is to open your heart to that Love of Loves that awaits you, and to think that that Cross that He carried and that Crucifixion was for everyone, for those who are here and for those who are in the world and those who will come; but man is ungrateful, he does not want his God, that is why the Temples are emptied.

Priests, every day there are fewer vocations, ask for vocations, pray the Rosary, my favorite prayer, so that I raise these Rosaries to my Father, to your Father, so that I may have compassion and compassion for all the men of the world; do it, my children, do not forget that like God nothing, and if you have that faith that my God gives you, you have to fulfill it, you have to carry it out, you have to evangelize, you have to take the Work of my God to the world You are Apostles of today, do not hide, keep walking on pilgrimage to that Temple that awaits you, it is my Son in the

Tabernacle.

My children, once again I say to you, ask for the Pope, my favorite son, they are overwhelming him, only the world knows how to criticize him, hate him, they call him everything; but once again I tell you, he is placed by the Trinity, he is from Heaven, not from men; that's why you have to love it; love him, and I tell you once more, even though pain pierces you and is a crucifix for your souls, truly crucify yourselves with my Son of Love.

Do the penances that the world no longer does, get rid of so many things that hinder you; Give alms, those of you who can, all of you can, even a little bit. And listen to something, if you give your brother a glass of water, that is written in Heaven, if you give a coat, it is written in Heaven, if you feed, it is written in Heaven; because in the end my God, your God, is going to tell you: "Come blessed by my Father, because I was on earth with you and you gave me food and drink; Go cursed by my Father, because I was hungry and you didn't feed me, and I was the one who was there at those moments when I needed that affection, that alms, that brotherhood, that love. " It is very easy to go to Heaven, my children, it is very easy to go to Heaven if you fulfill the will of my God, your God; Your will be done in me, as I fulfilled it; and look at the place that my God my Lord gave me, Mother of the Redeemer and Wife of the Holy Spirit, Daughter of the Father, my God. Do it, it's easy, go around the world teaching the doctrine of my Son, of the Church, my children, love with love, it pays.

I love all of humanity very much, and I send a hug and a blessing to those Portuguese children of mine that I love so much, to those of you who are here, little "flock" and to everyone where you are going to hear the Message of this Saturday first.

Pray a lot and ask a lot for the priests, today you have one here, my son José, he also needs prayers, help him also to ask God, your God, my God for him.

Holy, religious, religious priestly vocations, and also to all those who want to go to God and cannot come because the world prevents them, those martyrs who are dying every day in those worlds of evils, of hatred of that true God, my God, your God; and also for all these children who die from the epidemics that you now have in the world. And I am going to tell you one more thing, my children, very soon things will come that will scare you, it is close, very close, that is why I want you to be bearers of the Gospel of my Son to the world, and tell them that Jesus loves them, they

He wants them to go to Him and talk to Him.

Pave the roads, take the Word of my Son, because events are near, and in the end when they come there will no longer be a remedy, there will no longer be forgiveness, because what Heaven has written will be fulfilled.

I love you, my children, and I love you and give you all a blessing; I love you, and now as always, my God the Father Creator, my Redeemer Son, the Holy Spirit, my Sanctifying Spouse and I your Mother Miriam Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light.

Goodbye, my children, goodbye little ones; walk with Love, for Love. Tabernacle, Tabernacle, Tabernacle; goodbye children.

Our Mother in Monte Faro de Luz.
