*Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]*

---

My little ones, my children, have peace in your hearts and the Light of my Light in your souls.

Today I come dressed in blue, but also with a black cloak for so many of my children who die in those wars, my little children, in abortions, euthanasia, where does man go, what does man want? Do you know what man wants? Remove your God from the tabernacles. Other religions that say that they have their one and true god, orders the killing of other men of other religions, especially my Son.

Do you know what Satan is doing? First the virus for the men and him, and now he wants to close the Churches, there are already many that are closed. Do you know why these things happen? Because the very children of my God, your God, are turning their back on their God and do not want to know anything about the Church of my Son, that is why you who are here and in the whole world You have to be my strong children, warriors, lovers of the Eucharist; Strengthen yourselves with the Body and Blood of my Son, my Son has already said it: "whoever does not eat my Body and drink my Blood will not have life in the Kingdom of Heaven."

How many and how many are turning their backs on their God, some for their ego, others for money, others for pride, others because they believe they are gods. Where do my children that I love so much go? You at least come here to my Heart to ask me for all humanity, the separated families, the lost children, and that because there is no teaching of parents who teach their children the Way of Salvation. You are on time, my children, do not stray, always seek faith, always ask my God, your God.

Meditate **GENESIS**, my children.

See that I am here giving blessings and I give this Message of love that brings my Heart to all of you and to the whole world; come to My Heart because I am always with you.

Today the children are mistreating the parents, and the parents the children, they do not teach them the Way of Truth, the Way of Purity, the way of Love. And I come here to tell you, love one another as my Son and I love you.

I am a Beacon of Light, I give Light to your hearts and I will always be with all of you if you come to Me, I will always be waiting, and look at that high Mountain, there is my Son with open arms so that you can go to Him and tell Him: "Jesus my Master, my God, have mercy on me because I am a poor sinner."

I also tell my priests of the world to pray, to pray, to ask for all of humanity, because very serious things are coming that man has never seen, the wars in silence, the viruses that will also come, but not from the earth, of man, but of Heaven, if man does not get down on his knees and asks forgiveness from his God.

Earthquakes, tidal waves, the waters of the seas will cover entire cities and men will die of fright; man has had time to reconsider and say, "You are the only God, You are my God, where am I going to go better than to be with you?"

Man does not want to, man has turned his back on his God, I told you some time ago that in Europe eighty-five percent are Christians but they are not believers; if there is no belief you can never see the face of God, my God, your God.

Cheer up my children, and congratulate each other, because those of you who are here come with faith to love the Heart of my Son and my Heart, We will always be with you, this earth will be great, as my Son and I are great in the world, but you have to go through some dangerous moments, where many will die of fright, as I have told you, of what is coming to the world; man does not want to look at Heaven he wants to look at his pride, power, money, pride, ego, what you say "I, I, and I, and I am God and I do not recognize that God who They tell me why I don't see it "My children, don't do like Tomas," if I don't see it, I don't believe it. " I introduced myself to him and he also presents himself to all of you in all the moments of your lives if you say to him: "Lord save me, take care of me, take away that pride from my heart, that I acted with love with my brothers, that it goes with love to all.

My children, that is the path you have to take, love, love, love; and bear in mind, my children, that

churches are closing in the world because man does not want his God; Also ask a lot so that there are priestly and religious vocations; and you parents educate your children in the Love of God, at least those who are here and those who are in the world listening to the Message of your Mother Beacon of Light; leave the things of the world, seek the things of Heaven, the things of the world stay here, parents often say: "for my children", no, first God, then God and always God, ask God, my God , your God, may he persevere and have Mercy and Mercy with all your children and also for you.

Leave the earthly, seek purity. Poor of my children who die daily, millions of them in abortion, crime! How are those souls going to see their God if there is no total repentance !; euthanasia, the laws of men are bad, of death, of evil, of hatred of power; you may never have powers, but make yourselves small, humble and simple; and once again I say to you: Tabernacle, Tabernacle, Tabernacle; do not leave behind the Pope, your Pope, who want to annihilate the very hierarchies of the Church, my sons, cardinals, bishops, priests, there is a plot that they do not want him; You, as I have told you other times, do not criticize or speak ill of the Pope, or of anyone else, because no one can judge more than your God, of anything and for nothing; be submissive and humble, strengthen yourselves as I have told you before in Love, for Love.

Love very much the Church, the Church of my Son, the one that wants to destroy those gods and those countries that only want to annihilate and kill my Son once more in the Eucharist. Fill the Churches, my children, do not be lukewarm, take Communion every day if you can, do works of charity, it is what you have to do in this life, good, love and fraternity, charity; and do what my Son told you: "when you are alone you have to ask my Father, your Father, the Lord's Prayer, everything is there, the salvation of man."

Pray with humility, ask with humility, do not be lukewarm, as I have said before, be strong and also warriors; and this place you have to raise it, I am with you, but you have to meet, not say no, say yes, and the workers who are and those who want to be, the doors of Lighthouse of Light are open to everyone, Just have the will and work for this work of mine that my God the Lord Father, my Son of Love brought me here so that I could give the Messages; and do the WORK OF LIGHTHOUSE, my Heart will triumph, that is why I present myself with this Heart of Love, because all my children fit in my Heart, I love you very much, I love you, thank you for bringing the candles, which are blessed, and I bless you all with my Heart nailed with thorns for the ungrateful men who put me daily and for what ..... (our Mother pauses and sobs)... the offenses

that they make to the Heart of my Son with those sins of the flesh, What pain my Son has! But your Love is still giving you a truce, therefore, my children, cry for those who make sacrileges to the author of life, your God, cry for all those brothers who are wrong and only want the pleasure of their bodies and the evil of their mouth.

My children I say goodbye to you, but it is not goodbye, it is always in presence because I am with all of you every second of your lives.

Now, my children, my Creator God, my Son of Love, the Holy Spirit, my Sanctifying Spouse, bless you, and I, your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light; be good, my children, be saints.

Goodbye little ones, goodbye my children, goodbye.

(Our Mother is sobbing).
