Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, may you have peace in your hearts and Light from me Light in your souls.

Meditate, my children, **MATTHEW**.

Be good, my children, there is little left for your Creator, my Creator, to come to judge the world. Be good, my children, you have to be saints, do not have quarrels with each other, do not murmur, do not talk more than necessary, silence, how many times have I told you, one day a week, total silence, only your heart with the Heart of my Son; speak to him, meditate, and meditate on his Passion.

Yes, my children, and come to Me because I am with open arms always, pronounce the name of Lighthouse of Light and I will be with the Light in your families and in you; Look, by my side I have this great saint who tomorrow is his day, do you know who he is, do you know who he is? The Santo Del Rosario, Santo Domingo de Guzmán, as you call him, I gave him the Rosary so that carried through the world, the world obeyed. How many favorite children have been in that Dominican Order, Dominicans, order of preachers, and you too can be preachers in the land of my Son Jesus, the Gospel! Why don't you fulfill it, why don't you talk about my Son, why you are afraid, why are you lukewarm? Do not be lukewarm, my children, you have to fill the Church, if you are components of the Body of my Son and of His Blood, you have to go, you have to be there, you have to leave the world, the world only brings evils, follies, debauchery ; be clean of heart, my children, or is it that you think that these people are going to Heaven, my children, that they hurt me, that they have hatred, that they kill themselves, that they hurt, that they hate, no, my children, Heaven cannot go if there is no regret! But there are, my children, who are in Hell because there has been no repentance; there in Heaven go men and women of heart, truly clean; These that I have told you go to Hell, and there are many in Hell, millions, because they have not fulfilled the Commandments that one day my God, your God, put you on the road so that you could carry it out and do them for real, it is easy, my children, it is easy to love one another; even if one has

hatred, if the other does not have hatred he will say, "forgive me brother" and in the end that brother will see that that brother who asks for forgiveness is good.

Repentance leads to unity; why are there so many marriages that are no longer united five or six days or ten days and a month after getting married? Why? Because they do not have faith, my children, because they do not have God in their hearts, and those who say they have God in their hearts and do such tricks are not worthy of God, my God, because they are liars. , because they say yes and do the opposite.

Really love each other, my children; my Son gave his life for the whole world, for all men, and you can't imitate a little that God, my God, who is Love? Why do you have to be spiteful, why does your mouth go away, why do you speak what you shouldn't, why are you always whispering back and forth, doing harm and harm to the other who is next to you? ; no, my children, no, I want holiness, I come here as in all places in the world to convert, that you look at the Heart of my Son and my Heart that we come to bring you the Light, the Love, the Truth, the Sweetie; imitate us, imitate us, that is why I cry so many times for so many ungrateful children who do harm and more harm, wars, hatred, death, desolation, drunkenness, drugs, prostitution, it is a fan of evil, and you who are here in Faro de Luz you have to ask for all this that is happening in the world; I have already said so many times, churches are emptied because faith is cracked, man has stopped having faith and my God, your God, is leaving man until he sees how far he goes; but the Angels, Archangels, are already prepared for that day, the trumpets are going to sound soon and the world will cry because a lot, a lot of pain, a lot of pain is coming upon it. For this reason, my children, I cry (our Mother sobs) for your brothers, I cry for your families, I cry because in the end they go to Hell for all Eternity; you can save yourselves and save the world with me and with my Son (stops sobbing).

Ask my Son a lot, my Son is waiting, as I have told you so many times, on the Mount with open arms, a very high ladder, but very easy to get to, but man looks back and sees the world and no longer wants to climb that Cross where my Son is with open arms because they see the world that satisfies them more than Love.

I love you very much, my children, I love you very much and I want you to be good children of your God. Be holy as your Heavenly Father is Holy. Why not? If it is easy, my children, doing the will of your God, my God, as I one day: "Lord, your will be done and not mine", and look where

he raised me and what I was and what I am: Mother of God, Daughter of God and Wife of the Holy Spirit God !, the Three in the Trinity; I am with Them, although men do not want to see and believe it, I am there with Them, Father, Son and Holy Spirit.

What joy my Heart felt when I felt in my entrails the Son of God, my God, my Son, and what pain I had when I saw him on that Cross, crucified by all men, and men still do not believe in that God who gives Life and gives the treasure of Heaven; That is why I tell you, my children, Lighthouse of Light, that you commit yourselves to serve, not to be served, and have charity and humility with all your brothers, your families; respect, prudence, prayer, penance, fasting, and take the Body and blood of my Son so that you may have life until Eternity.

Do not be afraid, my children, fear is Hell, no fear is Glory; do not be afraid because, as other times I have told you: "God, my God, calls you when He wants, not when you want"; So be alert humanity, because you do not know the day or the hour that your judge will appear, who is your Creator and your God.

I tell you, brothers of the Commission: "in October I want you to have a meeting, agree, my children, you have to speak and do a lot for Faro de Luz, you have to work, but very deep, but carry humility, love in your consciences".

And to all of you, my children of the world, I ask you to be faithful and to be all one in my Son Jesus, love, love, love.

I say goodbye to you, my children, see you soon, goodbye, until now because I am going with all of you when you pronounce in your hearts "Beacon of Light I call you, Beacon of Light you are, come Mother, heal me, heal me, give me the Light that I need to follow the path that my Creator God, my Jesus and my Mother Maria Faro de Luz has traced for me".

Now I bless you, but as always, God the Creator Father, my Redeemer Son, the Sanctifying Holy Spirit and I, your Mother Miriam, Heart of Mary Beacon of Light, Beacon of Light, Beacon of Light.

Goodbye my children, goodbye little ones, keep walking, keep taking the Gospel of my Son to all the places where you go, and may you always be lights for the one who is by your side, and ask

the Saints a lot, ask the little souls of the Purgatory, and also today I want to say that Juan, a Portuguese, is already in the Celestial Abodes.

Goodbye children, goodbye little ones...

Our Mother in Monte Faro de Luz.
