Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

On this day, and before the message of Our Mother, Our Lord was present under the Sacred Form, which all the assistants could contemplate and adore, ending with the communion of the same by the seer; At the same time that the Virgin asked us, the rest of the attendees, to make a spiritual communion.

“My little ones, come and adore my Son, who is mistreated by all the men of the world; May he know the whole world that my Son is here with all of you.”

Communicate spiritually all, do acts of reparation in these moments: “I believe in You, my God, I adore You, my God, I love You, my God, do not allow me to be separated from You, at the hour of my death call me and come to me ”.

My children, I am your Mother of Love and Mercy; My Son has wanted to make this gift to all humanity, that all humanity finds out about this gift, that today in Faro de Luz, in my Hands I bring it, my Son, and in the hands of my little one I put my Child; adore him always, Tabernacle, Tabernacle, Tabernacle.

Do not let the Devil enter your hearts, my children; be humble, simple; be children, love each other, strengthen yourselves, communicate with each other, do not be estranged from each other, be all in one in my Son, speak of my Son, take the Gospel of my Son to the world, even if the world does not want to know nothing of the Divinity of my Son.

I come in blue, my children, with my little Son in my arms, and know that the Celestial Court is coming, so many Saints, even some of your friends: Teresita de Lisieux, Dad Pio, Clara, Francesco, Ignacio, Beatriz de Silva, Rosa de Lima, and so many children who are already sanctified and are on the Throne of my God, your God.

Come to this Holy place and strengthen yourselves with my words, do not be afraid of the world, be afraid of the Devil, who is prowling in many souls and they do not know what to do, because they are already involved in that accursed one of Satan.

Look at each other and do good, whenever you go to all the places where you go, bear the name of my Son.

Mary, my daughter, pay attention to my son, listen to my Heart, and I say the same to all of you on this day, and to all humanity, my dear children that I love so much, come to the Source that never ends, that of my Son, and to my Heart that I will give you strength, I will give you love; But don't go just a moment, every day you have to ask your God for help, my Creator God.

My son, I say to you, little one, be humble, even if they don't understand you too, pray and ask for everyone.

I also tell you, my children, do the fasts, which are forgotten, the penances, which are forgotten, the times of Sanctuary, Sanctuary, and Sanctuary.

Take photographs of the Host of my Son to send it to the whole world.

“Blessed are you Lord, praised are you Lord, blessed are you Lord, my Mother, my Father, make all those who are here today see your bloodied Heart and see that You are Truth and Life, Mother of Comfort, Love of Loves, help us to carry these little crosses that sometimes get big, and change our hearts for a healthy, obedient, loving heart to your Son, thank you with all my heart.”

And to all of you, my children, I thank you for being here, being with Me asking and praying for the salvation of the world; stop being nonsense, my children, take off your masks now; this place is Holy and you have to work in this place, all together with my Son; do not go walking with blasphemies and criticizing each other, my God does not want that, your God, he wants purity and humility; do not be the first, if not the last, do not be the proud ones who go around the world saying I, I, I, I, no; look at the one who was in the Temple, the one who said "I'm not like these, like this one, or like that one, I'm better, I give alms"; and criticized himself and that other; the humble little one beat his chest, "Lord forgive me, because I am a sinner"; That is what I and my Son want, that you do not go around the world boasting that you are; You are nothing, my children, and you have to be what God, my God, wants you to be.

Love each other, love each other very much and be warriors of this Holy Place because if you do not work, this Holy Place will go to other people, and my son of love, my little one, if he does not comply with what his God wants, they will withdraw everything that has been given.

Pray a lot for the priests, for the bishops, the cardinals, woe to those who criticize the Pope, woe to those who speak ill of the Pope set by the Trinity !; Who are you to judge, if only my God, your God, judges? So love him, defend him and also sacrifice yourselves for his weaknesses.

My little ones, I am here with all of you to give you love and strengthen your hearts, and now is the time, my children, to ask my Heart for everything that you bring, what you have said to my little one; but I want you to say it to my face; look at my Image now after communing in the eyes of Lighthouse of Light, I transmit Light, I give Light and I am your Mother.

Keep walking, keep walking in Love and for Love. Lighthouse of Light they call me, Lighthouse of Light I am, the one who comes to my Light I will transmit the Light of Heaven to him.

My children, I bless you, but today my Son of Love is present in the hands of my son who are my Hands; make an act of reparation, commune spiritually all; Communicate my son.

Send an image of this Holy Communion, let the world know that my Son is in Faro de Luz with his Body and Soul and his Divinity; do not forget, my children, to confess often, to take the Body and Blood of my Son, because He has Life for the purpose of your days, and do not forget, my children, the Holy Mass, if you can all the days.

You are in the month of the Rosary, pray, not for yourselves, for your families, but for the conversion of the world, that is what I come to, that is what I came and that is what I will come to save all my children from Satan.

Be brave, strengthen yourselves in prayer and thus you will be perfect and humble, which is what my God wants, your God, and He will fill you with joy, wisdom and peace.

Do not forget the Holy Spirit, my Spouse, ask for strength, the gift of words, the gift of love; He guided my Son on earth and now you have to ask him to guide you on earth as well.

Now, my children, I already give you my blessing, but as always my Creator God, my Savior Son, the Holy Spirit my Sanctifying Spouse and I your Mother, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. Thanks little one.

Goodbye, my children, keep walking in love, do not have quarrels, or grudges, or anger with each other, talk to each other, stay together, unite, Lighthouse of Light is Love and as Love has to persevere in everything and for everything.

Goodbye children. "

At the beginning of the Message, our Mother tells us that we must do acts of reparation, we already know that the Halloween parties are approaching, it is known to all that Satanic acts are celebrated at those parties, we must pray a lot to repair the Heart of our Mother and of her Son Jesus.
