The seer talks to our Mother

My mother, how beautiful you are, Mother!

My little ones, my children, may you have peace in your hearts and the light of my Light in your souls.

My children, how beautiful it is to be here with all of you and with all my children in the world, those who have not been able to come, and you who have come.

Think, my children, which you all have to be one in my Son Jesus. I am your Mother of Love, of Mercy, of Forgiveness, of Joy, of Hope.

Meditate on my son **JUAN**.

I come dressed in white because today there is a party in Heaven and on Earth.

Ask a lot for these nations that want to disturb and want to wage war like Russia; Ask a lot so that this Satanic power that men have is not fulfilled. The world is dethroned, my children, because there is neither charity nor love; years after years, centuries after centuries my Son comes into the world to give the Light, but they still do not know him, nor do they want to know him.

José and I, when we went from house to house to ask for a lodging because the hour and moment of my Son's birth was showing up, they closed the doors; "Alone" my Husband and I; then we had to make a pilgrimage to Egypt; That is why I tell you that you love emigrants very much, do not despise them, because your Mother was the first, and my Husband Saint Joseph, to ask for a lodging in another country. I kept all these things in my heart, but today I want to repeat it with you so that you will be humble, simple, obedient, and not look more at some than at others; have

charity and love; my Son has manifested and is manifested in the house of this "worm", and do you know why he is manifesting himself? Many children have asked him and my son did not know how to answer, but now I tell you, it is for everything that is going to come into the world. And my Son appears giving the aroma of him so that the world can see that he is alive and that he is saying: be alert, my little ones, because these things that you already know are approaching, catastrophes, tidal waves, viruses; Do you remember that I announced it to you a long time ago?; and other worse things will come if man does not get down on his knees and ask forgiveness from his God.

Man is wandering the world with his pride, with greed, with power, drunkenness, binge eating, and they do not care about those who die of hunger, those who need a piece of bread to live. Everything is waste of those who have it; but look, my God, your God, he gives everything for free, woe to those who do not give it for free too!

Seek the Cross of my Son, and I tell you once again that this new year: Tabernacle, Bible, meditation, fasting, penance, confession; do it, my children, so that you may have life, because life for Heaven is this: crosses, penances, fasting, having nothing. Always wait for my Son, be alert, because when you least think about it, he appears; Woe to that day, my children! That is why I appear in the whole world, I am saying it so many times so that my Messages fill your hearts and you truly convert to my God, your God.

I am Beacon of Light; this will be very big, and it is big already; I am putting souls, my children, so that you, the little ones, imitate and work, and be, my children, the treasures of this Prado; but you have to be obedient to each other and truly love each other, do not want to be more than others, but seek humility, obedience, and always be the last, seek the treasures of Heaven, which is the Truth, the treasures of the Earth is evil, because it is directing Satan, Masons, those children of mine who have no scruples and who kill Christians, the children of truth, of faith; have the hope that if you know how to carry the crosses, small or large, one day you will be in the Heavenly Abodes that my God, your God, made for all men, his children.

Take away your quarrels and resentments; family join; How many times have I told you that two do not scold if one does not want to, and the one who is truly with my Son and with Me to go to a room alone and pray and ask for that other person who is doing it wrong; do not scold, be good, my children; imitate my Heart, I kept everything in my Heart, and I still keep the offenses

committed against my Son, the sacrileges in these days that claim to be from God and are drunkenness, hatred, lies.

Go to the temples, my children; and Tabernacle, Tabernacle, Tabernacle, but really, really, my children, if you really go, my Son and I will be with you in your souls; do good, seek the Treasures of that Heaven that you will soon have; Ask the Saints to help you to be more perfect in life, prayer can do everything, my children; fill the churches, go to Mass every day if you can, Holy Mass of my Son, and really you can, but there are times when you say “no”, because I can't or because I have to do this and that; God first, then God, and always God; Without God, my children, you cannot do anything, and if you do these things you will have gained a lot of ground so that one day when you die you will go to the Abodes that my God, your God, has prepared for you.

I have already told you to ask for Russia, but I ask you to also ask for Spain, for Germany, France, England, America, South Africa, in the end for all humanity, because sin has spread and today you only see cries of agony because they do not have peace in their hearts, the Devil reigns in them, as I told you a long time ago and I say it again. Ask for the Pope, your Pope, ask for him, there are many who want to annihilate him, but they will not be able to because my Heart and the Heart of my Son are with him.

Woe to those who criticize and speak ill, not only of the Pope but also slander the brothers themselves! You cannot slander anyone, or judge anyone, because the only one who judges is my God, your God.

Continue walking in this year with love, and do what I have told you, meditate on the Bible, do penance, fast; and love them, and love the priests, your brother priests, your pastors, do not criticize them, although many of them do not lead the life they have to lead, but you are no one to criticize anyone; love them, and you love one another. I am a Lighthouse of Light, I am called a Lighthouse of Light, the one who comes to my Light I will give him the Light forever and he will live happily. My children I love you, I love you and I give you my blessing, everything is blessed, today, my children, it will be a special blessing, because it is always God, my God your God, the Holy Spirit, my Spouse, my Son of Love and my Heart, but today you have here a little priest of mine who is the one who is going to bless you all.

Goodbye my little ones, goodbye my children, goodbye.

Here the priest, Father José, group spiritual director, gives us the blessing.

“The blessing of Almighty God be with you all, Father Son and Holy Spirit descend on you; then be in peace.”
