Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, peace be in your hearts, and my Light and my Heart are always with you all. Beacon of Light they call me, Beacon of Light I am, I give Light to all those who come to ask me for Light.

My children, I was telling you some time ago to ask for the error in Russia, it is already taking a turn for the worst; but today I come to ask you also for Mozambique, for thousands of crimes, especially against my children - the Roman Catholic, Apostolic Christians. Africa is disintegrating into evil; Europe the same, America the same; the world does not want to live in the will of its Creator, my Creator; and you, my children, do you ask yourselves "why is all this happening, is it Nature? No, they are tests that my God, your God, is putting to the world. You are seeing desolations, earthquakes, tidal waves, rising sea levels that will destroy many communities. All this will be seen and more. Man lives only for himself, his selfishness, his me, his ego as you say.

My children, you are chosen to save the world with the Heart of my Son and my Heart. Do not fail to go to the Shrines, to the Church of my Son, to this House, my House, your House of the Beacon of Light, like so many houses where I appear in the whole world, always with the same theme, and I say the same thing: "convert and save mankind with your prayers".

Meditate, my children, this month on **ISAIAH**.

I come dressed in red, martyr red, from so many deaths that man is committing in the world, on innocent people; but look, they are martyrs and martyrs go straight to Heaven. Do not fear if one day you have to go through this, to be martyrs, because it will not be you, if you trust in your God, my God, He will give you all the strength to say: "Yes Father, You are my Creator, the one who gives me life, the one who takes it away from me, if You want me here I am, may Your will always be done".

My children, stop going around with things in your mouths that kill! You are killing each other,

and that leads to Hell. Do not judge, how many times I have said it here and everywhere in the world. What a beautiful gathering you have had today, in silence! That is what I and my Son want - that you come with love and leave with love, never point fingers at anyone or bear false witness, let the world do what it will, for if they do so, so will my God, your God, do with them.

Live in freedom, but with love. How many times, and I tell you once more: Tabernacle, Tabernacle, Tabernacle, go to the Temple to whom so few go. Why, my children? Don't you realise that the faith is leaving my children, whom at the beginning, and not so long ago, had faith - they went to church, they confessed, they did penance - the perfect prayer - and sometimes they even wished to be martyrs in their hearts. They spoke with each other.

Today, they have left all this behind and, do you know why? Because the Devil, Freemasonry is within men. They do not let them live for the sake of having and possessing, the self-centredness, they sweep away the truth whilst always carrying the lie; deceiving one another. And if you knew, my children (I have also told you this), when I was on the earth, I was a woman like you and I had friends, but we spoke of God, we did not like the whispering that was to be heard in the world with people hurting one another; and always paying: "you do it to me, you're going to pay for it". I'm coming after you to get you.

But where do you live my children? If you truly love each other and love my God, your God, you must truly convert. You must be pure in soul and body. I bring Messages to the world, my children - meditate on them, meditate on them, it is the teaching of my Heart - of a Mother who loves you and adores you, and I want you all to go to the Truth, to the Commandments of my God, your God, which He gave you one day to be fulfilled.

Abandon your quarrels, grudges, anger, and insults and seek God, my God. You will be happy! Change your hearts, you still have time, and I also tell you, as I tell you so many times.... think well on it, my children.

Have a clean, decent heart. Go with the truth before you, because one day you will be judged by your Creator, my Creator, and what will you take with you when you are judged? Understand that it will be one second, and the soul itself will go to Hell or Heaven, according to what you have done in this life, your life.

Have compassion on the one who is next to you, have love for the one who needs love, do not laugh at or mock the one who is lesser than you; everyone who has, if he does not employ it in the world for good, all will be taken away from him. And he who has not - it will be given to him. Therefore, my children, some "chickpeas", as you say, a little soup, a little to live on and to pay the things you have to pay, the taxes of the earth, and then share that which you do not need.

Keep this in your hearts, if you give it will be given to you, do not be like the rich Epulon. As the Gospel of my Son tells you: "Lord I have always served you, I have kept all the commandments".... Jesus my Son looked at him with love, but he was sad, my Son was sad, because he was not doing everything possible, because that which he had to give up in order to be a son of Heaven, he did not want to give up. Such is the way of life. My children, if you act with charity and love, and you do extraordinary things, I tell you at this time, if you think you have love, but you do not act with a contrite love and say, "Lord, you gave me all this and I give it to you because you gave it to me for free", you will not enter, my children, into the Kingdom of Heaven. Therefore, my children, become little, like children, little children who have no wickedness.

Pray much for your Pope, the Masons are crucifying him, the Church itself, his own brothers want to annihilate him and even the priests themselves, my favourite sons, and many sons who are not priests are annihilating him and are calling him anything but good. Take note of one thing, that Pope Francis, like any Pope, is confirmed by the Trinity, by Heaven. As a man he can make mistakes in some little things; but, my children, what man doesn't make mistakes? Understand that the Pope is your shepherd, my son, and you must obey him, help him with your prayers, because there are many henchmen who want to kill him.

Here you are fighting for this wonderful land; but look, there are many pieces of land on each side. Seek and you will find, be warriors as I have told you so many times; and be silent, be silent in your lives, loving, and prayer - pray, my children. Prayer can accomplish everything - in prayer Satan does not enter. But be constant, don't be lazy - laziness does not please my God, your God. Be helpful to one another as I told you before - whoever needs help must be helped. Do you remember what the first Christians did? They were all united and all that they had was at the service of everyone. This is what I wish of you - be humble and get rid of your ego - that "me" that prevents you from living in peace.

Pray the Rosary that I love so much, I already told you one day that thanks to the Rosaries that you

and the world pray, I go down to Purgatory to collect my children who are already saved and you contribute to the conversion through my Son and my Heavenly Father - the conversion of poor sinners. Look at Fatima, my holy children, my holy children, and you can be saints if you keep the commandments of my God, your God.

My children I love you, I love you so much. Beacon of Light is your House and your Temple. Come that I may bless you all as I will now bless you all, but first as always - my God the Father Creator, my Son the Saviour, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light, Beacon of Light.

I told you one day to bring lamps, bring them, for these lamps you will take with you, they are blessed - for the darkness, sickness and to light up your hearts.

Farewell my children, farewell my little ones, farewell, farewell....”

Here the priest, Father José, spiritual director of the group gives us his blessing.

"The blessing of Almighty God be with you all, Father, Son and Holy Spirit descend upon you, so be at peace".

Then the visionary tells us that our Mother asks all of us now to pray ten Hail Marys for all of us, for our sick and for those who need the Heart of God, we all pray ten Hail Marys.
