Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

On this day we had gone to the area of Faro de Luz to see some land that is up for sale, with the intention of ascertaining if it meets the conditions to acquire it as a suitable place for the apparitions of Our Mother, since in the place where she currently appears, the owner doesn't wish to sell the land.

We believe that the time has come to buy a plot of land which better meets our needs than the current spot. Julio accompanied us in order that we might have his opinion on the matter. From the first moment we visited the land, Julio, expressed his approval regarding its acquisition.

We then continued on to the place of the apparitions. We prayed a rosary and Our Mother surprised us with the following message (below). In it she left no doubt of her acceptance of the change to this new location. For this reason, we have begun to make arrangements for its purchase.

We strongly appeal to you for your financial support - either with a regular subscription, or any other contributions you can make, in order to support us with the purchase of this land and fulfil the wishes of Our Mother.

In this regard, **we provide the account details of our Association at the end of this message.**

Here begins our mother's message:

"My little ones, my children, peace be in your hearts and the Light of my Light in your souls. Yes, the Holy Spirit sent by my Son has been in all of you; "Yes", you have said "Yes" - my little son had already seen it from there, from his little house that it had to be "Yes".

You have shown yourselves to be my children, and you are all in agreement; work, work for this work of mine; from today you must work more; tell the whole world, Beacon of Light is great, Beacon of Light is the refuge of sinners, of all of you my children of love; I carry you in my Heart

and I will always carry you; but yes, be warned humanity, be warned humanity, be warned humanity! Petition me in these Holy Places where I appear; very soon - there where you have been - because this is going to be my House from now on, that is how I wish it and you must work hard and steadfastly henceforth.

Do not lose heart, be courageous, pray to the four winds so that the four winds will support the Work of my Heart. I said long ago that it would be great and it is great already, because the whole world knows that Beacon of Light exists and the whole world is coming to these places where I appear; work with love, with humility, and tell my children that I love them all.

In May I will say something important to you and to all my children who come; and I want you to truly come for Me, not for my son. You must be wise; love your Mother and your God, my God, He is the only one you must love. This "little worm" that I have placed in these places is nothing, he is small and nothing, that is why he must remain hidden, and that is why I want you to be hearing him now at this time.

In May I will tell all those who come, that this son of mine is the bearer of my Message, nothing more. I love you very much; go ahead, continue with this work as you are the pillars. Today, another soul has joined - my daughter - and others who will come, as her friends, because here are assembled all those that I have sent and those I will send. Through the mediation of these and others, the world is loving the Beacon of Light; because I am the Mother, your Mother, and wherever I am, there will come those souls who love Me and that I love; but this much yes - you must pray for poor sinners, for the conversion of the world, for the sick.

Now these wars, which I announced before they happened, and look what is happening. And now I am announcing the two Koreas, Mozambique. But today I tell you to pray a lot for Spain, for Spain which is full of demons, for France, Germany, England, all of America, and those black masses that are being held in the United States - making a mockery and sacrilege of the Author of life who is my Son, your God and Lord.

I bless you, my children. I bless you all today and all those who are here with you, I love you and I adore you.

Farewell, my children, farewell little ones.

My little priest who knows well the things that you put in his heart, my son said no, but I have told Him yes - so, my son Joseph - look after your people, love them very much, encourage them. Tabernacle, Tabernacle, Tabernacle, and to all of you I say the same: Tabernacle, Tabernacle, Tabernacle!”

Our Mother in Monte Faro de Luz.
