Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

"Gusanito": "Yes Mother, yes Mother, thank you for being here Mother. How beautiful you are Mother, strengthen us all from your Heart and fill us with Light from your soul."

Virgin Mary: "My little ones, my children, have peace in your hearts and light from my Light in your souls. Once again, thank you for coming to be with my heart, solicit me - do not forget - ask of me, plead of me - that these prayers, my children, I pass these on to my Creator, your Creator, so that all that you are requesting of this Heart of your Mother, will be fulfilled.

Meditate still on **MATTHEW**.

I have come dressed in purple, for death. I told you some time ago that there would be war. Men who do not love their God destroy, do damage, because the Devil is in them. But these are not the only ones who make war - there are also those who create divisions amongst their brethren. For this reason, strengthen yourselves with the Heart of my Son and with my Heart.

I also told you some time ago about the virus and it has come. I told you to pray. I am not saying this only in Faro de Luz, my children, I am saying it in the whole world. If man would fall to his knees and pray in truth, from his heart, all this would not be happening. But the hearts of men are hard as in the time of Moses, as in the time of Noah.

My Son fasted for forty days - be in penance, in prayer, make sacrifices, fast. However, I do not mean that that which many of you do and which brings pain to my Heart - whereby you go proclaiming to the world that you are fasting. Ensure that no one knows, because the one who must know is your God, my God. Fasting is not only about food, my children, fasting is also about being with that brother who needs you, with that brother who really needs a word, comfort, a meal, some clothing. Be with the needy, the one who needs everything that you have. As such, you should be offering up much thanks to Heaven and to your Creator, because He gives everything for free, and

so you also must give freely that which you do not have in abundance - because it doesn't count otherwise. That which is truly difficult for you - give without receiving anything in return, because what you will receive in your lives is Heaven, Eternity. Do you know what this is - Eternity?! Ninety years, a hundred years will fly by, but then there is all Eternity and the one who is saved will be joyful, but the one who is condemned - it will be for all Eternity.

Beware humanity: I am saying this every time. The Cross is above, on the mountain - but it is not the mountain that we see here now, rather the mountain of your own lives: you must ascend step by step every moment of the day, and when you are tempted by the blackness of Hell, turn to my Son of Love and to my Immaculate Heart.

I suffer, I weep for so many of my children who are dying in these wars, in this hatred that the Dragon is placing in their hearts to destroy all mankind; you may trample on him; curse him: "Be gone from me, Dragon of Hell, be gone from me and cursed be you forever, for I am with my Creator - who created me so that one day I may dwell in the Heavenly Abodes that He has prepared for me for all Eternity".

Become like children - children have no wickedness. Become like children and pray much for the elderly, for those who are living a life of hatred, lies and words. My God, your God, does not like the criticism, nor the blasphemy of so many. He gives love, He comes giving love, He dies every day for love, to save the world. And the world still turns its back on Him. And so to tell you, my children, that (the Dragon) wants to annihilate the Church, my Heart and the Heart of my Son. That is why I say to you, beware humanity, beware humanity, beware humanity!"
