Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and light of my Light in your souls.

Yes, my children, the world is sad because of these events that man causes to the world, death and desolation, and do you know why, my children, all this? Earthquakes, waters that come and go, houses that are lost, so many catastrophes! It is sin, man is sinning today more than ever, aberrations, sacrileges to dignity. My Son cries like I do for all men; you, my dear children, light of light, have the remedy; yes, pray a lot, and as always, Tabernacle, Tabernacle, Tabernacle. Why don't you go to churches? Fill the churches, what jealousy do you have of your God? I don't say it here at Faro de Luz alone, I say it to the whole world; you speak one way and then act another; understand and know that if my Son stayed here in the world, in the Tabernacle, why did he go? For you; when you have sorrows, joys, speak, go to the Tabernacle, speak with my Son; but the world does not recognize my Son and they are turning their back on him because men are ungrateful.

Woe to those who do not carry their ministries! As well as my children the priests; pray and ask a lot for them, I have said it so many times! They are the shepherds of your souls; but you already have knowledge of the Gospel of my Son, act and carry it always in your hearts, and speak of my Son. Do you know that my Son is here in the world? And he is in each one of you, you do not see him, because there is lukewarmness in your hearts, because man wants the world, man wants lust, man wants money, man is in these matters. No, my children, the son of my God, your God, from morning until he goes to bed, has to be: "Lord, thank you for everything you give me, thank you because I am your son, thank you because you have made me a Christian, a Catholic, apostolic, Roman, the true religion, as you say; the true one is that of my Son, yours, those of you who are baptized".

My children, look for your God, look for him, do not have quarrels or grudges, I have told you so many times, between one and the other, "because things go wrong for me I am going to hurt,

because this one goes up more than the other, I want to hurt, because this one has more than me, he wants to hurt". The children of the Light cannot harm each other, because we are here to be saints. Change your hearts, you still have time, you know, and you are seeing what is happening in the world, and that is only, they speak of a war, but there are so many wars, not of shootings, nor of bombs, in houses, in the families; you have, you who are full of God as you say, you have to remedy it; houses; my children, be simple, set an example to those around you; and love with love is paid, and you say it, the world.

I come to Faro de Luz to give my Messages as I am giving throughout the world, but what a pity, the world only wants to see and wants to possess; and they do not realize that although I appear in this image, I am alive, they call me and speak to me, as you say to this little worm, my son, ask for my son, ask for my father, ask for my wife, my husband, why don't you ask directly? It is what you have to do when you have a pain, do not let others ask, it is good that we ask for everything, as I ask for all of you to my Creator God, to my Son of Love and to the Holy Spirit my Spouse, but you are you who have to show your face and get down on your knees and tell him: "Lord I have a sorrow, I have a sadness, I have what I cannot remedy, but You, Almighty, who are the Truth and my Creator, do it if it is your will" It is what you have to tell my God, your God, in the hidden, there where no one sees you, there you have to talk to my God, your God, He never disappoints, He is always, like my Son, with open arms waiting to be called. Many, as I told you one day, eighty-five percent of Europe, say they call themselves believers, but they don't practice, they don't believe; what pain, what pain my Heart has, what tears my Son and I, and my God, your God; how many are called believers and do not step on the Tabernacle in the church of my Son! That is why you have to pray, and ask a lot for the poor sinners so that they truly believe, and when they go to the churches they kneel before that "Little Box" where my Son, your God, is hidden, but who sees everything and will be in your hearts.

Keep walking in love, with love; today I come, my children, dressed in red because there are many martyrdoms in the world, they are killing many innocents, and I cry for them. You have a few days of penance, of prayer, of fasting, of praying, of meditating on the Bible, the Gospel. This month I want you, my children, to meditate on John, my son **John**, and also **Acts of the Apostles**; do it, those of you who can, penance and fasting, penance and fasting, it's not about beating yourself up or being gluttonous at meals, no, an act of love does everything, alms to those who need it, a smile to the one who hinders you, going to visit the one who is alone; so many things you can do! Look, when I was on earth, I also had many friends in my land, we used to look at Heaven and sing the

Psalms, we were always on the way to Heaven, because it was our life; and you have to do the same, you have to be a little house from Nazareth; I have told you again, but today I tell you again: "make yourselves a house of Nazareth" In my House of Love there was never a complaint or a bad word, didn't you know? Heaven was there, because we had Heaven, and Heaven sent us to be with Heaven. Why can't you do it, why that scolding and those things that you do that later will weigh you down? You regret having done these things that a Christian who loves his God cannot do; this if he has to give us joy, love, hope, and also give strength to the one who is by your side.

I love you so much, my children, keep coming here to Faro de Luz, to my house, to your house; keep walking in love for Love; and I tell you once again, alert humanity, alert humanity, alert humanity! You are going to see so many things, but it is all the work of the Devil; God, my God, does not send bad things but good things; Be careful with Satan because he comes through the senses and he is very cunning and with lies and deceit he leads you into his fold so that you do not see, and he will take you to Hell. Be cunning, thirst for your God, my God; He is the First and the End: "Do not leave me, my Father, give me strength in all my actions, give me the light I need, and help me not to fall into temptation."

I love you very much, my children, and I thank you because you are here with Me once again; to those who have come for the first time I bless you all, and I want you to take wherever you go this message of love, of hope from a Mother, your Mother, who loves you with all her Heart; ask a lot for poor sinners, that's why I come to the world, to save the world.

Now I give you my blessing, my children, but first I give it to you my God the Father Creator, my Redeemer Son, the Holy Spirit my Sanctifying Husband and I your Mother Miriam Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. Everything is blessed, go in peace my children.

Goodbye little ones, goodbye children...
