Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and light of my Light in your souls.

You must be very happy, my children, my holy priest, I here present, take the Body and Blood of my Son, which is the most valuable thing you can have, my children; his Body, his Blood, so he goes to Heaven, my children. My dear priest son has said a very beautiful thing, which I am going to tell you again: twenty-four hours with my Son; you do not see that it is Heaven, what Heaven is commanding us, that we be Heaven on earth, and we have to seek Heaven, we have to leave behind the taboos, the things that hinder us in our lives; we are always: “that, the other, the beyond, that we cannot bear it” And why, my children? Because Satan comes and enters through the senses and does not let us walk; but if you are twenty-four hours a day: “Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you”, the Devil cannot enter your hearts.

I told you that I had something to say to you and to the whole world; Twenty-seven years and five months ago, my Son and I put the scent on this wormy son of mine, today I take it back, but he will come back. Focus on my Son, on your God; this worm, like so many and so many seers, as you call them, are nothing, they are nothing, they are instruments that Heaven chooses so that the Messages of my Son and Mine, take them throughout the entire world; and the Message that I bring is always one of love and conversion. I also tell you to ask a lot, a lot, for China, for the United States. Yes, my children, and these days other countries want to wage war, because they are evil, men dominated by the Devil who only want to destroy the creatures that my God, your God, has created and is creating.

Strengthen yourselves in love, walk in love, seek love, and become a family of Nazareth. Joseph my Husband, my Son and I, your Mother, spent the whole day praying and talking with my God, your God; José many times told me: "Maria, aren't you sleepy? Look what time it is, you have to sleep" And I said to my Husband: "no, José, for God, my God, there is no time" My God your God will always give you the strength, always when you go with faith to tell him: “I want you to

increase my faith, my God, do not separate me from You, because without You I am nothing, and I want to obey and always carry in my heart what You want, may it always be the will, always your will, Lord”.

Seek the aroma of my Son; From the sixth of December until a few days ago, an image of my Son crucified in the house of this worm, my son, began to sweat, and the people who saw it did not realize what it was; I was crying because of what is coming to Heaven, because it is coming to earth, because the good ones go to Heaven, those who are truly good, but the bad ones, my children, those who do not love God, will go to Hell; I was sweating, crying, and the wars are happening, that's why you have to fulfill what I told you a long time ago: penance, prayer, fasting, you have to change your hearts if you want to save the world with my Messages and your prayers.

In this beautiful month, my month, the month of Mary, you have to strengthen yourselves and pray more, I told you recently, not one rosary, not two, not three, not four, more, more for the conversion of the world and of you. Change your hearts, **soon you will go to the place that I have told you about and you will see how from now on multitudes will come to Faro de Luz**; because I am here, I came here a long time ago to be with all of you, to give you a Message of Love, and you have been very good children who are coming to Prayer, to the Message and to my call. Ask my Son so that my Son asks the Father for everything that you carry in your hearts, because many will be saved (**here the Virgin cries**). I am crying, my children, for the sacrileges that the world commits to the Divinity of my Son and to my Dignity; you can console him and console Me; seek and you will find, my children, and come to this Holy Place so that I bless you with my Son of Love; and forgive one another, because without forgiveness there is no Heaven, my children; reject the Demon and seek the essence, as I told you at the beginning, eat the Body of my Son, drink the Blood of my Son so that you may have life in your souls. My children, follow the path of your God, my God.

Meditate **ACTS OF THE APOSTLES**, so you will know more each day my God, your God.

(Here our Mother calms down)

I love you so much, my children, that I give you all special blessings, for you, for those who have not been able to come and for those who have left Faro de Luz. Today, my children, my favorite son already gave the blessing and that blessing that he gave comes from the Father, the Son and the Holy Spirit. I tell you, my children, that you continue walking for love, do not get along badly

with each other, quarrels, grudges are not worth and do not enter Heaven, you have to apologize to those who have done or committed some act with the brothers or with families, with the husband or the wife, or the children, humility is what enters Heaven, ego and pride go to Hell; My children, keep coming to my House, your House.

Goodbye little ones, goodbye children, goodbye.

“How painful, Lord, how many times you tell me: don't look back, little one, walk with a sure foot to the Mount where my Son's Cross is and nail yourself there with Him because if you have a cross one day, I myself, your Mother, will take you to the mountains. Mansions that my God, your God, prepared for you, and I am not saying this to you alone, my son, I am telling it to the whole world, if you do not take up the cross, you deny yourselves, you will not enter the Kingdom of Heaven; therefore, know and understand that my Son carried the great Cross and still carries it; **a man without a cross is not a man of love, a man with a cross is love.**

Goodbye little ones, goodbye my son.
