Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

The seer speaks with our Mother

We all love you, we give you our hearts, Mother, always be with us, Mother I love you.

Now begins the Message from him:

My little ones, my children, have peace in your hearts and light of my Light in your souls; meditate **KINGS**, take the Bible, the Gospels, meditate on them, so you will know my God, your God, more every day; do not forget that you are Catholic Christians, children of your Creator, my Creator, you have to seek that Love so sublime that He gives you every day, twenty-four hours a day you have to say: "I love you, my God, do not leave me, take me to Heaven that day that You have placed in my heart to serve you, adore you, sing the Alleluia. Blessed are you forever my God."

I ask you, my children, today to pray for Nicaragua, Chile, Peru, China, Germany, your Spain, France, Italy, and Russia, what a massacre the demon-possessed man commits! Because only this is done by the Devil, my children, for these viruses that are happening in the world; that you bear in mind that if man, as I have told you so many times, does not kneel down and ask his God for forgiveness, terrible things will come to the world; man is not yet learning that he is created by a God and that God is the Force and the Power; men want to be gods and they are killing each other because the Devil, the power of the Devil, enters the hearts that are evil to do harm to those who are behind them and crushes them with their evil, with their lies and their hatred, slave of a few men. Blessed are those who go and bear the name of my Son Jesus, because they will be satisfied, if not on earth, then in Heaven. Work for Heaven, my children; How many times have I told you to go and take the Body and Blood of my Son so that you may have life, the Love of Loves, the one that never fails, the faithful friend, look for it, look for it, my children! And pray for all these countries that I am telling you about, also for Pakistan, which is massacring my Christian children. How men kill without any benefit but out of hatred, out of lies, rancor, envy and jealousy; you, my children, must always be present in the Tabernacle, seek and ask my Son, your Jesus: "Jesus I love

you, Jesus I love you, Jesus I love you, come into our hearts, do not leave us" When there are grudges , evil in your hearts, run to the confessional, my children, do not have evil against each other, love, charity, love, as I have told you so many times, act like children, that children do not have evil and you who are already older and you know where you are going and you are going to go, you have to repair and you have to convert each day to love; give to each other; and always bear the name of my Son and my Name in your souls.

Look, the Holy Spirit, my Husband, is here and is going to blow on your hearts, right now ask the Holy Spirit, my Husband, to give you wisdom, power, kindness and love, intelligence, especially charity and love (the Holy Spirit blows here). Ask my Husband, the Spirit of Love, the one who takes you through this infernal world on the fly, whenever you ask him with love for the wisdom to understand and seek that Infinite God, your Creator, who is the love that never ends. , who is the one who made Heaven for man. You are, as you say in the world, on the wave, you are looking for your God, that is why you come here, my children, and you ask Me so that I ask my Son and my Son asks his Father for everything that you bring in your souls.

You already know what you have to do, love, love, love, charity, charity, charity, Tabernacle, Tabernacle, Tabernacle; I also tell you to ask for your priests, that they be holy, do not look at the bad, because in the world there is no one good but God, my God, your God. Forgive those who make mistakes, even pray for this son of mine, this Putin, as you call him, who is sowing horror in the world and killing innocent people, you have to pray for him to stop so much evil, and not for him alone, but by all the governments of the world that massacre the people, that only know how to say nice words and then starve them to death. Be of one, that your leader of the world and of the earth be your Creator, my God and Lord, your God and Lord; seek and call what you will have; and always carry lighted candles, because when you least expect it, my Son will appear and there will be peace on earth, will there be faith on earth? My children, be alert, I have said it so many times, alert humanity, alert humanity!

My God, your God, allows everything that is happening in the world, but he does it to see if man has a heart and gets down on his knees, worships his Lord who loves him; but the world, man goes backwards because he does not want love, he does not want the truth, he is envious, he is catastrophic in all evil, because, do you know why, my children? Because Satan is in them and they seek the pleasures of their bodies and the good is in his whims, in his drunkenness, in his hatred, in the flesh, in the wickedness; I tell you once again, become like children, become like

children and thus one day you will enter the Kingdom of Heaven.

Seek humility, seek humility because it is the treasure of your souls, and charity; love one another as my Son and I love you. Go preaching the Gospel, and do not be afraid because my Son and I will always be with you; knock on the door of Heaven, because the doors of Heaven will open to those who want to contact their Creator; look for it, my children, leave yourselves of grudges, of evil; I love you, and now my Husband has blessed your souls and your hearts, and also blesses everything you have brought, the candles, the objects, you and your children, and those who have not come to Faro de Luz today, and those who are going to come, and those who are not coming, those who have left, you have to love them all, you have to love them all, and I, as a Mother, love you all equally.

I bless you, my children, but as always my God the Father Creator, my Son, the Holy Spirit Sanctifier, my Husband and I your Mother Miriam Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light.

Goodbye my little ones, goodbye my children, soon you will be in the new land, soon very soon, because I want that place to be big, very big, they will come from all the countries of the world to pray with Me, with their Mother; you keep working, be true warriors, cheer up and love each other.

Goodbye little ones.

Our Mother in Monte Faro de Luz.
