Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

Thank you Mother, thank you Mother, thank you for being here with us, with your children.

My little ones, my children, have peace in your hearts and light of my Light in your souls. What joy my Heart and Heaven have for having this new House, your House!, which will forever be the place of this apparition that my Creator God, my Savior Son, the Holy Spirit, my Sanctifying Husband have brought me to this Land that was once called Tierra de Maria. I want that name to follow and you to be the children of Mary; pray a lot, come to pray for so many men and women who need the love of my Son and of my Love.

I come as, you say on earth, with a gold suit, two roses on my feet; and I want you to have a party every year on the first Saturday of July and come to commemorate the moment in which I set foot on this Earth, my Earth, your Earth; do so, my children. Keep walking with love, and I am also going to tell you that I want you to ask a lot, I already told you, for Russia, which is wrong, but now also for China because the two nations are in a plot to bring the nuclear wars that are coming to the Earth. How sad my Heart is that men are so ungrateful, so arrogant, so greedy, and also say, criminals, who can kill? If death comes from the hands of the Creator who created man, why are they like this? But look, this has an explanation, Satan is involved and he is very rough, delusional and evil so that men instead of going to the side of his God, my God, go with the Devil. You are seeing how the world is, man cannot be deceived by the pain, by the disaster that is in the world, that is why you who are here to pray for the world, to be saints and take the Word of my Son to the world as he once said to his Apostles, “go into the world and take my Gospel”, you also have to do it, preach to each other, speak a lot about my Son to the world.

I told you that you had to also ask for Nicaragua, how many deaths are there now!, for Syria, how many deaths are there now!, Africa, the United States, and now those gangs of those little children of mine who only have hatred in their hearts and do not they know how to carry love, because what they carry is hatred, lies, deceit and crime, and all of you are seeing it; you are in a moment,

as I told you a long time ago, like Sodom and Gomorrah, when Moses, Noah, Tower of Babel, man, instead of carrying love in his hearts, carry hate, lies, resentment. Pray much for the Church, my children, the Church, my children, are dividing, I love them all, I want them all to be one in my Son as He wants, but among them there is also their anger, their envy, their well-being . Woe to those who do not truly lead their Ministries, but I am not only saying this to my favourite sons, the priests, but to all of you, my sons, if you do not lead an orderly life, and I have already told you many times: “Eat the Body of my Son, drink the Blood of my Son so you will have life and one day you will enter the Kingdom of Heaven”.

What joy I have today, but I also cry for those who kill my children for hatred, for having and possessing, it makes me very sad. But today is a day of joy also for all of you, and I tell you to ask my Heart all those who come afflicted, who have sorrows, even joy, give them to me, because I open with my Mantle and all of you are under the Mantle of my Heart.

Be pure and holy; how beautiful it is to kneel down and take Communion in your mouth, how happy is the Heart of my Son, and how happy is my Heart. But you have to obey the Holy Church; look at so many priests of my Heart, those who love my Son and Me, how they fall to their knees and take my Son in their mouths; How great, what happiness, what love! You have to respect, my children, your Church and do what she says; be submissive and humble; now you are on earth, in a new land, it is the same land that when I used to say Lighthouse there, it was Lighthouse, the Mountain; yes, there I came, there I presented myself to my little worm to testify that I wanted to be here in these lands, and because of the stupidity of selfish men who did not want to sell, it had to be what you are seeing; this Place is also holy, now it is already blessed by my favourite priest son and also by Heaven; this will be Lighthouse, here the multitudes that I will bring will come; but I also tell you to be strong, energetic, obedient; yes, my children, above all saints, let all those who come for the first time see you that you are truly children of Mary and of Jesus; continue like this, I will provide the means if you are submissive and humble; and I want today, I tell you as I told you before there in the other place, when you come to this earth, those of you who can, kiss the ground three times, yes, for the poor sinners.

Keep walking, keep coming to this Holy Place, my House, your House; and later on, when everything is in process, I will tell you what is going to be done in this Campo Santo. I love you very much, pray for the Holy Father, the Pope, do not forget even though many are against and want to assassinate him, there is a plot, years ago, I already told you that it leaves Austria and ends

up in Germany; many cardinals, bishops, priests do not love the Pope, and realize that he is appointed by the Trinity, Heaven lowered that Pope that you have now, like others, so that he directs the Church of my Son, the Catholic, Apostolic, Roman ; pay attention to the Pope, and when they speak ill of the Pope, pray for them and tell him: “you are wrong, brother, what you are doing is judging and only my God, your God judges”.

I love you and I love you very much, and I say goodbye to all of you: “Glory to You Lord, Glory to You Lord, Glory to You Lord, Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you.” And I end by saying: Tabernacle, Tabernacle, Tabernacle; do not hit each other, but give love, charity, fraternity, mercy and hope; my children, here is your Mother who loves you very much; I also remember the Portuguese who have come, I also love you very much, like these others who are here who are from Spain, and some from abroad; thank you, my children, and meditate on **ISAIAH**.

Goodbye children, goodbye little ones, goodbye...
