Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and my Light of my Light in your souls; look, today I come dressed in white, it is the feast of my Creator, your Creator Father; love him, go to him, he is your Creator; Today is a great day in the world and in Heaven for you to ask your Father Creator God.

Meditate **EZEQUIEL**, my children, do it, look in the Bible for the great prophets, shepherds who left the footprints and the wisdom and the power of my Creator, your Creator and of my Son of Love, the Gospel. You have to live in the Gospel, my children, you have to change your hearts, no rancor, no hatred, love one another, make the effort of those who do not love you, love them, do you not remember that my Son went to the Cross in obedience and in humility and he did not face or say anything bad to anyone?, and he could do it because he was the Power, God, and he humbled himself before all of you, and you crucified him. No, my children, you have to meditate on my Son's passion, but meditate on it well. Why did my Son kiss the ground, why did my Son allow himself to be flogged, why did they spit on my Son, why did they put the crown of thorns on my Son to the bones of his head, why did my Son allow himself to be crucified?; for your salvation, because he came to save you, and what are you doing, my children? Hate, riches, lies, deceit, the flesh, divorces, not understanding each other, harming one's brother, wars, destruction, misery, hate; My children, if you come to these places where my Son and I appear, it is because you still have a little bit of love, faith and charity, and you are the ones who have to bring to the other brothers everything that my God, your God, is giving you, do not hide it wherever you are, at home, in the office, with friends, even at dances as you say, speak of God, speak of God, because everyone who speaks of God and does and fulfills what God tells them, they are on the right path for the salvation of their souls, but woe to those who say yes and then do the opposite! You have to be brave, you have to seek faith and ask for it at all hours of the day, do not crack, follow the Almighty who is the one who is going to save you, go to the Heart of my Son and to my Heart.

How much I love you, my children, and how much my Son loves you, and even more your Creator, my God, your God! I cry for so many things that are happening in the world, things that I have

already said and are coming true, the viruses, other viruses will come, other viruses, more viruses, fire, water, and all this has to come because my God, your God, He has to give signs that he is Almighty, the One Who exists and the One who is, knows it and can remedy everything, but also send punishments. Do you remember Sodom and Gomorrah, my children? There were only four people who got rid of the evil of their bodies and their souls, that God, his God, your God punished because in a large town there were only four just; and now it is happening more and worse; today the world no longer loves each other, they hate each other in families, there are no longer families, and you are seeing it in the houses, and I tell you this as a Mother who is on earth with you. What house is not in which all in community with the “potters” those who you say, telephones and they don't talk to each other?, it doesn't matter to them, they are at the food and they don't eat because they are talking with those little things that you have in your hands, there is no family; And that cannot be, my children, each time its own thing, because it is good that you have those devices to do good and seek good, but not to destroy yourselves and destroy the other.

My children, keep one thing in mind, that if you want to follow your God you have to deny yourselves, take up the cross and follow my Son in love, in sacrifice, in penance.

Silence, my children, love, that with love is paid; pray and ask for those who do not believe, who hate, but in silence, do not be disturbed when you are gathered, that one wants to be more than the other, the one who knows more and the one who loves more has to take refuge in a solitary place to pray on the other, and when everything is calm, speak serenely, my children; and seek peace, seek peace, and always: “Lord have mercy on my brother, Lord have mercy on my husband, Lord have mercy on my wife, Lord have mercy on my children and have mercy on me, because I am a poor sinner and sometimes I want to be right and be more than anyone”. Pride and arrogance do not enter Heaven, and that is what you have to see and look for, humility, silence, charity; yes, my children, that is the path you have to follow, if I appear in the world it is the same talk, message, love one another as my Son and I love you and seek the treasure of Heaven, not of the earth; forget about the earth because soon you are going to be ashes and you are going to be judged by all your Creator, and if you carry your saddlebags, as you say on earth full, great, you will quickly enter the Kingdom of Heaven, but if you carry empty, if you have not done anything in the world, but you have done wrong, how are you going to go to Heaven? I do not want, my children, that you go to Hell, because that, my children, is all eternity and all eternity, not because you suffer, you suffer, but it is a very important thing that I am going to tell you, not seeing your Creator is never terrible, it is terrible, if God, my God, your God, created you, you have to go to your Creator God

because He wants and calls you to be with Him in the Kingdom of Heaven.

Antonio, I tell you that Pedro and Francisca have to be purging in Purgatory for a while longer, but I recommend that you tell the families to say Gregorian Masses, Gregorian Masses, and you also pray for them, comfort those who live; Faustina, how close you are to leaving Purgatory; Andrés today you will be on the Throne of the Father; and all of you have to pray for your deceased, especially for the blessed souls in Purgatory, that when they come out and go to the Throne of my God, your God, they will pray and ask for all of you to save you.

Keep walking, my children, in love, and tell you once again to pray, I have already told you, China, the United States, all of Europe, Nicaragua, how they are riddled with bullets for my children who are already martyrs; do not hate, do not criticize, kneel down and pray for those who do evil; and you, Lighthouse of Light, be children of truth, love each other, understand each other, and hold meetings from time to time to bring out the light, which I will be putting and I will put everything that is going to be done in my House, Lighthouse of Light; but seek humility, do not leave each other behind, do not criticize or speak ill of each other, but unite, join yourselves, that the Love of my Son and my Love will always be with all of you, do not deny anything neither one nor the other .

And now, my children, I give you my blessing, but as always, God the Father Creator, my Savior Son, the Holy Spirit, my Sanctifying Husband and your Mother, Miriam Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light; and don't forget everyone united today, but you can shake hands, pray an Our Father so that your God the Creator Father, who today is his day of Love, may intercede and give affection and salvation to all men.

Goodbye children, goodbye little ones, love you. Tabernacle, Tabernacle, Tabernacle, do not forget the Holy Mass, my children, it is the path to Heaven; confess more often; fast, and understand one another; welcome everyone in your arms, because you are all created by the same God, my God and Lord.

Goodbye my children, goodbye.

Our Mother in Monte Faro de Luz.
