My little ones, my children, have peace in your hearts and light of my Light in your souls.

Meditate, my children ... the **Passion of my Son**, do it this month, and pray to me every day, for yourselves, six Rosaries to my Immaculate Heart and for the salvation of the world. I commanded you silence, one day, my children, do not pay attention, do it; I commanded you penance, fasting and confession, my children, do it. The world is going through difficult times; I told you some time ago, years ago, that nuclear wars would come, they are close; you can save the world from this catastrophe if you get down on your knees and ask for forgiveness first, and ask for all the men in the world.

Today is a great day, my children, the Guardian Angels, ask the Angels and your Guardian Angel every day; Communicate with God, talk to God, my God, your God, He is very happy when you go and tell him: "Lord I love you, remove me from all the tangles that my heart carries that I do not control them" Ask him, go to my Son, to his Immaculate Heart, He saves you, He is always with all of you if you call on Him; How many times have I told you to say: "Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, how many times have I told you: Tabernacle, Tabernacle, Tabernacle, how many times have I told you: fill the churches" You, Catholics, Apostolic, Roman, the true Church of the world, that of Christ, my Son, you have to go to fill the temples; and I have also told you many times: "pray for my sons, the priests, for many are going through crises in the world; you, my children, who come here and to other places in the world to listen to my Messages, do it, do not be lazy; always eat and drink the Body and Blood of my Son so that you may have life.

I, your Mother, love you so much, and right now I am covering all of you who are here and the whole world with my Mantle; come and ask and you will find, be good, be humble, seek the aroma of my Son, because my Son gives you life, joy if you go to Him from the heart. He will never deceive you, but will take you one day, not too far away, to the Dwellings of my God, your God,

which He has prepared in Heaven for all of you.

Ask a lot for the children, for the children, ask a lot too, my children, for all the governments of the world that are committing atrocities, that are harming my children, the humble, the simple, the nothing. My children, my Son already said it, a poor person will enter the Kingdom, a rich person will remain at the gates, but there are also rich people who share their riches with their brother and you also have to share with the one who is by your side, the one who it has nothing, and if you have four, give three and keep one, because my God, your God, will give you a hundredfold if you part with the riches that fill your hearts, which is money; my God, your God, feed the birds for free, and the men also for free if you truly tell him “your will be done and give me the faith I need to go with you walking with the Cross” As he was my Son of Love, he suffered and He suffered to save all of humanity, but how ungrateful men, until today they are killing my Son with the sins that man commits daily, sacrileges; they are not human, many of them are demons, they will not see the Face of my Son nor the Face of God when they die.

Keep walking in prayer, in love and penance; I am your Mother, Beacon of Light; how happy I am to see you all so full of the Love of my Heart; the Portuguese, you Spaniards, some from abroad too, I love you with all my Heart, come to Faro de Luz, to the refuge of my Heart and the Heart of my Son, and do not forget to pray especially for Popes Francis and Benedict , soon; keep on asking, my children, and also ask that there be holy priests in the world, that there be holy priests; and also ask to fill the churches; the conversion of the world, because you are in a very serious moment, very serious, because the events are already here, because you see those earthquakes, those overflowing waters, those volcanoes, of course it is from nature, but my God, your God, allows all this so that you can see that man cannot beat Heaven.

I love you, and I do not give you the blessing today because my son has given him in the name of God the Father, God the Son and God the Holy Spirit; I only send you a very big kiss for all of you, and I tell you, goodbye little ones, goodbye, my children, goodbye children.
