My little ones, my children, have peace in your hearts and light from my Light in your souls

My children, what a beautiful month you have, pray for all your deceased and the deceased of the whole world, they have already risen, and many of them are already in the Abodes of my God, your God, enjoying the Creator God of him. You have to offer many masses for all your deceased and for those who have no one to pray for them; the masses, as you say on earth, is the greatest thing on earth, take the Body and Blood of my Son, it is the most beautiful thing you have; and you Christians, Catholics, Apostolics, Romans who are blessed and created by that God and my Son Jesus, you have to be, my children, better, better every day, you have to imitate my Son, especially on the Cross. Who wants a Cross? Nobody wants a Cross, but look at your God lying on the ground, in the end nailed to a Cross for all of you, for the salvation of the world, and today they also crucify him with those horrendous sins that humanity commits, sacrilege, indifference, hatred, leaving him alone, knowing nothing, or wanting to know anything about his Creator.

What pain my Heart has, my children, when so many of my children who claim to be my children are crucifying my Son, his God! Why can't you be good, my children? If it is very easy to be good, the heart of man, you have to remove the stones and seek the Divine Heart of my Son and the Heart of your Mother.

Think that you should not serve two masters, serve the Devil or serve God. You are on the path of your God, my God, because we want it that way, Heaven wants you all to be saved, and you have to save yourselves, my children, with penance, with prayers, sacrifices, Tabernacle, Tabernacle, Tabernacle; you can do it my children.

Continue walking with love, continue as the saints have followed, so many saints who are in Heaven, and you are also here to be saints, do not say no, my children, because humility conquers everything; If a man or a woman has humility, as my Heart had, there is no one who opposes that

heart, because the Devil will flee from those humble, simple, loving hearts.

Follow my Son in the Gospel, my children, never miss a day to go to Holy Mass, there where your God is waiting for you; My children, do not be cowards because many of you, not those who are here in the world, are cowards, you are lazy and you are better off in the world than in Heaven; and my God, your God, created the earth to save you, so that you may go to Heaven, therefore, as I told you before, my Son came to earth, to save you with his Cross, imitate him.

Meditate **EPHESIANS**, my children, keep meditating on it because the word of my God, your God, is the one that is filling, it is going to fill your hearts, so you know your Creator more; Do not be afraid, alert humanity! I have said it so many times, things are bad, they come badly and there will be bad things, but if you are truly these children that you want to be or that you say you are, pray and ask that my God, your God, have mercy on the world and don't come so many things that the earth expects, because of vices, because of sins, because of wickedness.

Be good, my children, become like children because children are not evil, your hearts can always become children when you seek love, truth, humility, sincerity, giving everything for nothing and not having and possessing, because today man only desires consumption, having and possessing in his life and thus he does not reach Heaven, he goes to Heaven with purity, with love, with humility.

Look at your Mother, your Mother said yes, and so I am in Heaven, and here with you because my Heart was clean. As a child, I have told you so many times, my parents took me to the Temple and I already boasted that one day I was going to go to Heaven, and look, my Lord God chose me to be the Mother of all men; but that yes, I in my small humility He noticed her and chose Me to be Mother of God, my Divine Son, my Son of Love; you have to imitate my simple Heart in the humble, never say no, you can do it, because my God, your God, if he chose Me, he not only chose only Me, but he has chosen all humanity for one day to enjoy the Celestial Abodes.

Keep walking, my children, come to Faro de Luz and do not be afraid of what others say, those around you, that if why do you go to Church, that everything is a lie, that there is no God, that God is something that men have invented, oh! poor thing, because they have a resurrection and also a judgment and the judgment will be reckless for those who did not want to know anything about their Creator. You, my children, from the time you get up until you go to bed, always say: "Lord,

remember me that I am a poor sinner, Lord, thank you for making me your son and for being a son of the Catholic, Apostolic, Roman Church; yes, thank you Lord, because you love me and I will not stop until I find you, my Lord; Give me the Light and the strength, because You are the Light and the strength, You are the Power and the Life, You are my Shepherd, You are my Everything, help me Lord to carry this small or great Cross until the end of my days." .

Do not argue, do not have grudges, or anger, or insults with each other, but ask for forgiveness, even if the brother or sister is right, is against or says yes, you are brave and you are smart and you believe in that True God who is my God, your God, forgive, even if you are right, forgive because they will give you a hundredfold.

My children, I love you very much, and today I tell you here that more than two and more than three have been cured of their illnesses and their discomfort in their souls; feel it, come to Me for I am the Refuge of poor sinners, I am your Mother, the Mother Lighthouse of Light that gives Light to all men, so that you may have Light until the end of your days, but yes, come with humility Come with humility to my Heart and to the Heart of my Son.

Today is Saint Angela of the Cross, as you call her on earth, a great saint in the world, elderly, sick, how much she did, how much she did!, like a Saint Clare, Saint Francis, Saint Andrew, all the Apostles, all the Saints and Saints of the world are right now with Me asking for all of you and for the whole world. Pray a lot, that your submachine gun is the Rosary, the Rosary, the one that I bring so that you pray with Me for the poor sinners.

Thank you, my children, for being here, and as always I bless you, but first of all my God the Creator Father, my Son of Love, the Holy Spirit my Sanctifying Husband and I your Mother Miriam Heart of Mary Lighthouse of Light, Lighthouse and Light, Lighthouse of Luz: my dear children, love each other and do not forget: Tabernacle, Tabernacle, Tabernacle.

Goodbye little ones, goodbye my children, goodbye...

*How beautiful you are Mother, and that men do not love you, and that they corner you like your Son, here we are Lighthouse of Luz Most Holy Mother to defend you, to love you so that you also know that there are men and women and children who love you and we ask for those who do not love you who do not love you, Mother mercy and mercy for all children, for all young people for*

*the whole world.*
