Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and light from my Light in your souls

Thank you little ones for being here in my House, your house Lighthouse of Light.

Always look ahead, carry the Gospel in your hearts, strengthen yourselves with the Body and Blood of my Son drinking it every day, do not miss the Eucharist, the Mass of my Son, He stayed with you to save you, you have to go to the Temple, to speak with Him, with your God; how my Heart cries to see so many of my children leave his God. Why are men like this if all they receive is goodness, love, charity, strength, holiness? My Heart is surrounded by thorns, I have said it so many times to the world, to my children, because my children, many children, are ungrateful, blaspheme, commit horrible sins, and then the world wants the world to be well, to be a raft of good, if men make it bad, and my Creator God, your Creator God, is, my children, also weeping for his creatures created by Him. He made everything good, man through Satan destroys him, wars, miseries, abandonment of homes, broken families, they no longer want the Eucharist, they no longer want marriages for the Church, the Church of my Son, everything is to live in comfort and for their whims and their ideals. Who is this God, who is this Jesus Christ, who is this Mary? We do not know him; that is why Our Hearts cry; ungrateful men.

If I appear throughout the world, it is to attract you to my Heart, so that you live the Commandments that one day left us in the hands of Moses, but the ungrateful man disrupted them. Sodom, the Tower of Babel, Noah and so many, hate and resentment towards his Creator. But look, there are still millions of my children who come to ask my Son and to ask Me for Faith, Hope and Charity

The Devil has little left of doing evil in the world, everything is over, my children, the Bible says so, that everything is near, and I tell you yes, so much evil sin that there is in the world today, has There have been so many, but not so bad, abortion, those mothers killing their children, those men

and women who live a disordered life among themselves, they don't want marriages, they don't want the blessing of their Creator. How can my Heart and the Heart of my Son not cry if He made everything perfect and man through the mediation of Satan is bringing down the world?

But look, if you, my children, the few or the many, pray and do true penance, everything will calm down; let God be God, man does not let him because man wants gods, they want to be gods and there is only one God, yours, that of my Son Jesus Christ, that of the Holy Spirit, my Husband and my Creator God, your Creator God.

Pray, do penance, strengthen yourselves, my children, with the Works of the Holy Spirit, ask a lot of the Holy Spirit, my Spouse, so that your hearts may be faithful and have understanding and always do the will of their Creator.

Remember that other years I have told you that the day my Son comes into the world, put two candles on the table where you are going to eat, but remember the poor, those who have nothing, who do not eat that night, nor do they have a roof over their heads. sleep, remember, my children, of all your brothers who by circumstances are in misery; but I tell you one thing, that all those who have a hard time, who have nothing, in the end have everything, because Heaven will open for them because they never had anything; That is why I tell you, my children, that that night, that it is not just that night, that you always remember that brother who does not have to eat or dress or have a house to sleep in; yes, my children, God, my God, your God, gives everything for free, you also have to be true children, imitate your God, my God.

Keep walking, my children, with love, do not blaspheme, do not speak ill of one another, if there is no charity among you, your God cannot be there, my God, you have to open your hearts, you have to embrace each other, you have to be decent in life, do not be like those who only want and make you hate, mistreat and hurt; to be good, my Son says in the Gospel: "to be Holy as your Heavenly Father is Holy". And it is easy to be holy, my children, deny yourselves, take up the Cross and follow it, carry it, be it small or big, because on that cross that you have, my children, it is my Son who carries it, but everything if you do at will: "Lord, here I am, your will be done, help me to carry this small or this great cross, but I think, my God, that You carried it bigger and you have died for all men, help me to carry this cross". My children, and it is true, the greatest, the one with the greatest pain was that of my Son, what am I going to tell you that I also carried it? damage to the Innocent, to the Author of Life.

Love each other, my children, Lighthouse of Light wants you to love each other, that you open the doors wide to everyone, do not be selfish or carry the self in your hearts, the self is bad, pride is bad, seek the Light and strengthen yourselves with each other and so you will have everything on this earth the Light.

Thank you, my children, for being here with Me, I open my Cloak so that you all enter, but not you alone, but those who have not been able to come, those who will come. In the world where I appear, I say the same thing: “love one another as my Son loved you and I love you”. Preach the name of my Son to the world: **JESUS CHRIST MY SON IS IN THE WORLD, HE IS IN YOU, IN THE OTHER, IN THAT, IN EVERYTHING.** Practice love, strengthen yourselves with love and truly seek charity to give without receiving anything in return, that everything that comes out of your souls is love, be love. Understand each other, my children, because if you do not understand each other, my Son will never be with you, it is a commandment that my God left, your God, if you do not love each other there will be no love in Heaven.

And now, my children, as always, I bless you, but before my God the Creator Father, my Redeemer Son, the Holy Spirit, my Sanctifying Spouse, and I your Mother Miriam, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of light; I love you, little ones; Goodbye, my little ones, my children, goodbye, goodbye.
