Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and light from my Light in your souls

Meditate **HEBREWS** my children.

How much love my Son has for the whole world, and the world still does not recognize him, many carry in his hearts "I do love you, I love you", but then they turn around and forget the author of life; Don't be like that, my children, always show your face and say: "Jesus is with me, I love you Lord, don't leave me, increase my faith because without your faith I am nothing". Seek, as I have told you so many times, the aroma of my Son and my aroma, you have to remove the taboos and be clean of heart, the clean will go to Heaven, the others who do not want to know anything about their God will go to Hell.

Look, in Syria Christianity began, in Syria they are killing each other, beheading all those Christian children, my children of love. How many martyrs are there in the world! But it is no longer about this, it is about Germany, France, even Spain, Italy, they are dividing the Church, they are not in agreement with the Church of my Son, but they want to put the Devil inside Her, that is why you have We have to be strong and pray a lot so that this does not happen, that the Church is a Holy, Catholic, Apostolic, Roman, how many of my sons, ministers, priests and laity, are saying no to the Church of my Son! The Devil is introducing himself, but today, my children, the Devil also enters very skilfully through the senses and is also on his way to you who do not conform and do not want to remove your ego and self; no my children, you have to be nothing, children, sincere. How many sacrileges are also being committed by America, especially Argentina, by taking communion in sacrilege! Where are you going to stop? You are taking the Divinity in your corrupted, corrupted bodies, my children. Where are you going?

Sodom and Gomorrah were small towns, but today it is humanity as a whole that makes so many sacrileges to Divinity, to Love. Children, be good projects, carry good, so that evil, deceit, lust,

drunkenness does not come out of your hearts; be good as my Son wants you to be, don't you realize that my Son is born in a manger with nothing and dies with nothing for all of you?, don't you realize that all God, you mistreat the author of life With your lies, your slander, your ego and that I that you carry inside, that you want to be the first and the first places, I am the good one, the other is the bad one? No, my children, take all this away, because the path to Heaven consists of nails and thorns, and you do not want anything, you only want the selfishness of your bodies, you help yourselves, you know yourselves and many of you are against the Church of my Son; therefore, my children, take away the taboos, approach the confessional in humility, the love that my Son gives you; how many times does my Son say: come to Me, talk to Me in silence, leave the disputes and the wickedness of one and the other, because in this way you do not convince Heaven, in this way you are with the Devil; Get rid of the Devil, my children, that is what we are for, my Son and I, to give you the sustenance and food of forgiveness, and change your hearts; but you have to come to us. Take away the bad things that you have in your hearts; How many times have I told you to retire to a room, to the field, to any place so as not to argue with your friend, with your husband, wife, child, two do not quarrel if one does not want to, that proverb that you on earth say, why don't you do it? You are created by God, my God, your God; and God, my God, your God, made everything good, and everything is good, and He wants us to go to Him.

My children, you are the salt of the earth, you have to walk slowly, but quickly, because one day soon, my God, your God, will call you for the final judgment; The end of all my children in the world is near, some before and others after, but you will have the judgment, therefore, my children, prepare yourselves, and the preparation that I always come saying: humility, understanding, charity, love, sorry, this is what you have to do, fasting, you forget about fasting, fasting is a very big degree; when my God, your God, observes that with the contrite heart of man, he does penance in love and for love.

Walk, my children, and stop us, but with the Word of my Son, the Gospel, always carry it, and know that my Son is with you on earth every day, he is with each one of you, from here in Faro de Luz, those from Asia, those from America, those from Europe, everyone.

My children, think and pay attention to what I have told you today, that you ask for Germany, France, Italy, Spain, and also Belgium; the demons have entered and want to destroy the Church of my Son, and you have to raise up the Church of my Son, He died for all of you, do something for my Son, for my Heart, we are crying a lot, and our hearts are full from nails and thorns from

all the sin that man commits and comes into our hearts, because we want to save you all, save you all.

My children, do what I tell you, love, penance, communion, prayer of truth, Tabernacle, Tabernacle, Tabernacle, ask a lot for your Pope Francis who is so slandered by men and by many of my children, where are you going, where are you going? Are these men who only carry the Devil in their hearts? How much they have to give and say in court; know that I have said it many times, the Popes are placed by the Trinity: Father, Son and Holy Spirit, do not criticize him, do not speak ill of him, because he is my son on earth, you are nobody to slander anyone .

Take care of yourselves in your bodies, to see what slander you have, to see how you are, to see if you do things well; but man is sin, he is a sinner, and he does not look to see what he does but what the other does, that is why I tell you, my children, so judge, so you will be judged at the Table of my Lord, your Lord.

I love you very much, I love you very much and I want to save you all with my Son, so come to Faro de Luz like any apparition that I appear with my Son, as today my Husband Joseph, my Son, so many Saints and Saints is here I especially emphasize it, Padre Pio of Pietrelcina, second Christ on earth, imitate him, entrust yourselves; and I also tell you that you entrust yourselves to Benedict XVI, great saint of earth and Heaven, he will soon be canonized, men did not understand John Paul II, Paul VI and other Popes either, because man, the judgment of man, is wicked and bad; do not be like that, become like children and love each other, and love one another.

Now, my children, I give you my blessing, but as always, God the Father, my Son of Love, the Holy Spirit, my Sanctifying Spouse, and I, your Mother Miriam, heart of Mary, Beacon of Light, Beacon of Light, Beacon of light. Pray for what I have told you, these Nations, also for all of South America, because the world is going through pain and a very great cross; but prayer can do everything, if you really pray this will go away, if you do not pray very serious things will come, very bad for humanity, but I do not want to scare you, because I bring something very great, LOVE, I am telling you that convert, that you go to my Son with love, because love never fails if you really have love.
