---

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

Meditate, my children, **GENESIS**, thus you will know my God, your God, in all His fullness.

My children you are coming to Lent, what pain, what pain, I have my Son scourged, mistreated, slapped, to carry the Cross, the Cross of all of you, those who are to come, those who have already left; do not complain, my children, about your crosses, they are so small, but you must be strong and offer everything, not for yourselves alone but for the whole world. Prepare yourselves, this Lent must be different from others, because this Lent carries in the Heart of my Son and in my Heart the evils, the ill-treatment, the pride of man, the wars; my Son weeps, not now in the Lent to come, but always, He weeps for the sin of man, for the lusts, the lies, the pleasures of the flesh, the drunkenness, the deaths. How can my Son not weep! And He still carries the Cross of men.

Look, my children, at your hearts, do not close your hearts, open your hearts to the Resurrection of my Son, strengthen yourselves with the aroma of my Son's Heart and my Heart, do good, my children, doing good costs nothing and is a degree for Heaven. Remove, my children, the roughness from your souls and give to your brothers, seek the helpless, the one who has nothing, I have repeated it so many times, not here in my Beacon of Light House but in the whole world; Be good, be kind, go to the Tabernacle, how many times I have said it and I will repeat it, Tabernacle, Tabernacle, Tabernacle, fasting, penance, today the world laughs at the cilices, and how beautiful is the pain when one becomes one in the presence of his Creator God, how great it makes man and man today looks at all this as something that has no importance. Fasting is very important, my children, and I have said in many places and here that it is not necessary not to eat anything, it is necessary to eat, my children, even if it is just a little: "Lord I offer You my fast for my brother who is next to me, for my father, my mother, for all mankind, Lord save them all because we are all created by You" Say it this way to your Father, my Father of Love, seek Him, go running, look for Him wherever you are, there if you say: "Father here I am, tell me what I must

do, give me your blessing, help me to carry a little of that cross I have because I want to go in the end to your Abodes that you prepared for me and for all your children of the world".

My children, Heaven is near, but you have to work to reach those abodes that my God, your God, made for all, go through the narrow, do not go through the wide and take the Word of my Son to the world, and ask a lot for my sons the priests, I have told you so many times; the Church, my sons, is going through a very big crisis, but you must not stay there, whether a priest or a bishop leads a bad life, or does not lead a good life; you are no one to judge anyone, only my God, your God, is the one who judges; ask for them, because you, my children, you have to be obedient to the Church, and the Church is my Son Jesus, and my Son wants you to be holy, do not go back and forth talking and murmuring about each other, you are not advancing anything, my children, you are going backwards if you do that; Heaven is won with love and humility; Give yourselves to one another, reflect yourselves in my humility, a little girl in Nazareth, seventeen years old when the Archangel came to tell me that I was going to be the Mother of God; I was the chosen one, because that was the plan of my God the Creator, and I sought humility and I carried it all in my Heart, I was already suffering because I knew that my Son was going to die one day, and I knew that from the beginning, and I kept it all. You must do the same, keep in your hearts all the ups and downs of life in the family, with your children, with your wives, with your husbands; if there is not peace and light in your homes, you who are Catholic, apostolic, Roman Christians, who boast of love, practice love, seek love; practise love, seek love and do not destroy one another, because the Devil is cunning, as I have already said, he comes through the senses; and in the end the Devil wins if there is no peace in those houses; if you receive my Son in communion every day, why can't you change? , Do you believe, my children, that bad example goes up to Heaven, purity, love, love, love, love and forgiveness go up to Heaven, you have to forgive each other.

My children your Mother Beacon of Light loves you so much that my mantle rests on all of you, and I give you the Light always, I am with you, as my Son, my Creator, your Creator, and my Spouse, the Holy Spirit, whom you have forgotten, seek Him, seek Him to give you the Wisdom, the Intelligence, the Light, the Strength, seek Him always; and do not forget to confess more often, and always take the Body and Blood of my Son of Love, the author of life, the one who saves, the one who takes you to Heaven one day to enjoy those Abodes that my Creator, your Creator, made for all His children.

I bless you, my children, but as always, my God the Father Creator, my Son of Love, the Holy

Spirit my Sanctifying Spouse, and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light; you know that I also bless all of you who are here, and those of you who have brought rosaries, medals, artefacts; And I want to end, my children, this Message, that I also love Russia very much and you have to pray for all her children, all her children of Russia, especially for that son that the Demons have invaded his soul, Putin; ask as I told you, China, United States, France, Germany, Belgium, Peru, South America all of it, especially for those countries that massacre so many of my children killing them because they are Christians, Catholics and apostolic.

I love you very much, come to Beacon of Light, my children, carry Beacon of Light in your hearts, go and speak of Beacon of Light to your children, friends, friends, friends, this is great and it has to be great; but you are the warriors, you have to help this Holy Place where I come to be with you, you have to be good, love each other, remove the pride and power from your hearts because this is not the way to reach a good harbour, as you say on earth, love, love, love, love.

Farewell little ones, farewell, my children, farewell, my children, farewell.
