Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

The seer speaks to our Mother:

Give Light to all your children, may the whole world love you, take away the Devil from our hearts and make us faithful to your Divine Heart.

My little ones, my children, have peace in your hearts and light of my Light in your souls. I wish to begin today as I ended the day of your Retreat, I come with my Sweetness, I give you my Sweetness, and you give your Sweetness to all your brothers, no rancour, no anger, no insults; the life of my God, your God, is purity, humility, cleanliness; if you wish to go to Heaven, my children, heed your God, my God. The world is destroyed by the wickedness of men, the one who brings sin is man, because of his ego, his self; leave it, bury it, go to your true God, the one who teaches and the one who saves.

My children continue to meditate on **MATTHEW**. And look at your faults, at your reproaches, at times saying things that you should not say, for if you harm a brother, you also harm yourselves; look at your brother, your father, your mother, that friend, as you would have them look at you; be clean of heart, strengthen yourselves in love. I am the Beacon of Light and I come to give you these Messages of salvation, make yourselves, my children, all of you into a huddle, as you say on earth, with my Son Jesus: I love you Jesus, I adore you Jesus, come to me, Jesus, do not forget me even though I am under the burden of sin. My Son and I will come to your aid at once, when you call me. Stop with these things, as you say, the world's nonsense, be... do not want to be more than others, but the poor, simple, humble one, do not seek treasures on earth, seek the treasures of Heaven. Look at the state of the world, my children, because of the agonies of the rulers: to possess, to have, to crush; you have to set an example even if you are small, have nothing, because my God, your God, gives you everything for free, for free and you also have to give yourselves for free, not of what is left over but what hurts; seek that one who is evicted, that one who has nothing, who suffers; you are now in a moment of truth, of the Cross of my Son, carry it in your heart, proclaim it in your souls: "Jesus have mercy and forgive me my sins, and give me the strength and the Light to bring all that you give me to those who need it" Say it to my Son, seek my Son.

My children, the world needs prayer, sacrifice, it is the time of the Cross of my Son; how many sacrifices does man make? How many sacrifices does man make? On the contrary, sacrileges, wickedness, being unkind to one another, speaking the wrong things, blaspheming. No, you are children of the truth, of my God, your God, your Creator; He wants to save all of you, but the world is engrossed in evil, that is why there are wars, and wars will come, and I tell you that many events are coming, which many of you will see, of pain, of sorrow, of pain, of hunger, and man does not want to see this because the powerful live, but the poor little ones die of pain, of hunger, of sickness; they want to change the world, because Satan has entered the world. Be alert, my children, be alert humanity! He enters through the senses and when the Devil enters, it is difficult to get him out. But you have the greatest weapon which is prayer, the Rosary of my Love; pray rosaries for poor sinners, for the conversion of man and your children and yourselves. Stop, My children, speaking ill of one another. Look at how many churches are closed, how many churches are closing, because man has ceased to have faith; the seminaries are empty, there are few; it is your time, the time of the laity, to pray for priestly and religious vocations, do it, do not look out for yourselves, for your selfishness, do it for those who need the faith.

I ask you, my children, with all my Heart that loves you all, to be truly children of your Creator; the cup is already overflowing, soon there will be many blacknesses in the world, many calamities, even viruses, that you will not be able to understand, but they will come now, it seems that they will not, but in a while you will say that they will; and why is this coming? Because of sin, my children, because of the sin of the flesh, of hatred, of lies, of drunkenness and hatred of broken families; but why, because they have stopped loving their God. If you all truly loved your Creator, how beautiful it would be, the world would be, as you say, beautiful.

I have been asked to pray for several people, and I say yes, my Portuguese children, José Maria, Santiago and Miguel, they are already in the second phase of Purgatory; a daughter of mine has also asked me for a little Franciscan nun, yes, my daughter, she is saved; many of you will carry the graces in your souls and by your walk you will understand the Message that I am giving here to you and to the whole world. Ask for priests, that they may be holy and pure; if there are no vocations also, my children, it is because of the world that has abandoned prayer and there are many young people who have gone astray because they do not have the knowledge of my Son Jesus.

Now you are in a moment, as I told you before, of penance, take the Cross of my Son, even if it is

not wood, in your flesh, go and say: "Jesus, I have sinned, have mercy on me and on all mankind, save me, heal me, heal me, heal me, heal me". And I say to you once again, Tabernacle: Tabernacle, Tabernacle, fill the churches, my children, be brave, do not be afraid, because in the Church is my Son, the total Divinity and there you have to go and ask for all that you need. Do not deny your illnesses, do you not know that if you carry them well, you are victims, and your God, my God, will take you to the Heavenly Abodes because of the suffering you have said, "Lord, may your will be done and not mine".

Be strong, my children, here I am in the Beacon of Light always, and I bless you all and all and your families, keep in mind, my children, that love is repaid with love, if you love my God, your God, He will give you a hundredfold.

And now, my children, I bless you, but as always, God the Father Creator, God the Son Redeemer, God the Holy Spirit my Spouse Sanctifier and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. You are all blessed, go in peace, I love you, goodbye little ones, goodbye my children....

Now our Mother addresses the seer:

My son, my little 'gusanico', continue in love for love, do all that my Son tells you, be humble, and silence in your heart, continue walking in this love that your Creator, my Creator, put you and puts you for these tasks of Beacon of Light, it will be great as I said, Beacon of Light already is, but you want that even if the pain drills you have to come to give my Messages from my Heart. Love your brothers very much and take the pride out of your heart.
