Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

What pain my heart has, my children! One more year, one more day, one more week, one more month, the Passion and Death of my Son; and man is silent, says nothing, sacrileges, horrible sins, drunkenness, wickedness, lusts, and lives a life without his God.

You, my children, repair the nails of my Son, the Crown of thorns, the Lance, repair it, because you, my children, will have a very great joy, if you do it with love you will have earned Heaven, because you are submissive to that Passion of my Son, not one day or two, but every day, my children. Always meditate on the Passion of my Son, you will see what joy and gladness you will have in your hearts, because my God, your God, will make you different from men of wickedness, hatred and lies. May your hearts, my children, be clean, you know that I suffer every day because every day my Son is nailed to the Cross by ungrateful men created by that God, my God, your God of Love, who makes everything good and has done and will do so, but man departs from that Immense Love, that Love of truth.

You know why, because as a man my Son suffered pain and I also bore that pain, but I rejoiced at the end because it was the Resurrection, not of Him but of all of you, of all mankind, the Heavens were opened to enter Heaven, and so it was that many went to Heaven, the righteous. But woe to those who go in grave sin and do not repent from the heart and ask forgiveness from their Creator, my Creator, they will never see the face of God, and you know, never, Eternity, so you work for Heaven.

It is a time of penance, of prayer, of sacrifice, of putting aside the things that hinder you and seek Heaven; forgive one another as my Son forgave and forgives, seek his Aroma, seek his Testimonies, seek the Gospel, speak of my Son to the world. Things are very bad, my children, man does not want to see it; he is giving warnings day by day and man, drunkenness, hatred, lies,

fables; gods, they make themselves gods, to the smallest, to the greatest, they humiliate one another, and they do not imitate my Son when they saw Him on earth doing so many miracles and so much love that He left, but the same priests took Him to the Cross and today it is not the priests alone but humanity, they take Him day by day, second by second they nail Him.

You, little children of mine, pray and pray not only for yourselves but for mankind so that there may be a total conversion; but the world drags and drags into evil because the Devil is cunning and is behind every man in the world, that is why I ask you for prayer, penance, sacrifice, above all that you speak in silence with your Creator, with my Son, with the Holy Spirit, my Spouse and with my Immaculate Heart, speak to us in silence, speak to us with the Holy Spirit, my Spouse and with my Immaculate Heart, speak to us in silence, with the Holy Spirit my Spouse and with my Immaculate Heart, talk to us, come to us, we are the ones who will save you all, but come with humility, do not be lazy in prayer, "tomorrow I will do it, I can't, tomorrow, the day after tomorrow, later, later"; a visit, a friend, a family and you leave the most beautiful thing in your hearts, the Holy Mass, and you leave it for your family and friends, then I go, the evening comes and you don't go anymore; no, my little ones, you have to be perfect, you have to be saints, if you seek your God, my God, you have to go to Him and do what He tells you. God first, then God and finally God.

You must not leave your family, but when you have to do the things of your God, run, run, run to the Tabernacle to be with your God, talk to Him and always keep Him in your hearts; I have told you so many times, Tabernacle, Tabernacle, Tabernacle, and man goes looking for the pleasures of life, today I go here, tomorrow I go there and he leaves the most beautiful thing that man can have, his Creator in the Tabernacle of his soul; look for Him, my children, look for Him, like here in Faro de Luz, come to Faro de Luz because I give you what you need, don't you see the peace that you have here, my children? , Why? Because here I am, my Son of Love, and my Father, your Heavenly Father, the Saints, as they are here today, Cyril, Albert, Anacleto, Beatrice and all the Saints of Heaven are here with the Angels wrapping you all up and singing Alleluia to my Creator, your Creator, for all of you and the whole world.

Strengthen yourselves with the Word of my Son, with the Gospel, with the Sacred Scripture, and stop this nonsense now my children, God is everything, to Him be glory and praise forever and ever, amen. Go running after Him, seek Him, and now in these days of sorrow, enter in, but do not enter in these, every day, my Son comes to the Eucharist to give you to drink and eat His Body

and Blood so that you may have eternal life, life of love, life of truth from Heaven, do not forget to eat the Body and Blood of my Son every day.

I love you so much, my children, and I bless you, as always, bless you my God the Father Creator, my Son Saviour, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light; pray for so many sacrileges that are going to be committed in these days to the Heart of my Son, to my Heart. Yes, my children, why is this happening, because the Devil has power, much power; but you with the Holy Rosary of my Heart can drive him away forever. Pray for Spain, my children, for the whole world, and for the conversion of those children of mine who lead the world astray, like Putin, and in so many governments of the world who massacre their little children and they live the good life, because they think they are gods, they think they are gods, you have nothing, as I have told you so many times, that when you give alms, that it costs you, that you don't give what you have too much, that it costs you, that that alms, that alms goes up to Heaven, because he who has much, my children, gives it because he has, but he who has nothing and gives it, that is the sanctifying Grace of the man or the woman. I love you and I love you, I bless you all.

Farewell my little ones, farewell my children, farewell my little ones.
