Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

Ask for Conchita because she has ascended to Heaven, she is already blessed.

My little ones, my children, have peace in your hearts and the light of my Light in your souls. My children, how happy your Mother is when you and so many millions of the world come to honour the month of Mary, the month of May, come and let us all go with flowers to Mary, sing to me, give me flowers as you have always done. The world is dethroned and no longer has me as Mother; many men, millions of the earth are missing, my children, the Abodes of my God, your God.

The Devil is present in all mankind, he is ravaging the simple people, the good people, and the simple and good people are leaving the faith too, that is why you are here to strengthen the faith in your hearts and the hearts of the world; look, I have said it so many times, and I have done it with my husband Joseph in that humble house, we sang the psalms to my God, your God, and I said thus: (here Our Lady sings in another language) How beautiful the songs that my husband and I sang while on earth! But now we sing the Alleluia in Heaven and I want all of you one day when your Creator, my Creator, calls you, to enter through that narrow door which will later become wide and you will be at the Table of my God, your God, singing the Alleluias as I sang in those days.

My children you know that the world is going through a crazy time, crazy with misery, crazy with rottenness, the world does not recognise nor does it want to recognise its Creator, beginning with the little ones, twelve, thirteen, fifteen, twenty, thirty, fifty, seventy, ninety, one hundred, many do not recognise their Creator God; that is why, my children, the wrath of my God, your God, is already overflowing and you will see so many things in the world, as I have said so many times; understand this and understand it, because you do not see things around you, everything is going well, but when what is to come, then many men and women will die of fright, because they will not be able to bear the many things they are going to see; That is why I say to you Tabernacle, Tabernacle, Tabernacle, seek your God, my Son of Love in the Chapels that are for all of you, do not be afraid, do not be lazy for your God, the world is attractive, but attractive has to be the good,

not the bad and today the world is more involved in the bad than in the good.

Make yourselves holy, my children, seek holiness, I have said it so many times, stop criticising one another, stop speaking ill of one another, love one another, have compassion, have charity and embrace one another, that is love, that is Heaven, Heaven is what I tell you: "the truth has a way, my Son, who is the Truth and the Life".

How beautiful that you are here in the Beacon of Light, how beautiful to see that my Message is for you and for all mankind! But keep the Messages, meditate on them; like this month still JOHN, my son John; help yourselves with the Gospel of my Son, it is the throne of your lives, it is the throne of your souls, do not be lazy to open the Bible, the Gospels of my Son, and there you will be happy because every day you will be more and more thinking of your Creator, your God, He is the one who saves, men do not save, He died, my Son died for all of you and all mankind so that you may have life in your souls; what grudges, what hatreds you have, my children, where are you going, is it not nicer to love and comfort one another, husband with wife, son with mother, daughter with father, friends with friends, is it not nicer to say: "blessed and praised be my Creator who created me for Himself for tomorrow forever, to be always in the Abodes He has prepared for me"? Woe to those criminals who kill their children, woe to those who make wars and kill innocents, woe to those who are saying yes to peace and then make war, woe to those who do not go in conscience and ask for forgiveness for their sins! Those will not see the Light, they will see darkness, Hell; but you, my children, who are my beloved children, I am here to give you my Love, and I save you, I save you with my Heart, I bring you to my Son, and my Cloak I hold out to all of you so that you may be under my Hands and my Heart. I am the Heart of Mary, the Beacon of Light, I will triumph with my Son, the Heart of Jesus, in the world; but there are still unpleasant things to come in the world, that is why I ask you all for conversion, do not be afraid to present yourselves in the Church, go to the confessional to confess, it is salvation, it is the forgiveness of my Creator, your Creator, no matter how much sin is grave, all is forgiven.

Speak of Beacon of Light to the world, carry the Gospels in your pocket, and those who laugh or say something unpleasant, go ahead, because you carry the best part, the Love of God, the Love of God which is the greatest thing you can have.

Today my daughter Conchita has been raised to the altars, she is already in Heaven, and so many saints and so many who have given their lives for the Blood of my Son, for those humble ones, for those like this Conchita who died on the thirteenth of May, you know, my children, very young, and she died like Therese of Lisieux, abandoned, ill, but she gave herself and said: "Thy will be

done and do with me as Thou wilt", and the Lord took her away very young, and she is already in heaven; so I want you too to give your breath, your last breath, your all to my Son of Love: "Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you", leave grudges, hatred is worthless, hatred is Hell, love each other and, as I told you, that you pray for those who are killing, like Putin, like other heads of government, like those who hate their God; ask and pray for them because just as you have conversion and faith with your prayers my Lord, your God, can bring them into the fold of my Son on the Sacrosanct Cross.

I love you, bring me a flower, give me a flower, sing me the Hail Mary. Do not forget this other thing: if you give one, my Son and I will give you a hundredfold. I love you very much and I bless you, but as always before my God the Father Creator, my Son of Love, the Holy Spirit my Sanctifying Spouse and I Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light, Beacon of Light.

Farewell my little ones, farewell my children, go in peace, and all that you have brought is blessed; know that the water continues to produce miracles of healing of body and soul, take the little bottles of water with you, but do not drink the water, so be it.

Farewell little ones...
