Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My children, my children, peace be in your hearts and the light of my Light in your souls.

Thank you little ones for being here with my Immaculate Heart and the Heart of my Son and mine. When you get up my children every day look up to Heaven and say "**Jesus, heart of my Son, I trust in You, I love You Jesus, I love You Jesus, I adore You Jesus**".

The month of Mary, the month of love is over and now it is the month of my Son, the Heart, that the two Hearts will triumph very soon in the world, but as I have always told you, you must see things as you say, very strong, very painful, my God your God allows all these things for man to realise that he is directed to all his creatures created by Him, to love Him, to bless Him, to go to Him, to take away from running and running through the world, vain things that come to nothing, he has broken it which is what Satan wants, he is dominating the world with the masons, with men and women who are my children, with hatred and lies and these men and women are leading these little children of mine who are humble and simple to perdition, but the Devil drags and drags and takes possession of the fragility of the little of the humble, that is why I tell you to ask for Heaven every day when you get up and say the prayer I have told you "**You are my God Lord You are the Truth and the Life, You are my Heart, You are my all, make me small**", like me, your Mother made herself small that is why the world loves me for simplicity and to say to my God "let it be done to Me according to your Word".

Remove yourselves my children from the world, as I told you before, the world drags, it drags power, to have and to possess and the sin today you know that the most that my God your God is sorry for, is the flesh, the lusts, the drunkenness, the hatreds, the grudges, one against the other and the Devil is getting into the Church, some time ago I told you, silence in the Church, there is silence in the Church, there are many priests my children who do not carry their ministries as they should carry them, but do not punish them by speaking ill of them, never speak of them or anyone else, do not slander with your tongues because if you do this you will never reach the Kingdom of

Heaven, my God your God wants you pure, holy, strong, charity, love and that is what goes to Heaven and you pay for it here on earth with love, fraternity, compassion, be jealous my children, my Son may He always come to dwell in your hearts. it is a precious month dedicated to the Heart of my Son, go to church, pray to the Heart of my Son, ask my Son for all that you believe and will believe, but always with humility, with light and calm, do not be proud my children, this ego you have to remove because you think you do not have it but sometimes the bad mood comes out in your hearts, but then you go further, hatred, resentment and the madness of being more than the other, how many times have I told you that when you have arguments you should leave and retire to a room or to any place and not reply to this or that person that you are the best and the other is the worst, no, my God your God does not want these fights, my God your God wants you to love each other and love each other, that is why my Son came to earth sent by his Father to be nailed to a cross and forgive the sins of the world, what less that you give something to your God and that something are the crosses, the crosses that sometimes are small and sometimes are big, but the big one was carried by my Son of Love and he forgave and forgives all men in his death, what less than you my children give something to your God and do you know what is something to your God, my God? , Humility, Humility, leave off grudges of wanting to be more one than the others, carry **"the Cross with love even if the pain pierces you as they say and makes of me a crucifix that I feel that you are my Father, in happiness and in affliction, in my life, in my agony look at me with compassion do not leave me, my God and my Mother"**.

I love you and I love you very much, prepare yourselves for the first anniversary of this House, my House, your House, on the first Saturday of next month, I will as always give you my blessing, but on that day I will give a special blessing to all your hearts, to all your children, to all your families, to the whole world.

Ask your God, my God, to calm your hearts and to be truly strong men as I told you, to be warriors of the Beacon of Light but do it with love, patience and a clean and healthy heart, do not forget, I have already told you twice, when you get up and look at the sky say **"My God, thank you for giving me this day and thank you for belonging to the Church, Catholic, Apostolic, Roman"**.

My children I love you and I love you very much, do not forget to love the Pope and to love the cardinals, priests of the Church of the Son and all the missionaries and the little cloistered and non-cloistered nuns and you love each other as my Son and I love you.

I love you and I give you my blessing, but before my blessing my God the Father Creator, my Son of Love, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light, go with your God my God.

Farewell my little ones, farewell my children, take away your pride my children, it leads to nothing, pride is the Devil and I want you all to save yourselves with the Heart of my Son and my Heart. Goodbye, my children, goodbye....
