*Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]*

---

My little ones, my children, have peace in your hearts and light in my Light in your souls.

Today is a great day, my children, for the whole world; but look, already in the third part of the world Satan is dominating. Why do I say this, my children? You are seeing it, mothers who do not want to baptise their children in the Church, couples who do not marry in the Church; and so many who live in grave sin; they have turned their backs on their God and do not love their God, their faith has gone and these children when they grow up, if they do not bear the great love of their Creator God, they will be, as you say on earth, atheists. You, my children, are chosen by Heaven to carry the Message of my Heart to the world; you are few, but you are worth more than thousands of people here right now, you are worth much, because you have not minded the heat or the suffering, you know that I am here and you come to My Plants to pray with Me for the salvation of the world.

You have to pray a lot for your children, for your families, even for yourselves, you need a cure of humility, you have to be humble, my children, take off the ego, the self, you have to be saints, as one day my Son said: "be holy as your Heavenly Father is Holy" You are on the wave, my children, you are on the wave all of you, because I know that you have a big heart, very beautiful and that is why I bless you and that is why I bring you here so that you will take these Messages that you will take them to the world so that the world will see that the Mother of all men appears in the world saying the same thing: "forgiveness, mercy, conversion" I also tell you, my children, as so often, to go to the Eucharist, do not fail one day to go to the Eucharist to take the Body and Blood of my Son, Jesus Christ, who is the one who gives life, do not forget to go to Holy Mass if you can every day to comfort yourselves, that my Son of Love gives you that Love so great, that soul so clean so that one day you will enjoy the Heavenly Abodes that He made one day for all mankind.

Meditate, my children, **CORINTHIANS** this month; take the Word of my Son to the world, do

not forget, even if they call you crazy, speak of my Son, my Son is present in all of you and in the whole world, even if you do not see Him physically, but you take Him into your hearts every day and there He is, there He is present and speaking to your hearts; be earnest in prayer, in perseverance, also in penance; man has ceased to be penitent, he has ceased to fast and that is the deepest thing a man has in his heart, fasting, penance, prayer, love, charity, my children; do not forget all this that I tell you, which is the truth, he who has his God lacks nothing, He is enough, because God, my God, your God, is Love, Truth and Life.

Begin in the morning by adoring your God and say: Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, and you Father I adore you, I adore you, I adore you, I adore you, I adore you; see how easy these words are, but how beautiful they are, because they are loving and adoring your Creator and your Lord.

Be, my children, as I told you before, humble, take humility, do not be more one than the other. And to you, my children of Beacon of Light, be good people, I want to tell you to be perfect, be holy, you can be, love one another, love one another, do not scold, do not have one word more than another higher; he who humbles himself, as you say, will be exalted and he who exalts himself will be humbled; mark your God, my Son, mark Me, my Heart, soon we will triumph in the world. Look, my children, how the world is, all these things that must happen are coming very quickly; the world does not recognise nor does it want to know anything of this that is coming to the world, but you are already seeing it, so many wars, so many overflowing waters, so many crimes, so much hatred, so much to say we sign peace and then they make war; so many of my little children killing adults to rob them, to take nothing, because after all they store, they store and then they will be judged by my God, your God, all these people who already know what they are doing, what is good and what is evil.

Ask much for the youth, now my favourite son is near here; ask your God for the Pope; he is, my children, for many priests, religious, bishops, cardinals, hating him, hating him. Woe to those who are doing this evil! If they are not fulfilling their ministries of the work of Heaven, they are doing badly. Love the Pope, do not criticise him, never criticise the priests, the priests are chosen by the Trinity, by Heaven to give us, you, my children, peace, salvation, the Eucharist. My children, never criticise anyone, criticism is bad, it is of the Devil; to speak for the sake of speaking is not good, but when you speak, speak of your God, of the Heart of my Son and of my Heart.

Go, my children, always seek your God, carry Him in your hearts; stop, as you say, all this nonsense and nonsense that you say, even men speak and say and they lead to nothing, but lead to Hell; always as I have told you: Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, day and night say it, and help one another; to the family tuck it in, even if some are right and you want to take it away, say yes to everything, shut up, and those who are confused, you also shut up and obey the Word of your God; "love one another as I have loved you", that is the Gospel and that is the coming and going in the world. Today Satan has entered into the hearts, as I have told you before, the third part of the world is overrun by Satan, that is why the churches are empty, there are no men and women and children going to church, out of laziness, "because that is a routine it is a lie" God is truth, God is truth and God is Creator of all, and you who are here listening to this Message, you have to take it to the whole world, that God is on earth, He is with us and that God is called Jesus.

My children I love you and I love you, today is a great day in my heart, but also sad because of so much sacrilege and so much sin that man commits second by second of the day. I love you and I love you, come here, my children, to Beacon of Light, like other apparitions in the world where I appear. Serve your God with love, for if you give one, my God, your God, will give you a hundredfold. Ask that there may be no wars, the world is full of wars, crimes, evil, and who brings that, the Devil. Trample on the Devil, my children, really trample on him, "go away from me Satan, I only want my God the Creator, my Almighty God".

I love you very much, I bless you all. Mary of God is already very close to Heaven, and so many and so many of my children, I am the one who commands and who leads from Purgatory to Heaven to the Table of my God the Creator; I also tell you that many of your families are already in the Heavenly Abodes.

I love you and I love you, come to this Holy Place to ask me, to tell me, Mother I love you, Mother give me this gift, Mother my son, Mother my brother, Mother my husband my wife; all this I have in my heart, but ask me, ask me that I give it to my Son and my Son gives it to his Father to do the miracle, if he has to do it.

My children I bless you, but first as always my God the Father Creator, my Son of Love, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light.

Farewell my children, farewell my little ones, farewell my children....
