Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and light of my Light in your souls.

Meditate still on **CORINTHIANS**, my children, do so, do not forget, and meditate on my Son so that He may enter into your souls and you may have life.

The world is making a very big mistake, my children; they are, especially my children, the catholic Christians, wanting to know the Secret of my Heart. Are you afraid, my children? How many times have I told you, the Secret of my Heart is Me with you; you must be alert and with a pure Heart, do not worry when what is to come will come, it is my Father, your Father, who develops everything, and the moment as well. I spoke to you years ago here, 2034, 2035; but I also told you 2060, that is the key, 2060. But you still have to go through, my children, many crosses; you have to see so many things that my God, your God, allows: earthquakes, tidal waves, fires, volcanoes, hatred, wars, famine, miseries; everything will come and many of you are going to know some of these things, like the days of darkness, but do not worry, my children, if you, your hearts, are pure, because you, those here, those there, those in the whole world, if you have a clean soul, you do not have to fear at all, what you have to do, my children, is to pray and ask a lot for your children, your grandchildren. Seventy-five percent of humanity is atheist although there are Christians, Catholics, apostolic, Roman Catholics; they call themselves that but they do not practice and by not practicing they do not love God, they do not love their God, the one who truly practices, the one who is in love with my God, your God, that one will have eternal life. Look at the foolish women and the lists in the Gospel of my Son, some took oil and waited for their God and found Him, the foolish women wanted oil and did not have it; that is the corruption in the world today, they leave everything to follow the Devil. To you, my children, I bring you here, as in so many parts of the world, so that you may save yourselves with my Messages.

Walk, my children, walk silently, but quickly, and do not forget to bring the Gospel to all those who are close to you, especially to your children and grandchildren; even if it hurts your soul, even

if they say no, continue to speak to them of God, for it is He who saves and you want to save your children, do you not, my children? And you yourselves, beware of the tongue, my children, the rottenness of the tongue, my children, attracts the Devil to do harm, as he is doing to mankind, in the governments, do you not see that they are atheists? They do not love their God and by not loving their God they are destroying and harming victim souls; therefore, my children, Tabernacle, Tabernacle, Tabernacle; Church, Holy Mass, eating and drinking of the Blood and Body of my Son so that you may have life; stop having bad people by your side, when they come to tell you: "God does not exist", you pray for them; and keep walking towards the Church of my Son, that is the Way you have to follow. Do not argue with one another, have love, for love conquers evil.

I am a Beacon of Light, I am here with all of you and I want you to be always with Me, with my Immaculate Heart, because I carry you always in my Heart. I bless you all, my children, because you are my children; I know that you have brought me so many things, but be patient, keep praying and asking.

Do not forget my Spouse the Holy Spirit who gives the Strength, gives that great, sublime Love so that you may walk on that Cross which in the end my God the Father, your God, sends you to redeem the world and you. DO NOT BE AFRAID, do not criticize the Pope. How much pain is in my Heart, how many of my children who say they love their God and are criticizing their God, because my Son of Love is on earth and he is the POPE, do not criticize him, do not speak ill of him, look at yourselves who you are, nothing, and if you do not become little like a child, you will not enter the Kingdom of Heaven.

My children, follow my Son on the Cross, my Son in the Resurrection, love Him and always say to Him, as I have said to you so many times, "Jesus I love you, Jesus I love you, Jesus I love you". Remove yourselves, my children, from the showmanship that sometimes exists in your hearts, in the hatreds, in the lies, in the entanglements, that does not lead to Heaven, as I have also said so many times, that to Heaven does not go the money, nor the clothes, nor the great things that you have in the world, to Heaven goes the pure soul, the clean soul; and so my God, your Creator, hopes one day to be there at the Table singing HALLELUYA to Him.

My children I love you very much, I love you very much, I want you to love Me too, the Heart of my Son and my Heart. Praise be always to your God, my God, for He is the creator of all, of all that is seen and unseen.

Now I bid you farewell, my children, but first, as always, I bless you God the Father Creator, the Son, my Son of Love and the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. Do not forget confession, my children, to be at ease with one another; couples, be happy, do not look to selfishness but look to the Heart of my Son, and to my Heart, there we will always be with all of you if you come to our Hearts.

Farewell my children, farewell, farewell children, farewell.
