Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

Meditate, my children, **EFFESIOS**, thus you will know my Son Jesus, your Master and Friend, more and more each day.

Centuries ago, my children, my son Dominic was praying to my Immaculate Heart. I went to him holding a Rosary in my hand and I said to him: "My son, spread the Rosary to the whole world, because by praying the Rosary of my Heart many of my children will be saved, they will be saved, if they pray, from danger, from misery, from hatred and lies, because by holding the Hail Mary in their hands, it is my Heart that is in their hearts and they will be cleansed because I will lead them to my Son of Love. Today there is little prayer, the world is divided as the Devil wishes, as you say on earth, the good and the bad, you, my children, be in the good, pray many Rosaries, do not tire of praying, it is your salvation. Look, when you die, when I take you to Heaven with my Son, my God the Father Creator and your Father Creator will look at what you have done on earth that is good, and those who have done evil will go to Hell, because, my children, I am crying every day because millions are going to Hell, they are turning their backs on their God, they do not love their God, they wage wars, the viperous tongues, as you say on earth, are lying in wait and are evil, even if they commune with my Son in their hearts. How many times have I told you that my God, your God, does not like criticism and backbiting, you must be truly clean. You have to confess more often, you have to make the sacrifice that I have been saying so many times for years and centuries.

When a man prays and makes sacrifices, fasts, that man or that woman has the grace of Heaven and that man or that woman or that child has a place in the Heavenly Abodes that my God, your God, has prepared for all Eternity; I have said it so many times in the whole world, forty, fifty, one hundred years, put one hundred and twenty, the life of a man or a woman goes by running, it goes by running, but I am talking about Eternity, Heaven or Hell, and I am here as in so many places in

the world with my Messages so that you may save yourselves, be good of heart, humble; leave the old and bad things in a corner, go slowly, but quickly, because time is running out. Do not hide, go with your foreheads wide open, strong, let them see that you are children of God, my God, your God. Carry the Gospel, not hidden in your hearts, but carry it, speak it, even if they treat you as madmen, as idiots, as they say on earth, or as boastful, or that it is all a lie, a blessed lie if a man or woman loves his or her God with all his or her heart, with all his or her strength, with all his or her mind. How much glory my God, your God, will give you for all eternity! Think of this much, my children, all Eternity, and for a second in the world the Devil comes through the senses and many souls go with him; because they leave their tastes or take the bad tastes and do not take the good ones which is obedience, perseverance, love, understanding and charity.

I am the Beacon of Light, I have come to save you, to be with you, but many of my children who have passed through this path of roses and thorns are saying: "it is a lie", and they are doing harm and they are doing harm, those who said: "until always with you Mother, until always with you my Jesus". But, you know what, do not let yourselves be deceived by the false prophets who are hurting your hearts of love and innocence and keep on walking strong; and to these souls who are hurting, pray for them, as you have to pray and ask for the conversion of the world.

Some time ago I also told you to pray for Putin, the one who curses the people and they do not love him because he is a criminal and a bad son of Heaven; I tell you to pray for his conversion and for all the conversions of all good and bad men.

I bless you, my children, I love you all; and about the mantle that you have seen today, my children will tell you what you have to do, although I have already told them:

YOU WILL HAVE IT FOR A MONTH AND A HALF IN YOUR HOUSES, WITH AN ORDER, BECAUSE THE MANTLES WITH THE APOSTLES, WITH THE PRAYERS THAT YOU SAY, WILL HEAL THE SOUL AND THE BODY, AND THEY WILL BE PUT ON AND TAKEN TO THE WHOLE WORLD. BEACON OF LIGHT WILL REMAIN WITH THREE MANTLES, AND THE PEOPLE, MY CHILDREN, WHO WANT TO TAKE IT HOME, YOU HAVE TO LEAVE YOUR NAME AND BRING AN ORDER, MONTH AND A HALF, AND I WILL TELL YOU THAT THE MANTLES WILL BE BLESSED SOON SO THAT EVERYTHING WILL BE FULFILLED AS I WANT IT TO BE.

My children I love you all and I bless you, but before Me, bless you my God the Father Creator, my God the Son of Love, my Spouse the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. I also tell you to pray much for the Holy Father, the Pope, who has so much pain in his heart because of so many things they are doing to him and want to do to him, and also for my sons the priests; do not look at one priest or two or three who are going astray, ask that they may see the Light again and be saints because they are chosen by God, by your God, to be Apostles on earth, because they are the ones who feed you with the Body and Blood of my Son, therefore I say to you, do not criticise them, do not speak ill of them but weep for them, pray for them, ask for them; only God judges, men cannot judge anything, they are no one to judge anything, only my God, your God, is the one who judges.

Go ahead, my children, do not be afraid, and always ask my Divine Heart and the Divine Heart of my Son to be with you always.

My children, farewell and I love you very, very much, and I want to save you all, farewell, my children, farewell.

Our Mother in Monte Faro de Luz.

We inform you that we continue to pay for the meadow and we need to continue counting on your donations to meet the expenses. We greatly appreciate everyone's effort to make our Mother's Mission a reality. Thank you very much for your collaboration.
