Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

Meditate, my children **NUMBERS** so shall you know my God, your God and become great saints.

Today is a great day, my little son has blessed the mantles on earth, but now, my children, Heaven is full of joy, God the Father, God the Son, God the Holy Spirit, my Spouse and I your Mother, bless you also, these mantles which will serve for the salvation of the body and souls in the whole world. In the world, if you truly pray on these Shrines, the world will be better and you, my children of love of the whole world, you have to do it so that wars, catastrophes, miseries and the power of Hell may go to hell may end; for that you have to be alert and pray, as I told you one and many days, sacrifice, penance and prayer.

My children kiss the ground, **IN THESE MOMENTS ARE BLESSED THE HEAVENLY BLESSINGS** (*here sings a psalm in another language*).

Thus I sing to my God and also to the whole world.

My children, unite in love, be united, all of you of the Beacon of Light, and the whole world; you will defeat the Dragon if the prayer is perfect, that comes from the heart, do not look, my children, at the deceit, the lies, the hatred, do not look, my children, at this lack of love that man has in his heart, who say he is a child of God and then in the end is a child of darkness. I gather you here, my children, so that you may be great in love, because one day soon, I want you to be in Heaven and in the Heavenly and great Abodes that my God, your God, made for all mankind. Do not let yourselves be deceived by the passions of the world, by money, by the flesh, by pride, by lies, by lust. Be perfect men, men of heart; I have told you so many times, Tabernacle, Tabernacle, Tabernacle, Tabernacle, Jesus I love you, Jesus I love you, Jesus I love you, Jesus I love you, that is what you have to carry in your soul, clean, transparent, crystalline, be truly children of Love,

children of Love. Get rid of those things that are sometimes there and hurt, and you have to say: "I follow you my God, I follow you to the end, even if the pain pierces me". Do it, go to the confessional immediately, do not be remorseful, look at the passions in your souls and do not go on there; ask forgiveness from God, my God, your God, for these little things that in the end become big, but you are in time because I and my Son are with you. Beacon of Light they call me, Beacon of Light am I, he who comes to my Light I will always give him the Light.

My children, pray much for the world, for the pride of the world, because Satan is lying in wait for all that is weak and all that is powerful; the powerful and the weak are falling and do you know why? Because of their pride, because of their ego, because of their I, I want to be, I want to be more than you, I want to be God. What a pity, what pain my Heart and the Heart of my Son has when man, created by his God, says these things, to be more than God; but what do men want? That is why, my children, you who are chosen, not here Beacon of Light but of the whole world, I tell you: "pray, be submissive, be humble and love the Church very much, the Church of my Son, the True, Catholic, Apostolic, Roman". When others come to tell you, my children, that they are wrong, "follow us, the true one is ours, the Church is a lie", do not believe them, believe the Gospel of my Son, the Truth, because it is the Truth and the Life.

Keep on walking, my children, in Love, for Love; and now, my children, I tell you, I am going to tell you, two souls who ask me where they are, I, your Mother, tell them that they still have to purge, they still have to do family masses, and that is what I tell you to do many masses for your deceased, so that they may leave Purgatory soon and go to Heaven, I am very sad that many of my children are condemned to Hell for all eternity, that is why I say to you "walk through this world without pride, with nothing bad, but good, because goodness and love go to Heaven, pride and hatred and lust go to Hell".

There is little time left, my children, for very painful events to come, you are already seeing it, everyone says that it is nature, that I do not know what, that I do not know when, I am speaking to you as a mother on earth; No, my children, Heaven did everything right, there must be catastrophes, there must be storms, there must be volcanoes, but what is happening, my children, is not so normal, it is already something of Heaven, so prepare yourselves and be prepared so that one day when my Son of Love appears you will be in good condition and you will be able to give a clean soul; and remember that very soon, soon you will be judged in the Valley of Jehoshaphat, you know where it is right? , In the land of my Son and my land, and I also ask you to pray for

them, for one and for the other.

My children, death is not wanted by my God and your God, but man is like that, and you must pray for an end to these wars and these deaths of the innocent. I ask you, my children, to be clean in truth and prayerful and to do penance, fasting, confession, not for one day, but for many days, if it is possible for you to go to confession for fifteen days, my children. Do the Passion of my Son. I have ordered that the Passion of my Son be made in the Mantos wherever you go, for that is what you too must do, remember the death of my Son, that death so tragic, so painful that only I know it because I also bore all the pain of my Son in my womb.

My children, I love you very much, I love you very much and thank you for being here at this time. I have sung praise to my God the Creator at the moment of blessing the Mantles. I love you, my children, and come to Beacon of Light whenever you can for you will receive graces for your body and soul.

I bid you farewell, my children, but I do not bid you farewell, see you later, I bid you more, for I am with you in the farewell. Goodbye little ones, goodbye son.

My little one, be submissive and obedient before your God and also before men, silence, silence, carry everything in silence, that is the work of Heaven, it is not your work little one, they will understand you, they will not understand you, but remain submissive, obedient until the end.

I bless you my God the Father Creator, my Son Redeemer, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. I love you, my children, keep walking in silence and in love.

Farewell little ones...
