Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

Keep walking in love and for love; come here to my House, Beacon of Light, I give so many graces, save my children, my children who are lost, and those who want to be lost. I am there always when you call me: Mother Beacon of Light, save me, heal me, give me the light and the strength to follow your path, the path of Heaven.

Meditate **ISAIAH**, my children.

Look, you have already entered the time, what time am I talking about, what time am I telling you, the Advent, the time of Love, you have to bring love, you have to imitate my Son, in poverty, in humility; look, today you have had a great gift, but my Son comes crying and I am crying too for all that is happening in the world, that many of my children blame their God for all these disasters on earth. No, my children, no, it is you who bring evil, because of sin; look at my children, many children, my children, my children, seven to sixteen years old, what you call pornography, they are involved, they are already in the flesh, the Devil is with them, and you parents, you have many faults for not educating your children in the Love and Fear of God, my God the Creator, your God the Creator. Keep this in mind, my children, if there are no priestly and religious vocations, it is because they no longer pray, they no longer go to Church, they no longer want that God who loves so much and who is so much with all of you, with the whole world, because they say that God does not exist, you see that the churches are empty, why don't you go to the Tabernacle, my children? You have to go to the Tabernacle, all of you who come to these apparitions, both here and anywhere in the world; you are chosen by God, my God, your God, and you have to give the wisdom, the knowledge and the understanding and the programming of the Gospel yourselves, to take it to the whole world; but if you do not do it in your homes, who is going to leave your homes, what son is going to leave your homes if you do not give an example? That is why my Son weeps, and my Son has poured out His Heavenly Aroma today and all of you who have touched my Son

will have special graces. Tell the world that my Son is alive, that I am alive, that we are here, here and in all the places where I appear and my Son appears, believe it, my children, believe it, today you have had a satisfaction and a graceful thing, how in Heaven they are saying, my God, your God, has manifested Himself to some little ones in His Heavenly Aroma.

Here are some photos of the moment when the carving of Jesus Christ begins to ooze:

Ask my Son for much, take the Path of Holiness, stop criticising each other, stop beating each other up, as the world is being beaten up, don't you see that the men of government talk about peace and then make war, they are making war, like the war in my country, why these deaths, do you believe that my God, your God, wants these deaths? But look, all those who have died, I have said it before, in these circumstances, they are martyrs, martyrs of Heaven, martyrs of the earth, they will be and are in those abodes that my God, your God, has made for all his children. Therefore, my children, ask a lot for wars to end, man is evil in conscience and, do you know why he is evil, because they do not love their God, they lack faith, they lack love and, do you also know something else? that my Son of Love is always with all men in their souls and is always saying "do not do this, this is not good, this is perdition, this is Hell, come to Me who am meek and humble of heart and I am always with you to the end, listen to Me when you go after Satan in lies,

in hatred, in power". No, that is not what my Son wants, our God wants love, penance, sacrifice; now is a precious time to go there to the Church to ask for forgiveness and to put right with your brothers; love one another, that is the commandment of my God, your God, because it is the Commandment of happiness and of Holiness. If you want, my children, to go to Heaven one day, you have to deny yourselves, take up your big or small cross and serve your God with love, and your brothers with love, do not criticise yourselves, do not speak evil, have the Holy Father the Holy Pope in your presence, with the Trinity, my children; stop murmuring and speaking evil, not only about my son the Pope, but about yourselves; sometimes you say "this is not good,.... it is... a little lie", a little thing like something that... that comes out of you to show that you are doing good, but you are criticising, you are speaking badly and Heaven does not accept that.

My children, love one another, love one another, go together, I told you some time ago also to form prayer groups, even if there are three or four of you, unite so that you may save the world with other groups in the world; the world is here to be saved by those who love the truth, those who love the Gospel, therefore, my children, I tell you that I, your Mother Mary, Beacon of Light, give thanks. Look into my eyes and ask me: "Mother I love you, Mother make me holy, Mother take me to Jesus, take me to the Tabernacle and may I be a Tabernacle in my soul so that the Trinity may always be in my heart, Mother take me to your side and do not forget me that although I am a sinner You know that I love You, take me to your Son Jesus because He who gives life, He who saves and He who gives us Love" Stop this nonsense, my children, I am speaking as a Mother, as if I were here with you on earth; I am a woman, I am a Mother and I loved my Son so much that I love you too, and you must love each other, stop it, my children, with these vain things; say, do what you want, my children, but do it well, do it well, and love is repaid with love.

If you only knew how happy the saints are, how they sing Alleluia, how they sing to their Lord, those who have believed, have loved and have had faith are enjoying the Glories forever; woe to those, my children, who go to Hell! I showed my son Hell a few days ago, it is sudden deaths, always dying, always suffering, above all never having the visibility of seeing their Creator, my God, your Creator, that agony is pain, it is, my children, what can I tell you. Go to Heaven, all of you, say today: "Mother, I want you to take me to Heaven, make me good, make me holy and take away everything that hinders me". My children, this is what I come to tell you today, to love one another as my Son and I love you.

Ask much that there may be no wars in the world, that all the conflicts that man, who is evil at

heart, is bringing to the earth, the evil rottenness of evil deeds to agonise and kill the innocent, may end.

I love and cherish you, my children. And now I give you my blessing, but as always my God the Father Creator, my Son Redeemer, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light. Beacon of Light, Beacon of Light.

Farewell my little ones, farewell my children, farewell....
