Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

Meditate on **DANIEL**, my children, so that you may know your Creator, my God, your God, more and more each day.

The world was in darkness when my Son came into the world; how few were those who carried their little sheep; they saw that great Light and went to adore my Son, your God. What sorrow, what pain my Heart felt! But afterwards I also had great joy, because my Son, God, came into the world to save it. Time went by and the world was not leaving its sins; my Son was growing, He chose those Apostles, who are you today, my children, apostles of the Gospel of my Son, that you have to proclaim to the whole world, today it needs it more than ever, do not be silent, do not forget that you owe your life to your Creator, my Creator and Lord. He chose these Apostles, men like you, my children, ignorant but loving.

The time came to crucify him, another pain to my Heart, the man despised his God, and so he continued until his death: "Father forgive them for they know not what they do, but I have come to save the world". And the world did not recognize Him, and today, my children, they do not recognize Him either, the miseries of Satan that enter the hearts of men do not allow men to be happy. That is why I am here, I am everywhere in the world where I appear and I say the same thing: pray, pray, convert, love one another, do the penances I command you, fast, how little one fasts anymore! And in the convents themselves, my children, they are doing what I am saying now; how few make sacrifices, how few make the prayer that comes from the heart and soul, how few there are in the world who love my Son.

Man destroys and wants to destroy his God, but they will not succeed, because I have already said so many times, the Heart of my Son and my Heart will reign in the whole world, and it will be so; but be careful, my children, you have to go through so many things the children of the Light,

because the children of the Devil those live in agony in their lives, but with pleasures and tastes, with drunkenness, hatred, lies, they are poor men who do not want to understand the Wisdom and the Power of the Love of their Creator in their souls.

You, my children, keep on fighting, especially for Beacon of Light, Beacon of Light, I already said it would be great and it is being great, even if you don't see so many people around my House, but the world already knows who Beacon of Light is; they are working in the world in Beacon of Light, at least they pray, they pray for all mankind. What I want and what I say is that you also pray for all humanity, for the conversion of your brothers, for your conversion, for your children. The world is a total failure because they do not have their God, because they have their backs to their God, and a man cannot be happy without the Love of God.

"Lord, have mercy on me and on all my brothers and sisters in the world" There are wars and wars, and more to come. Ask much, today especially for the two Koreas, I already told you; and look, in 2035, I told you years ago, there will be something very special in the world, the vassals and those who are not of God will be and want to take over the world, so ask much that Spain, Europe and the world be faithful to their God, that they fall on their knees and ask for forgiveness, because without forgiveness there can be no peace or love.

My children be careful because Satan is lying in wait for man, for you, for all mankind, because it is his time, he is taking hold of many of my children who used to love me and loved their God and have fallen back, because of what I told you at the beginning, pride, drunkenness, hatred, lies, deceit and prostitution. My children, you who come to this House, my House, your House, be, as I would say to you, my children, always looking to Heaven, and looking and asking your Creator to save you from the Devil, because many, many millions do not believe in the Devil, because he has them in his power to do everything that they do not have to do.

Be good, my children, and pray a lot. How many times, and today I tell you: Tabernacle, Tabernacle, Tabernacle, go to the churches, fill the churches, go to my Son, even if it takes ten minutes or five minutes, but go and visit Him, so that He may give you life, give you what you have to communicate with each other to go all together to that Kingdom that has always been made for you to enter the Heavenly Abodes one day. But you have to pray, pray, confess, go to mass, many of you do not go to mass on Sundays and it is the Lord's day, it is His day; go, my children, go running, running, asking your God, my God, to help you to lead a holy, balanced, loving life;

charity, union, fraternity.

Love your priests very much, my children, because many of them are alone and are criticized by yourselves, criticized by the world; and know that they are also men like all of you, weakness, sins, my children, but that is what prayer is for, so that the Lord, my God, your God may take away all their evil so that good may come. Help them, love them, welcome them; and especially your Pope who is criticized, who is criticized, who man does not stop judging and saying that he is evil, that he is the Devil, as many say, he is a communist, he is a communist, he is a communist, he is a communist, he is evil. You Christians, Catholics, apostolic, Roman, you have to ask for him, ask a lot because, as I have said so many times, it is the Trinity who came, chose your Pope, you are no one to criticize anyone, do not criticize because what you do on earth will be told to you in Heaven, also what you have done, the good and the evil.

My children, keep on walking, it is a new year, a year in which you have to say: "Lord, I want to change my life, I want to be someone else, I want to get rid of those crazy things that sometimes I have in my head and that I do not want to do anymore; I want to follow you, I want to love you, I want to be by your side, I want to be that son who sometimes abandoned you, but now this year I come to tell you: "Father, forgive me for all that I have done, forgive me for all that I have done, forgive me for all that I have done, forgive me for all that I have done, forgive me for all that I have done and do not do: Father forgive me for all that I did, now I no longer want to do it, now I want to be in Your Arms so that one day You may take me to those Abodes that You have prepared for my heart, to be faithful always to eternity and sing the Alleluia and praise with the Heavens and in the Saints and in the Angels." My children, this is what you have to ask of Him, change your life, be more good, more charitable, more helpful to others, to those who are close to you, and do not hurt or harm anyone without love, love and love.

I love you as much, my children, as my Son. I am here today with my Child, today my Child, the little Child, is with you, even though His name, even though He is God, He is here today blessing you and your children and your families. Now, my children, I bid you farewell, but first, the blessing of my God the Father Almighty, my Son of Love and the Holy Spirit, my Sanctifying Spouse and I your Mother Miriam Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. Be faithful to your God, my children, for without Him you cannot walk, you will only walk on dark paths, and I want you to be saved so that one day you may celebrate in Heaven with the Saints and with your God, my God, my God, my Son of Love, the Holy Spirit, my Spouse.

My children, I bless you too.

Farewell little ones, farewell my children, farewell my children....
