

02nd March 2024

Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

Meditate, my children, on my son **JOHN**, do it, my children, I always tell you, open the Bible, the Gospels, when it is your turn, and you will know your God, that God of Love, of Hope, of Charity, of Truth and Justice.

My Heart is sad, very sad, my children, they do not stop bullying my favourite son on earth, the Pope. Why are men like this? Why do men not realise that they are sinners? How wrong it is for them to criticise one another without having to criticise, because only my God, your God, is the one who judges, woe to those who do not ask forgiveness for these causes, they will not go to Heaven. My children, no one judges anyone but your God, my God and Lord.

On this evening, my children, for the world, I want you to pray a lot, because men want war, I have been saying for years, nuclear wars, but this is going to be stronger if you do not pray, my children. What you do not want, death, is coming. Man does not pray, man is far from God, and Christ Lives, Christ is on earth, Christ, my Son, manifests Himself every second to men, but men have closed their hearts and do not want to see Christ, my Son of Love, of Hope, of Charity, what are you doing, my children, why do you not go, as I have said so many times, to the Tabernacle? Nail yourselves to your knees and ask that these things that are happening not happen; and they are going to happen more, more, worse, worse, worse; oh how I suffer, oh my Heart full of thorns that no one comes to remove even one of them! They do not remember that their Mother is attentive to all and wants good for all. I am, with my Son, the salvation of mankind; our Hearts will triumph and man knows it; but I told you some time ago that eighty-five percent of mankind, who call themselves catholic, apostolic, Roman, do not practice the faith of their God. Oh, my children! Meditate on this, do not be routine, "now yes, tomorrow no, the day after yes, the day after no". You must be warriors, strong in prayer, strong in love, strong in charity. It is time for penance, but, my children, it is not only penance, now it is your whole life; put on your sackcloth and do

those penances, what you do not like, my children, what you like; everything that comes out of there, out of your hearts, be a praise to your God; And love yourselves, love yourselves; that is penance, love, because love is repaid with love and your God, my God, always, even though you are sinners, He is always calling you to your souls so that you can get down on your knees and ask for forgiveness, so that one day you will be saints. He said it, my Son: "be holy as your Heavenly Father is holy" But, I have said it so many times, many of my children say it: how can I be holy if I am not John the Baptist, Rose of Lima, or St. Francis, as you call him; you are the same, the same, because you are created by the same God, and God, my God, your God, wants you to be holy.

Take away your pride, your ego, that "I" that you carry in your entrails that does not let you; take away those vain things of the world. You do all that you like and there is the Devil, you have to defeat the Devil with humility, with charity and love; so many things you can do on earth with your brothers, your parents, your friends; so many things you can do! Christ lives, my Son lives, go to Him and draw strength from Him; leave the things of the world and seek the things of Heaven. The things of Heaven are humility and perseverance; pray more, your machine gun is the Rosary; today the Rosary is the one that will save you, because I take those Rosaries in my Heart and place them in the hands of my Son to take them to the Father and He blesses you all and there you will enter into humility.

Strengthen yourselves, my children, by taking my Son every day in his Body and Blood so that you may have life. I am Beacon of Light, I have come to this earth with the name Beacon of Light, for I give Light and all who come to My Light I will save, so that one day they may enjoy the Heaven of those Abodes that my God, your God, created forever, to be in Heaven rejoicing and singing as you sing on earth, Alleluia, Alleluia, God is my Creator, my Father and Lord, blessed and praised be He forever.

Make a Tabernacle in your souls so that my Son may always be within, not only my Son when you take the Eucharist, it is the total Trinity, even I am with all of you when you take the Body and Blood of my Son; do this, my children, be charitable, loving, and be happy in this that I tell you, as God nothing, God always, Blessed and praised be He.

And I tell you, my children, as I said at the beginning, do not criticise the Pope, love him, love him. My children, ask forgiveness for those who slander the Pope, especially my sons the priests;

many of my sons are mistaken and their ministry is not carried out well, I say this to you, my children, who are aware of everything that is happening in the world. I want you to pray, to ask, to sacrifice yourselves for my favourite son the Pope.

I love you very much, my children, I am here and always waiting for you with open arms to give you my Blessing. I am the Light that carries you in my Heart and in your hearts. And now, my children, I give you the Blessing, but as always, my God the Father Creator, my Son Saviour, the Holy Spirit my Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light.

My Son Christ Lives, follow Him, my children, He is always with you all, with all mankind, and say to Him: "Praised be forever my Lord, Glory to Thee Lord, Glory to Thee Lord, Glory to Thee Lord, Glory to Thee Lord".

Farewell little ones, farewell my children, farewell children....

Our Mother in Monte Faro de Luz.

Account Details for Donations

We inform you that we continue to pay for the meadow and we need to continue counting on your donations to meet the expenses. We greatly appreciate everyone's effort to make our Mother's Mission a reality. Thank you very much for your collaboration.
