

holy, my children, seek humility, remove yourselves from the abuse of that evil which attracts so much, because the Devil is cunning, my children, and he wants to defeat you, the good of heart, the Church, my children of the Church, cardinals, bishops, priests. He is getting in like a cockroach that goes after his own thing, to power and to take away that which hinders him, he is the giver of evil and many of my children seek this evil because of their whims, even because of their fears, because they do not want faith, they do not want their God, they turn their backs on their God; and families are destroyed because of this, because God, my Son of Love, my God of Love, does not enter into their hearts, that is why there are wars, there is this pride that man brings, it is war, the disorders, the hatreds, the lies, the pleasures, the flesh, the drunkenness, the hatreds. You, my children, are here to ask for all that, because I bring you here so that you may become holy, humble, simple and also worshippers of my Son in the Tabernacle.

We need victim souls, but how few there are in the world, the world is routine, today the world, many of my children who call themselves Christians, Catholics, are routine, as I said in the last message, they go to mass, but they don't know what the Holy Mass is, they go just to go, Sunday, for a while, and many times they leave as if nothing happened. There, my children, is the Divinity, the Divinity, the Love of Loves, the Love that saves man, that saves man; But of course, you have to go with faith, you have to know what you are doing" "I come here Jesus to nail myself on my knees, or standing if you cannot kneel, to tell you, give me that love that I need, give me the Light that illuminates my whole soul, take away all my defects, my God give me the strength to always say yes, and I will remove all the selfishness and all the ego and the pride that my heart has".

That, my children, you really have to go and tell your God, my God, that I love you, come to me, do not leave me, save me. Because, my children, I have told you so many times, seventy, one hundred years is nothing for all Eternity. Either in Heaven or in Hell. Love one another, my children, love one another; I come here to give you my Messages so that you may meditate on them and love one another as my Son and I love you; we bless you all, every day, we are with you every day, I have already told you that each of you when he or she says Beacon of Light come to me, I will be with him or her; therefore, my children, I want you to come to these holy places, here or anywhere in the world. But best of all, my children, the Holy Mass; Tabernacle, Tabernacle, Tabernacle. And ask much for what I said at the beginning, for those evil men who want war, who want slaughter, who want martyrs, who want to destroy the world for their whims, their wealth and their gold. Ask much that there may be no wars; but that is already near, near, because the world does not agree, and they are with those nuclear, with those bombs, with those killings... Woe

to my innocent children, and woe to those who make this horror to the world.

Pray much, my children, for the enemies, for those who do evil, may my God, your God, have mercy on all. And you, my little ones, keep on praying always, praying, sacrificing yourselves; and ask my God, your God: "I want the resurrection of your Love, I want the resurrection of Heaven, I want, Lord, that you do not go away and that you welcome me in your arms always".

Be good, my children, for my blessings and the blessings of my Son, your God, we are giving them to you every second of your lives, as long as you come into our Hearts. Be charitable, be honourable, love your families, love your children, love your parents, love your parents love your children, love yourselves and always reject the blackness and evil of the Devil, because the Devil, as I have always said, enters through the senses, then goes to the soul and the soul spoils it and makes it black; that is why I want all of you, those who are here and those who will come because many will come, to be saved by the Immaculate Heart of my Son and the Immaculate Heart of my Heart.

Continue to walk in love and for love; continue, my children. I want, that soon the feast of the second anniversary of my Immaculate Heart in this precinct, in Faro de Luz, on the first Saturday of July, remember, remember, on that day I will give you many graces, my Son and I, your Mother.

Now, my children, I bless you, but first as always, my God the Father Creator, my Son Redeemer, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. You are all blessed, go in peace, my children, and take the Gospel of my Son to the world, do not hide it, speak of my Son, my Son is on earth, he is with you, he is your God and your love, listen to him. And meditate on the Gospels and on my Son's word of Love.

Farewell my little ones, farewell my children, farewell my little ones, farewell.
