*Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]*

---

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

Meditate on **MARK**, my children, so you will know your God, my Lord.

How beautiful to be here with you all, my children, you are removing a thorn from my heart. Why do I say this, my children? Because the world is dedicated to sacrileges, lies, hatred, crimes, mockery. My Son is not loved, and I am cornered with Him too. Why, if we are your loves? My Heart loves you so much, and the Heart of my Son too. What are you doing, my children, what are you doing? Anything goes, and as I have told you so many times, sin is virtue; don't you, my children, understand this? Why does man strive to sin, sin, sin, and sin, destroy, destroy, destroy; why does he not dedicate himself to love?

You, like so many of my children of the world who go to these apparitions where I appear, my children, hold your heads high. Because you do know how to love, you have hope, you have joy, you have love, because my God, your God, transmits this love in your hearts. You cannot be evil, my children, although you are sinners.

But the wickedness that reigns in the world today is the worst of the worst, worse than Sodom and Gomorrah. The world is mad and is going to Hell. Satan has taken it and will not let go; and they, my little children, do not want to come out of that abyss, out of that hatred, because they are in that which you call happiness. What happiness is self, ego, having and possessing?

Happiness comes from the soul, the soul has to be pure, pure, because that is how you will enter the kingdom of heaven. The door is narrow, of course it is, but if you know how to walk through it, it will be wide to enter the Kingdom of Heaven.

My children, take care of your children and take care of yourselves too. How many times, not

many, but once again, the gadgets you have are very good for doing good, but they are destroying the family. Leave those embarrassments and those things that do not reach Heaven, look for the Treasure of Heaven. Those gadgets you have are not the way to Heaven. Families are being destroyed by them, and they don't want to understand it, but it is true.

Seek the Tabernacle, when you go to church go to the Tabernacle, to your God, and talk to Him: 'Lord, give me strength and faith to understand what I don't understand; give me strength and faith to be better every day. Lord, do not go away from me, I want to be with You, because I know that one day, forty, eighty or a hundred years, You will call me, and what will I be, that in those moments when You call me, will I have deserved Heaven? Look for that, go to church, to the church of my Son; fill it, pray a lot, ask a lot.

Strengthen yourselves, sacrifice, penance, that is no longer worn, as the Christian says, my children, why am I going to do penance, what good is it to me? I told you one day that if you like an apple, if you want it, give it up. That is penance, not whippings, which you also deserve, because my Son died for all of you. They dragged Him, they took Him to that Cross of love and pain, and at the end: 'Father, forgive them for they know not what they do'. And the world goes on and on, hatreds, wars, lies; they say they are signing peace and what they are signing is war.

Hates, hates, man has hates, because they want to be gods, to have and to possess; 'if I have, what do I care about him who is next to me, who is in anguish and dying of hunger, sickness, but I have, and as I have, I don't care about him'. What a pity!

My children, your Creator made you good, why don't you bring kindness and affection to other brothers and sisters?

How many sacrileges have been committed these days of the Birth of my Son, how many! How many sins of the flesh, how many sins of hatred, of family, of lies have been committed! But I am here giving these catecheses so that you may walk in your hearts in the Gospel, to teach the one who is on the other side that my Son and I are on earth with all of you.

Ask much for holy priests, for vocations, ask much for families to pray the rosary as a family again. Pray much for those who take drugs, who lead a bad, bad life.

Because look, my God, your God, gives everything for free, do the same, give for free. For the day will come when all the opulence and all that is in the world, many of my children will have nothing, everything will be taken away from them. Also many who are in opulence, may soon be like the one who is begging for alms at the door of a church or anywhere else.

Do not be overbearing, my children, let go of ego and self, show obedience, seek love in your hearts, and say to your God: 'Father, You created me, I want to find You, I want to live in You and die in You, take from me all that hinders me, and give me Your love. For You are my God, my Father, my all. I want to go one day to the Abodes that You made for all Your children. I want to follow You to the end, take from me all that is evil in my body, and give me that Love that You know how to give, and increase my faith. For without faith I cannot live. I love You so much, Lord, I love You so much, Lord, that I am here and there telling You, I want the narrow gate, because at the end I will be in those Abodes that You made for all Your creatures'.

My children, seek the aroma of your God, may your soul be transparent, pure; do not argue with one another, do not raise your voices, no; love one another truly. In love is Heaven, without love is Hell; do not quarrel, do not quarrel; be good children of your Creator God, my Creator God. And so it is.

I tell you, my children, too, that you will see so many things, as I have told you so many times before: earthquakes, overflowing waters, deaths, famine, fire, pestilence. But do not be afraid, my children, for all who are within my Heart and in the Heart of my Son, nothing will happen to them, nothing will happen to them because our Hearts will defend our little children.

So continue to walk with the name of my Son in your hearts, and do not be afraid to carry the Word of my Son to the world. But do not be routine, do not be routine, know that the lukewarm do not enter Heaven. You must be strong, warriors, kind, loving, strong. And get rid of everything that hinders you at once; and promise this New Year everything that hinders you.

Say to your Father God, my Father God: 'This is over, I want You, I want You, I follow You, I love You, I adore You. Come, give it to me Lord, so that I may fulfil this promise I am making to you in this new year'.

And now, my children, I bless you. But as always, God the Father Creator, my Son Redeemer, the

Holy Spirit my Sanctifying Spouse. And I your Mother Miriam. Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light.

Go, my children, in peace, I will always carry you under my mantle.

All is blessed. And take candles to light up my Son of Love and my Heart in your homes.

Farewell my little ones, farewell, my children, farewell, farewell.

‘Thank you Mother, all this that is happening in the world, as I see You reflecting so many deaths, so many crimes, so much hatred’ Yes, my son, you will see so many things, but the one who is strong will bear the glory in his soul. Be faithful to your God, my son. ‘Yes, Mother.’
