*Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]*

My little ones, my children, may you have peace in your hearts and the light of my Light in your souls.

I repeat to you once more, humanity, be alert, humanity, be alert, humanity, be alert!

My children, very difficult events are coming for all my children in the world; but do not fear, because nothing will happen to anyone who is in the grace of my Son, of their God. Sin has reached the deepest part of the Divinity, of my God, your God. How much He loves you! How much He adores you! How much Mercy my God, your God, has for all of you! But man is turning his back on his God, because of vices, pride, hatred, lies, having and possessing. Poor children of mine! Why do they not reflect and choose good and not evil?

Meditate on **JOHN**, on my son JOHN this month, so you will know, as I always tell you, more about your God, my God.

How happy I am when I see you here and in other parts of the world praying with Me the perfect prayer of my Heart, the Rosary. What joy my Heart has! But I also cry because so many men who are also my children destroy their souls with vices, miseries, rottenness, and go into darkness. That is why I bring you here, my children, you, as in so many places in the world, to pray with Me for the conversion of the world. Events are approaching, I have been saying it for a long time, but as I also tell you, you, my children, have nothing to fear; however, you must set an example in your homes, husbands, wives, children, grandchildren, you must love your God very much. Leave quarrels, resentments, and anger, that is useless, the Devil gets in there and it is very difficult for him to leave, because if they are not in agreement in love, darkness enters, the infernal serpent that destroys and wants to destroy the Cross of my Son and all my children. Do you not see, my children, how the world is? They are killing for the sake of killing, and especially Christians, and there is no talk of Christians, hundreds of them die every day, martyrs of the love of my Son, martyrs of the Cross. How well they knew how to do it and they do it: "I don't care about the world

if You are with me, Lord. What is the world worth, Lord, if all that is valuable in the world is You?

Strengthen yourselves with the Love of my Son; how many times I have told you, even a daughter of mine has put it on the image of the Crucified One, of my Son, Tabernacle, Tabernacle, Tabernacle. Go to the Tabernacle, my children, where there is Light, where there is Truth, where there is Love, where there is healing. Many say, many children, that they fall into depression. Today I am going to say it, my children, no, go to the Tabernacle when you are feeling bad, my Son will heal you of depressions. If a man or woman falls into depression, it is because the Devil wants that to withdraw them from their Lord. That is why you must be strong; and I told you at the beginning to have will, strength, and Tabernacle, the Tabernacle is not mistaken, Divinity is there. He does not confuse anyone, He gives hope, love, the project of their soul. That is why you must be more cunning than the Devil; trample him. When you have and temptations come, acclaim Heaven, my God the Father, my Son of Love, the Holy Spirit, my Spouse, and my Immaculate Heart. We will always be with you, the Serpent will do nothing in your hearts if you have faith. It is a matter of faith: "I believe, I love You, I adore You, because You are my Creator, my Lord, my Hope and my Savior."

Lighthouse of Light they call me, Lighthouse of Light I am, I give Light to whoever comes to Me, to all of you, to all your families and to all your hearts. Ask me, bring the water, do not forget to bring the water to your families, to the sick; so many healings have already happened. My son knows it well, my son knows well that many souls have been healed in Lighthouse of Light. That stream you see, which dries up in summer, but then the water springs up again, the water comes and it is blessed, because I have blessed it a long time ago; and this water saves many of my children, body or soul.

Come to this place, my children, because I give you light, strength, to always carry my Heart in your souls. And yes, make a Tabernacle in your clean souls so that my Son may dwell in all of you until the end of your days. Confess often, go to church, fill the churches, my children, for they are emptying because man is turning his back on his God: "Who is this God, I have not seen Him? Prove it to me. What does this Lord do, if He is not with the poor, He only does evil in souls." My poor little ones, how ignorant, how little faith! If they had a little faith, they would say so many things, and do so many things; and they would be content seeing what they do not see. To you I say, ask for faith every day, every day: "increase my faith so that I may be nothing, a tiny one to follow your path, so that one day, as You tell us, You have prepared the Heavenly Mansions

forever.

If you knew, my children, the beauty that Heaven is, what happiness! There will be no sorrows, no resentments, no hatred; there is love, always blessing my Lord, your Lord, even saying: "thank you, Father, for remembering me, and for me to one day realize that You were with me. I left everything to follow You, to be a true child, a child of love, a holy child." That is what you must carry forward, make yourselves holy as your Heavenly Father is holy. Do not look, as I have so often said, at Rose of Lima, Saint Francis of Assisi, Saint Clare, Saint Pio of Pietrelcina. Do not look at these Saints who are true Saints, pure and delicate, you too can be saints by fulfilling the will of your God. These other saints have fulfilled the will. But, of course, there are times when being good terrifies you, because malice and corruption exist in your souls, and instead of my God Lord entering your souls, the Devil comes to take away your peace. Therefore, be strong, warriors, and always be brave; when temptation comes, come, come to the Creator Father, to the Son, my Son of love, to the Holy Spirit, my Sanctifier spouse, and to my Immaculate Heart to embrace you all and take you one day to the Heavenly Mansions. Thus I want, my children, that you fulfill the Commandments of your God, my God.

And now I bless you. I love you very much, and I also ask you that at the end, after the hymn of my Heart, you sing that song to the Heart of my Son: "owner of my life, life of my love, open the wound of your Heart" I bless you, my children, but, as always, my God Father Creator, my Son of Love, the Sanctifying Holy Spirit, and I your Mother Miriam, Mary, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light.

Do not forget, my children, to pray for the Pope, for the Pope; do it, for the priests, for the bishops, the cardinals, for the entire Church, missionaries, martyrs, religious and that there be priestly and religious vocations.

Goodbye, my little ones, goodbye, my children, goodbye, children...
