Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]

The visionary speaks with our Mother:

Thank you, Mother, for all you give us; all are your children, listen to them, strengthen them and give light to all who have come here and to those who could not come; thank you, Most Holy Mother.

Our Mother begins Her Message

My little ones, my children, may you have peace in your hearts and the light of my Light in your souls. Thank you for being here with Me. How much love you have for me, my children! And I am very grateful because I am your Mother, and I know that you, my children, come to ask me for so many things you have in your hearts, so many sorrows, so many delusions, so many promises that sometimes are not fulfilled. But today I am going to give you, my children, a special gift, ask me, ask me and I will console you and give you all that you ask of me if it is for the good of your souls.

Thank you, Portuguese, my children. Fatima, Heart of Mary, Lighthouse of Light, and so many, many of my children who love me. I bless you all, my children, not only you but your families, all humanity. And I want to give you a very special gift also for all of you who are here, I am taking souls from Purgatory from your families, all families. My children, ask much, pray much to my Divine Heart, so that I may place these beautiful prayers you make into the arms of my Father, your Father, so that He may act according to His will in all of you.

Walk the stony path of the cross, of penance. How many times have I said it! If the world wants to reach Heaven, it must take up its cross, deny itself, and carry it with love. Do not be sorrowful, sorrows are from the devil, you must be joyful, sing, sing to your God and to my Immaculate Heart. Let the world see that you, my children, are the Light; do not be in darkness. How many times have I said it, and I repeat it again! Do not judge anyone, forgive each other once and for all; grudges do not go to Heaven, my children, those words that are spoken badly reach Heaven, but they are reproached, your God, my God, wants purity, if there is no purity in your hearts, you

cannot attain Heaven. Leave these things that are worth nothing, the world is worth nothing, what is worth is Heaven, if you are here it is to save yourselves with the cross. No grudges, no anger, no insults; love each other truly as my Son loved you and loves you. Imitate the saints, the saints were like you on earth, men and women, but they carried their cross of love. The silence, the depth of the Cross, of pain, and my God, their God. From God, Heaven, because they knew how to carry that Cross, great or small.

Enter through the narrow gate which is the Way to Heaven, the wide one is of the Devil; there are prostitution, wars, miseries, money, the god money, envy, jealousy; "I don't like this one, and I'm going to do everything possible to make him suffer; the other one who does something to me, I have to do three more things to him." That is not from Heaven, Heaven is love, love, and you must carry love. My children, if you understood what Heaven is like and what Hell and Purgatory are like.

To my son in Rome I gave to see what Heaven is, what Hell is and what Purgatory is. Heaven is all Eternity of love, praising your Creator, my Creator, the one who created you. There Hallelujah is sung, as you sing on earth, it is a paradise that you cannot imagine, but it is the best of the best.

Hell is pain, death and desolation; sobs and every day, every day, they kill each other, and they are alive and dead, but the worst thing that those souls who go to Hell have is never being able to see their Creator, their God; therefore, my children, I want the conversion of all of you and of the whole world.

Preach the Gospel, my children, the Word of my Son; leave these things of ups and downs and strange things that you have in the world and in your hearts; give love because if you give love, your Creator will give you a hundredfold.

This is Lighthouse of Light, I am Lighthouse of Light. Once again I come to you, to congratulate you on the day of my Heart, because I know that all of you love me. But that you leave here loving everyone else, even if it pierces your heart, even if they stab you with knives; forgive, forgive, my children. If my Son came into the world to die for all of you on a Cross, which He did not deserve, who gave Himself to death to save all humanity, are we not going to give anything to that God who died to save us and go one day to the Kingdom of Heaven?

Think about it, my children, life ends, what are forty, eighty, ninety, one hundred years if then you are going to be judged by what you have done in the world, good and evil. I come and appear throughout the world, as I always tell you, to save you, to save you, to tell you: "come to Me and to my Son so that We, at the end of your days, may take you to the House of my Father, your Father, for all Eternity."

Love each other, truly love each other; be faithful to one another; do not have, as I told you at the beginning, grudges. And I am going to tell you one thing: I want a House here so that one day not far off you may come to stay overnight, to be with my Son and with Me. Then the Church, and I will tell you later. Support this event that you are going to have; all this that is here is yours, it is yours, where I appear belongs to everyone, my children, to everyone. Help one another.

Start now to do what I tell you; be warriors, true warriors. Lay true foundations; and love each other, do not argue with each other, but give your heart to one another; love is repaid with love. I come from Heaven, as I am here alive and I am covering you all with my Mantle. May you be holy as your Heavenly Father is Holy.

Strengthen yourselves in Love; Tabernacle, Tabernacle, Tabernacle; go to church, confess more often to be in the grace of my Son; of the Love of Loves, who gives life, who gives Love. Stop with the nonsense, my children, as you say on earth; be sincere with one another, and ask for forgiveness, ask for forgiveness, even if the pain pierces you, even if you cannot see that person who has hurt you. Your God, my God, says: "if you do not forgive, neither will my God, your God, forgive you."

My children, make the perfect prayer, get up with the Hail Mary and finish: "I adore you my God, here I am, may Your will be done and fulfilled always and everywhere."

Juan, little Portuguese, your family is already in a great place. But all of you must pray and ask for all of you, for all the dying. Look at how the world is, wars, hatreds, resentments, evils; the bad right of the flesh that my God, your God, hates so much. The world is dethroned by the sins of the world, Satan is very close to destroying humanity, but if you pray, you are truly with a truly peaceful heart. My Lord, your God, will appease all that He has planned for humanity. My children, there is only one path for the salvation of the world, penance, prayer, sacrifice and communion with my Son of Love.

Thank you, my children, and I bless all that you bring, thank you because you are truly my children; you come at my call, and wherever you are and pronounce Lighthouse of Light, I will be with you.

I love you, my children, and think, the Little House and the Church that all of you who come to Lighthouse of Light must build, because everything is yours, here no one takes anything, it is yours, because you do everything possible for everything to be done and fulfilled. God gives everything for free, you also give it for free.

I love you very much, I bid you farewell, my children, with a big kiss for all of you, for all your families, for those who could not come and for the whole world; but first, as always, my God the Creator Father blesses you, my Son of Love, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light. Think, my children, that you have the understanding to do good or evil; go on the good path, on the good path, on the path of Salvation. Be strong, trample Satan when temptation comes; and think in those moments that My Son and I are with you to defeat the Devil.

My children, go in peace, and pray much also for the Pope, this good Pope who has come to earth is with you; he is holy, and when I say it, it is the truth, they will criticize him, they are already criticizing him. But I am with Him; and pray much for the Church, for your Church, the Church of My Son, for all the priests of the world so that they may carry out their Ministry as they should and not be lazy, many of them are lazy, but you with your prayer will save many of them, that is why I want you to always, always pray the rosary that I like so much.

Goodbye, little ones, goodbye, my children, goodbye, little ones.
