Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]

My little ones, my children, peace be in your hearts and the light of My Light in your souls.

Keep meditating, my children, on **LUCAS**, on my little LUCAS, so you will know your God, My God, more each day.

I am very happy, the Saints of Heaven and earth praise God, yet I am also sad for those children who do not listen to their God, who are turning their backs on Him because of joy, misery, the dethroning of their souls, the ego, that "I" they carry inside, which they do not want to let go because they do not believe in that Creator God who once made them.

My children, you must rejoice in God, you must seek God, fill the Temples. Why do you stop going to the Temple? No, you must be faithful, if you want to seek Heaven you have to say "Lord, let Your will be done. Here I am, Lord, You created me and I am Your child. What must I do, Lord?" How easy it is to say this, but of course where are those children who love their God and Me? Where are they? So few there are, but you are the salt of the earth and since you come here, to Lighthouse of Light, as in other places in the world, I always say the same: penance, fasting, prayer. Do this and you can make a better world and bring others back to the fold. If you do not do this, my children, what will happen in the world and what is happening in the world? The abandonment of that beautiful God, so charitable, so merciful that you have.

Oh, my children, if you only knew what Heaven and Hell are! But of course, the understanding given to you by My Lord, your God, so you act in goodness, not evil, why do you choose evil? Why do you always choose evil? Why don't you do charity? Why don't you unite with one another and always sing Hallelujah? "Here we are, Lord, give us faith, give us faith," but do it like this every day, every hour, "I am nothing without faith, give me faith Lord, You are my God."

Look at how the world is, and you are seeing it, the neglect of man for not seeking his God: wars,

earthquakes, bad things. Hell is on earth because of Satan, who enters through the senses and you do not realize that when he has you, you are nothing. Go to God, seek God.

Fast, I command you, my children, to fast every day if you can, I'm not saying bread and water only, something you like do not take, but on Fridays, not just the first Fridays, every Friday of the year, my Heart tells the world to fast, that is bread and water only. Do it, my children, because this way other brothers will come to the fold of my God, your God.

What is man without God? Nothing. What good is it to man to have and possess all the gold in the world if they will leave it all behind? What then? What then? I told you recently: the one who stored wheat and kept storing and said, "I will sit in my armchair for three or four years because I have a good harvest," and the Lord, my God, your God, that day said to him "Fool, today I will call you and judge you." Do not be like that, give, give well, but give; do not look at a poor person dying of hunger, one who is thirsty, one who needs help, one who has no home and say "they want it for drunkenness or to do bad things," no, the feeling in the heart is worth more than all the gold in the world. Give it, the Lord, my Lord, your Lord, will know how to do it well, not you who do it badly. My children, keep in mind that this life is eighty, ninety, a hundred years and then Heaven or Hell.

Do not judge anyone, please, my children, I have told you so many times. Do not judge anyone, only your God, my God, judges. Pass through the world doing good, be humble and submissive, strengthen yourselves in love, for love, be good Christians, help one another. And you, my children, truly believe in your God, love Him with all your heart, with your soul, with all your being. He created you and is lord and master of all.

And I am going to tell you, my children. Baptize children, baptize them, make them Christians, Catholics, apostolic, Roman, they will reach Heaven. Those who are not sealed with the seal of Heaven, poor men, poor women, poor! And pray a lot for the children. Today, children twelve years and older already have the Devil inside their bodies, why? Because the world is going through evil and the Devil is in the children and in the adults. That is why you are here, in Lighthouse of Light, as in any place where I appear. Pray for the children, love the children, educate the children in the Christian faith.

And you, every day, be holier. Don't say, as I have told you before, that you cannot be saints like

Francis of Assisi, Rose of Lima, etc., etc. No, you can also be saints, as long as you carry out the will of God and are humble, simple; and say “here I am at the Cross of Christ to one day bring myself to the Mansions He has prepared for me up there in Heaven.”

Keep walking with love. My children, today is a great day in Heaven, on earth, for the saints, but you also have to strive to be saints. Seek humility, with humility everything is achieved. Do not scold, do not argue. Husbands, love your wives; wives, love your husbands; children, love your parents; parents, love your children; but above all in the Church, in the Catholic, apostolic, Roman Church, since we are Catholics, we must act as God tells us. The Commandments, the Commandments of the Law of God, those lead to Heaven. My children, confess more often. Have conversations with the children, with the wives and husbands, let it be a Christian home, let the Cross of my Son rule, which will never fail.

I love you and I too, with my Son, love you to the limit, we want to save you. Look at how the world is, do you see it? It is the Devil who is destroying humanity. But you, my children, must be braver and more warrior-like. Always carry the Cross in your hearts and always preach the word of my Son to the world.

I love you and I want you very much, thank you all, my children, for being here, especially and today, special, for the priest, my son, who has come here to be with you, with Me. I give you a big hug and a big kiss, as a mother gives you with love. And now, my children, as always I bless you, but first my God Father Creator, my Son Redeemer, the Holy Spirit, my Sanctifying Spouse, and I, your Mother Miriam, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light. Love yourselves, my children, love one another, my children, attend Church, go to the Sacrament, there where my Son is, ask Him there, get on your knees or sit down, but say to Him “My Jesus, I adore you, I love you and I come to ask you for what I need, You can give it to me. Lord, here I am to do your will.”

Goodbye my children, goodbye little ones, goodbye children.
