*Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]*

My little ones, my children, peace be in your hearts and the light of my Light in your souls.

Meditate, my children, **SAMUEL**. Do this, so you will know your God, my God, more each day.

My children, you must pray a lot, double your prayer; the henchmen, Satan, is inside the world; and today more than ever they want to destroy the Cross of my Son, they want to destroy the clean and pure hearts, and also all of you. Alert humanity, alert humanity! Go to the Tabernacle, my children. Go to the Temple, kneel deeply and pray for those who do wrong, who are sinning. Sacrileges, abominable sins, that does not enter Heaven, my children. And these demons want to induce you to commit those horrible sins, to destroy your souls.

No, my children, the soul belongs to God, my God, your God, keep it safe. Ask Him for faith every day: "Holy Father, have mercy on me; give me the light and strength so that I may fight the Devil and he does not approach my heart. Give me a pure and clean heart, Lord. Strengthen me truly, and lead me to kiss the Tips of your Feet with pain. You are the one who saves, You are my God, You are my Creator. Where else will I go but to You who are my everything, my life, my breath, my Heaven, my truth, my love?" Tell this, my children, to your God and my God, that will save you from all evil.

When you have temptations, my children, go to the Heart of my Son and to my Heart. Run to the Temples to confess; do not forget confession, my children, which nowadays is forgotten. Everyone says they are good, and I told you a long time ago, eighty-five percent of the world, baptized who call themselves Christians, do not practice, and not practicing is hypocrisy, it is routine, it is nothing. You must truly practice.

That Cross of my Son of Love who dies for all of you and is still dying for those who come and those who will come, for sin, for evil, for misery. Remember, my children, when my Son said to

John: "there you have your Mother, there you have your son." And what do we do? We turn to her. Isn't it true, my children, that you do not turn to her? Isn't it true that you do not remember the Cross? Isn't it true that you only remember drunkenness, hatred, lies, partying, money, power, ego, the self? That way you cannot win heaven, my children. I give you this catechesis, my children, so that you seek Heaven. I have always told you, Holy, Holy, Holy; you must be holy, fight to be holy, because the struggle, not a fierce struggle, the struggle you must make is to have humility, once you have humility you can handle anything, you will be holy; but man does not want that.

Many millions are stubborn in hatred, in wars, in lies: "I am more than you; you mean nothing to me; you are still a slave, I have not reached my power over you and I enslave you and kill you."

How many martyrs, my children, are there each day in the world who only seek the Cross of my Son! How many martyrs! What would you be without martyrs, my children! But man still, the man of God, of God, of his God, of his Creator, does these things, and they die for the Cross. And those are the ones who sustain the Church and you, my children.

That is why you have everything, you have everything, my children, and you complain. How much hunger there is in the world, how much misery; and all of you have food, clothes, house, everything, you lack nothing. Woe to those who have nothing! The Mansions of Heaven are great for them, because they have earned them through pain, misery. Think about that, think about it.

While the world lives a different way: power, having, possessing, there is another world that has misery. My children, you must keep in mind that millions of your brothers die every day from illness, from lack of love, and from not eating.

Seek charity in your hearts, help those in need, look for them; If you come across someone on the street asking for alms for the love of God, don't run away, give them whatever you have; that is charity. Don't worry about what those people will do with the money they receive, whether on drugs or drunkenness. What matters is the charity of your hearts. Let God judge, do not judge yourselves; you are nothing to judge, only your God, my Lord and my God.

Seek the scent of my Heart and the Heart of my Son; we are always with you; come to Us, and We will help you in everything you ask for, if it is for the good of your souls. Be happy and joyful

because whoever has God has nothing to fear. No matter how many sorrows you have, how much pain, God, your God, is always with you. Strengthen yourselves, my children, in the Spirit of my God, your God, He never fails, He is always with you.

Seek and knock, and the doors will be opened, as my Son said in the Gospel, in his Gospel: "come to Me all who are sad, and I will give you joy." Do not be afraid, be strong, my children; you have to be warriors, true warriors, and defend the Cross of my Son, which is the salvation of the world.

Go along the paths; wherever you go, carry the Word of my Son. Do not be afraid, do not be afraid, the Cross is the salvation of man and the world, and they want to throw it away. The Devil is planted very deeply in the world, that is why there are wars, catastrophes, misery, hunger, pain, sorrow. You, my children, seek God. And how will you seek Him, my children? As I told you at the beginning, with humility, with humility: "Lord, here I am to do your will. Father, have mercy on all those who are your children and who are away from You. We, this little flock, like so many in the whole world, are here to pray for them, for our brothers who are confused, who live not a good life, but a disastrous life in sin, in that joy of evil that they say they are fine, that they are the best; and the poor are trapped in Hell here on earth, because of many whims and many desires they have."

My children, I am a Lighthouse of Light, I appear here and all over the world saying the same: "pray and ask for poor sinners for the conversion of the world, ask, ask, do not forget that the only one who can save the world is my Creator, your Creator, my God, your God."

I love you, my children, I care for you. May you have a good year, my children. And all say: "Lord, this year that has started I will be better; I want to get rid of those things that hinder me, I want to give you my heart and my soul; because You, Lord, are my God, my everything, my life. Make me holy, Lord, make me good, Lord, make me, Lord, be a true child of yours. Like the prodigal son who went to spend all he had; but he returned and thought that the only thing worth it was his father."

You, my children, have to think about Heaven, about Heaven. One day, the Heavenly Mansions were made for all of you.

My children, I want to save you all, you who are here and the entire world. But, of course, you

have to promise that you will be holy, good, and honorable.

I love you very much, my children. And, as always, I give you my blessing; but first, my God Father Creator, my Son of Love, the Holy Spirit my Sanctifying Spouse. And I, your Mother Miriam, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light.

Pray a lot for the conversion of the world and your conversion. For that of your children; for the healing of the world, my children. I love you all, I love you.

Goodbye, little ones, goodbye, my children, goodbye...
