Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]

My little ones, my children, peace be in your hearts and the light of my Light in your souls.

Thank you, little ones, for being here at my call, and to those who could not come because of the bad weather you have. Warnings, man does not understand them, warnings, February. Keep in mind, my children, that you are at a very delicate moment; make peace with your God; keep in mind that my God, your God, loves you more than you can love anyone. Love God above all things and also love your neighbor as yourself.

Do you remember, my children, that when my Son was carrying the Cross He was only thinking of all humanity. Do you know that my Son suffered more than anyone in the world for your salvation? Do you know, my children, that my Son came into the world naked and was not recognized? Do you know, my children, that my Son died on the Cross naked, completely naked? He was slapped, pierced with a spear, the crown of thorns. So many abuses to the God of gods, the Author of life, the Beloved and the Dear of His Father, of your God, my God. Why are you attached to the world and the evils of the world, why don't you renounce Satan once and for all?

My children I do not want you to fall into those temptations, and into those sins that in the end you surely cannot get out of, because pleasures, life, money, hatred, lies, war, having more and owning more than your other brothers blind you. Be content, my children, with what God, my God, your God, gives you. My God, your God, gives you everything as a gift, He gives it all to you, even though you have to work; of course, you have to work to have a better life, and that is what my God, your God, wants, but you have to manage it well, the treasures that my God, your God, gives you you have to treasure well, know what you must do with it; not keep hoarding it and hoarding it. How many of your brothers die of hunger, millions; and what do you do? If it pains you and disgusts you sometimes when you see a son of mine, your brother, begging; and asks you for alms for the love of God and you run away turning around, saying: "he wants it for drinking, he wants it for drugs." There lies the work of evil. Do you know that only your God judges? And He gives

you everything.

I speak for the whole world, my children, not only for you, you are my chosen children. Light is a beacon of light for the world, but you are the first; and you have much right to carry my Heart in your hearts. Therefore, my children, pray a lot for those who have nothing, for those who do not eat, those who are naked; do not pass by, give food to the hungry, give drink to the thirsty, give shelter to the pilgrim, give clothes to those who are naked. These are words of my Son. Do you do this, my children of the world, do you do this? While you are warm and have a plate of food and some savings you see none of this. Well look, my children, you do not know the day nor the hour, and everything will stay here. How many times have I told you that the pure and humble go to Heaven? The clothes, the gold, the suits, stay on earth and rot; the soul does not, the soul must go clean and pure to Heaven. To Hell go those miserable ones who only want selfishness for themselves; treasures that are worth nothing, they last a few seconds or days or years, but then there is Eternity. Do you know what Eternity in Heaven is? What are ninety years on earth? Nothing, then the whole life, the whole Eternity, there either suffering or being in the Mansions of your God, my God.

Take the Mansions, take the narrow door; leave the wide one, do not be selfish. You have to remove that ego and seek humility. The other day, a few days ago, I told you in the Little House of the Virgin, my Little House, just like this is my House now, because I am here and this House is already consecrated. Tell him, son Ramón, to whoever gave you the key; thank him on behalf of all Faro de Luz; and this House is already consecrated because my feet are present.

My children, you have to be good, these moments you are here are moments of glory, because you are praying, you are praying and asking for all humanity, for all your brothers. I want you to be more united every day, to save the souls that are lost, who say, "I don't believe in God, I don't love God, who is that God if he gives me nothing and does nothing for me?" Poor things! The Universal Creator, Creator of everything, and they do this to their God. What a pity! How could I not cry, I and my Son, if we come to save the world through the mediation of the Father, my Father, your Mighty Father, and they turn their back on their God, on their God, on their Creator, on their Love.

My children, think carefully, take the narrow path, the narrow gate, because you will come out victorious; leave the wide path, leave the wide path for those who think they have power and have everything and in the end, there is nothing, and in the end, they will be judged by the Creator, my

Creator, your Creator. You, my children, be careful that the Devil does not enter your souls; always reject him, even if you have anguish, sadness, even if you go through a very bad life, but you are here, you are still here to ask for mercy from my Son, from my Heart, to give you comfort.

Do not give up, do not take the wrong paths because life is going badly for you; you know that I and my Son are with you; come and talk to us so that my Heart and the Heart of my Son give you the Light and the Strength that you have to have. I know that some of you, many in the world, millions, suffer one way or another; very bad things have happened, but above all that, have trust in your God, he will never abandon you, he will always be with you. Ask Heaven for mercy.

Tell what you see, my son:

- Where are those two gentlemen going, one to the right and the other to the left, Mother? They are carrying something in their hands. Is it a letter?

- Yes, one is going to one nation and the other to another nation, and they carry mail.

- And, what is it, Mother?

- Look, in peace the world stops, there is a large cross.

- What is that Cross doing in the middle of the road?

- It is the Cross of my Son. That mail goes from Nation to Nation to see if they repent and pray for peace. The letters are exchanged.

- And, what do the letters say, Mother?

- If you do not pray and kneel and ask forgiveness for your sins, war will be here soon, that war I told you about a long time ago, nuclear.

- And, will those leaders see the letter?

Yes, my Heart already knows what they have said, no; some say yes, and others say no. That is why I ask you, the whole world, to pray, to love, to forgive each other, to kneel before Divinity; otherwise soon, very soon, these events will happen. Think, my children, that before that will come viruses, other viruses that will kill; they will enter, I already said it a long time ago, through salts, through fruits and through flour. Keep in mind, my children, I told you that many would die, but I tell you, my children, that on this journey, if it happens, if you do not pray; do not vaccinate yourselves, I tell you, my children, the world, man, wants to kill man and does so with these vaccines that destroy not only the body but also the soul.

That is why, my children, be alert, alert. In the last message I said that the Angels are already prepared to warn the world of the evil it will face. Man does not want to believe. But aren't you

seeing the abundance of water you have in the world, destroying; volcanoes, tsunamis and so many things that you are seeing? These infernal fires, keep this in mind, my children, your Mother tells all your hearts. Follow your God, follow my Son, follow Me, because we are the Comfort of humanity.

Be submissive and humble, obedient; love the Church, love the Pope, love each other; and love yourselves one another. I also told you in the Message to keep your tongues closed, do not judge. Who are you to judge one another, if the only one who can judge is my God, Your God? And the judgment of my God, your God, will be a severe judgment. Woe to those who are in sin, woe to those who die badly, woe to those who do not want to know their God! I tell you this, my children, if you have faith and hope believe it, everything your Mother is telling you.

Keep walking with love for Love, I have told you this so many times. And in the end I tell you, love is repaid with love; and that is what Our Hearts want, my Son's and Mine. Keep loving each other, do not speak more than necessary.

Tabernacle, Tabernacle, Tabernacle, Tabernacle, even for five minutes; step in, go to the Tabernacle, talk to my Son, talk to the Trinity that is in the Tabernacle, who deceives no one. In fact, always love and it will tell you everything you have to do in your lives. So many of you are full of bitterness, pain, and sorrow; leave behind sorrows, bitterness; take joy, take the Heart of my Son and my Heart and you will see how well you will go through life, because we will be with you. Have confidence in our Hearts and you will always be happy, because my Son and I have come, we are saving humanity through our love.

Meditate on ACTS OF THE APOSTLES.

And you, my son, remember the interview you had a few days ago, that priest who came from Mexico, I want Mexico to be full of Lighthouse of Light. Through him, a country will also begin to love, to love me. Pray for him, he is a holy priest, like all my children are holy, my priests, although some do not carry out their ministries as they should; but neither do you, humans or laity as you call yourselves here on earth, carry out what you must carry out, the Commandments of your God.

I love you so much, my children, and I love you so much that I carry you in my Heart. Give thanks

to everyone for everything, to your God who gives you everything. Keep coming to Lighthouse of Light; today it could not be, tomorrow yes, the day after too, but this House, thanks to my little son, you are here with my Son.

I am Lighthouse of Light, and I will always love you, and I love you. And now I tell you as always, my God the Father Creator blesses you, my Son the Redeemer, the Holy Spirit Sanctifier, my Spouse. And I your Mother Miriam, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light. I bless you all. And the candles are blessed, everything you have brought and you are taking with you.

Goodbye, my children, goodbye little ones. Go peacefully, full of joy; if you are sad, do not want sadness; have joy, joy. And always sing the Alleluia, sing to my Heart, sing to my Son, may it fill your heart with Love and Hope.

Goodbye, children, goodbye, little ones...
