Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]

The seer speaks with our Mother:

Lady, bring all your children into your Heart; they have come to ask you for so many things, and I ask you for all of them. You are our mother, may the will of the Father be done always in every place, at every moment. Shelter us with your Mantle and strengthen us. Mother we love you, we cherish you, to You be all honors, give us peace Mother.

Our Mother's Message continues:

My little ones, my children, may you have peace in your hearts and the light of my Light in your souls.

Meditate on **LUKE**, my children, this month, do not fail to read the teachings of the Gospel that my Son gave to his children, so that his children might meditate on them in the world.

One day, not long ago, I said: "Madrid is full of demons". Then in Tenerife I said the same thing: "Tenerife is full of demons". Then I told you: "Spain is dominated by demons". That is why you have done very well to pray to the Guardian Angel of Spain and Portugal. Bear in mind, my children, that all this is brought about by sin; sin comes from the Devil, and the Devil enters through the senses; and the world is deaf and blind, they no longer want their God, they turn their backs on Him, we are seeing it in the churches, my children. I also see it as you do, more than you, twenty people, fifteen, thirty; and on weekdays, few, those twenty or thirty. And on Sundays a little more; because the majority, my children, is routine, they do not go with a clean heart, they do not go feeling their God, because a believing, Catholic, apostolic, Roman Christian has to go every day to Holy Mass to fill themselves with my Son, so that they may have life.

But few are those who go, it is the sorrow I have in my Heart, because I want to save you all, that is why I appear throughout the world, to tell you: "pray and ask for the poor sinners, the conversion of the world; and ask your God, my God, for faith, faith". A man who has no faith is nothing in the world, he only goes to indulge his body, but his soul is empty. Fill yourselves with your God,

go to the Tabernacle, so many times I tell you, Tabernacle, Tabernacle, Tabernacle where the Divinity is, where my Son is; but how little you go, you go for a little while, nothing, little. But those children of mine are also in the Heart of my Son; those who go for a little while, they do something, but those who boast of saying, I am a Christian and a believer and I do not practice, how badly they fare, how badly they fare; if they say they are Christians and believers they have to fulfill the Commandments of my God, your God, in everything and for everything. That my Son has to be the first and the end of man; there neither children, nor women, nor husbands, nor wives enter; he truly enters if they want. First God, then God and finally God. And man does not do that, man is with all this of the world, these things of the world, that they themselves are crazy, crazed with having and possessing, that ego, that I, must be removed. Be humble, form yourselves in the Heart of my Son and in my Heart; form yourselves in our Hearts, We never fail, you are the ones who fail, because you do not truly love your God Creator.

My children this is ending and my Son will come like a thief. Woe to those who are not in grace! Woe to those who are in the world boasting that they are the best and that they have everything in their power, money, lusts, drunkenness, drugs! That is why you are here today, to ask for all of them, so that they may go again to the House of my Lord, your God. Be strong, my children, pray much and ask much, do not grow tired of praying.

Pray the Holy Rosary with Me, not once, more times, do not be content with one rosary, my children, so many things you do in the world without having to do them and you spend hours and hours entertained in banal things, in things that are worth nothing; get down on your knees, or in the kitchen, or on the walk and pray the Rosary with Me to save the poor sinners, and save yourselves too, my children; because do not think, my children, that you are already saved, you have to carry the cross with love, not despise it; “oh that the Lord sends this to me! Why me, why do I have to have this, why am I not healthy?”

Look, the Lord, our God, your God, my children, carried the Cross, and asked for a Cyrenian; ask for your Cyrenian, ask my Son to walk with you on the cross, you will see how the cross will be small, you will see how you can carry it, make yourselves faithful to your God.

My children, what does the world want?, war, desolation, lies, entanglements. Do you remember when I said that Russia was dominating almost the world, although it was a country; now it wants to dominate the world, and the world does not see it. I, your Mother, ask you to pray much so that

the wars may end and there be no wars, to soften the hard hearts of the heads of government, who are the ones who bring evil to the world. Look, my children, that with humility you will reach Heaven; with pride, Hell.

I am here to bless you always, to be with you, so that you may ask my Heart, that you may look into my eyes, that you may speak with me. I am here, as in so many places in the world, to say to the world: your Mother does not leave you alone, she does not forget you, I am with all of you; now you are in Faro de Luz, tomorrow you may be in another place, but always in all the places of the world I will say the same thing: “pray for the poor sinners, for the salvation of the world”.

My children, Faro de Luz is that, “love, love, love”, that is why I bring you here so that you may seek love, that you may be united, families, marriages ;How much hypocrisy there is in marriages nowadays! “Yes, but no, no but yes”. And in the end quarrels, deceptions; and God is not there, Hell is there; that is why you who come to these places of my apparitions; look at this, if you are married love one another, love one another until the end; and believe greatly in your God. Women and men, if you want to be faithful you are still in time, reflect, ask one another for forgiveness.

My children, this is what I come to tell you today, be faithful to yourselves, but before everything, God always in your heart, in your souls. Remember that the body burns, becomes a worm, ash, but the soul does not, the soul has to ascend to Heaven and there you will be judged in good and in evil; that is why I come to earth, so that you with my prayers and with yours may go to Heaven. So many times I have said it, the Rosary is a treasure that you have, it is the salvation of your hearts.

Keep going forward, my children, love one another. And now I bless you all, my children, everything is blessed by my God Father, God son and God Holy Spirit.

My children be faithful to your God, be faithful to your God, and bear in mind, my children, that life ends, then Eternity, all Eternity. Go to Heaven, my children, with your prayers, your supplications, your charity, your love.

Goodbye my little ones. The Father, Son and Holy Spirit, my Sanctifying Spouse, blesses you; and I your Mother Miriam Heart of Mary, Faro de Luz, Faro de Luz, Faro de Luz. Remember, my children, that the Devil wants war and war wants war, the Devil wants to divide the world that is

why he is entering Europe.

My children with prayer you can appease him, but pray and ask my Heart and the Heart of my Son for your children, for your children; pray for them, do not scold them but pray, pray, pray.

Goodbye, my children, goodbye, little ones, goodbye children.
